CONTRACTS / AWARDS / GRANTS

Requested Board Meeting Date: April 4, 2017

or Procurement Director Award

Contractor/Vendor Name (DBA): Arizona Department of Health Services

Project Title/Description:

Arizona Medical Marijuana Initiative

Purpose:

This initiative provides protection for patients with specific qualifying medical conditions to use limited amounts of marijuana under close medical supervision and provides the Arizona Department of Health Services the authority to regulate and tax dispensaries and to educate the public about medical marijuana. As part of the educational component of this initiative, the Arizona Department of Health Services and the Pima County Health Department (PCHD) entered into an Inter Governmental Agreement for five years beginning January 2014. The current annual allocation is \$75,000. Amendment #3 is just to change where notices are sent. ADHS is moving this IGA from the Bureau of Epidemiology and Disease Control to the Bureau of Special Licensing.

Procurement Method:

N/A

Program Goals/Predicted Outcomes:

Maximize available resources to implement the Medical Marijuana Initiative by providing program education, implementation and evaluation. Outcome: Increased awareness among priority populations (HIV/AIDS patients) and other interested members of the public.

Public Benefit:

When appropriately prescribed and monitored, medical marijuana has been shown to provide immeasurable benefits for the health and well-being of PLWHA. Today, nearly one in three HIV/AIDS patients use cannabis to ward off many of the devastating symptoms of the disease.

Metrics Available to Measure Performance:

- Completion of twelve educational activities by 12/31/2017.
- An annual work plan with specific, measurable, and realistic goals, objectives, activities and performance measures will be developed for each component of the program to monitor progress.
