RE: Youth CareerConnect Contract Amendment to be considered at the Board of
Supervisors Meeting April 7, 2015

Contractor: Cochise Private Industry Council

AMS ID: CT-CS-14-538 Amendment 1

Amendment Amount: N/A: Purpose of this amendment is to extend the term of the existing agreement. There is no increase in the original contract amount, which is \$525,876.00. The contract is to run for four years, with more youth being enrolled as the initial youth graduate out.

Term End Date: 05/31/16

Funding Source: A grant from the United States Department of Labor (DOL) Employment and Training Administration that was awarded to Pima County for Science, Technology, Engineering and Math (STEM) activities in Pima, Santa Cruz, Cochise and Yuma counties.

Purpose: Implementation of a two-year Cyber Security program for 11th-grade students enrolled in the Center for Academic Success. The program will be aligned to prepare students for Cochise College Cyber Security Associates of Applied Science program and to address requirements for local information technology jobs and trends in the wider IT field.

Program Goals/Predicted Outcomes: Provide training and support for 74 youth over the four years.

Public Benefit: Assist economic development efforts by helping to develop a trained and productive labor force that meets regional employers' needs.

Metrics available to Measure Performance: Quarterly progress reports of participants outcomes (e.g. Progress to date, challenges and successes encountered, corrective actions and success stories) as required by the Department of Labor.
