Re: Deborah Martinez

Dear Sir/Ma'am:

I have known Deborah for approximately ten years and have had the opportunity and privilege of working with her on a number of projects. We collaborated on a number of "Stand Downs," which help our local veterans get the services they need so badly. In the past five years, I have assisted as a volunteer to Deborah's leadership of and with PGA-Hope (Helping Our Patriots Everywhere), a program to help our injured veterans learn and enjoy the game of golf. This program, under Deborah's tutelage, has prospered and grown to being one of the best programs in the country. Deborah has also been instrumental in organizing the annual luncheon for women veterans held on or around Veterans' Day.

I believe Deborah's organizational skills and her ability to engage veterans of all ages would be essential and necessary attributes for consideration of the job of Constable. She has proven time and again how working with people produces positive results.

Thank you for your attention to this matter.

Regards,

Maureen Gagliardi  
Colonel, U.S. Army, Ret.
