Chris Straub, Chief Deputy County Attorney, reported that this case involved a 725.24 acre property located at 17000 S. Mission Road; that the property had been in continuous use for agriculture within the definition of the controlling statute since 2011; that the proposed settlement would result in an estimated tax decrease of \$10,135.19 for the 2012 tax year and \$11,463.53 for tax years 2013 and 2014. He stated the County Assessor and County Attorney's Office recommended the proposed settlement.

It was moved by Supervisor Elías, seconded by Supervisor Carroll and carried by a 3-1 vote, Supervisor Miller voted "Nay," to accept the recommendation.

9. Pursuant to A.R.S. §38-431.03(A)(3) and (4), for legal advice and direction regarding a request by the Pima County Attorney's Office that the Board of Supervisors waive a potential conflict of interest to allow the Pima County Attorney's Office Civil Division to advise and represent Pima County Assessor Bill Staples with respect to the tax classification of Raytheon Company's IPRs.

Chris Straub, Chief Deputy County Attorney, stated this was a request of the County Attorney's Office and that as with all waivers of this nature, the matter was at the discretion of the Board.

It was moved by Supervisor Elías, seconded by Chairman Valadez and carried by a 2-2 vote, Supervisors Carroll and Miller voted "Nay." The Chairman stated this item would be continued to the Board of Supervisors' Meeting of October 8, 2013.

10. **PERSONAL POINT OF PRIVILEGE**

Supervisor Elías acknowledged that October was Breast Cancer Awareness Month and asked that those who have lost their lives be remembered and those who have survived the disease be respected and honored.

11. **CLERK OF THE BOARD**

The Board of Supervisors on September 17, 2013, continued the following:
Approval of the Board of Supervisors Minutes of August 19, 2013.

A video excerpt of the August 19, 2013 Board of Supervisors' Meeting was played and the segment regarding the approval of the Consent Calendar was reviewed.

Supervisor Miller stated that at the August 19, 2013 meeting and pursuant to the rules of the Board, she had pulled the Community and Economic Development contract with Jose Gabriel Loyola (CT-CED-14-30) from the Consent Calendar for a separate vote. She noted for the record there was no separate motion and no vote on the item.

It was moved by Supervisor Miller and seconded by Supervisor Carroll, to approve the meeting minutes as amended by the Clerk of the Board; and with the additional amendment that the record reflect Supervisor Miller voted "No" on the contract for Jose Gabriel Loyola (CT-CED-14-30). No vote was taken at this time.

Chairman Valadez stated that according to the transcript of the August 19, 2013 relating to this item, he had asked the Board if there was a motion on the item in question, and no response was given.

Supervisor Miller commented on the inconsistency of the rules during the meetings and expressed her desire to put the item back up for a vote.

Supervisor Elías stated that he would be willing to revote the item. The video excerpt was then replayed at the request of Supervisor Carroll.

Supervisor Miller withdrew her motion and Supervisor Carroll withdrew his second. Supervisor Miller then moved to vote on the contract for Jose Gabriel Loyola (CT-CED-14-30). Chairman Valadez explained the contract would need to be properly noticed on a future agenda and asked counsel to respond as this matter involved an executed contract.

Chris Straub, Chief Deputy County Attorney, explained that the issue before the Board was whether the minutes accurately reflected what occurred on August 19, 2013. He stated a reasonable conclusion would be that the majority of the Board had supported the contract and that the contract had been executed. He said that any attempt to do something different could create a dispute regarding an anticipatory breach of the contract. Mr. Straub said it would be appropriate to ratify/clarify the action of the Board regarding the contract on a future agenda.

It was moved by Supervisor Miller, seconded by Supervisor Elías and carried by a 4-0 vote, to place the contract for Jose Gabriel Loyola (CT-CED-14-30) which had been Item No. 1 of the August 19, 2013 Consent Calendar, on the agenda for the Board of Supervisors' Meeting of October 15, 2013, for ratification.

It was then moved by Supervisor Miller to approve the balance of the August 19, 2013 Meeting Minutes as amended by the Clerk of the Board, with the exception of the Jose Gabriel Loyola (CT-CED-14-30) contract. Supervisor Elías seconded the motion for the sake of discussion. He expressed concern that the issue of the minutes had not been addressed. He stated the minutes should be approved as a reflection of the actions from the August 19 meeting, especially given that the vote would be ratified on October 15. Supervisor Elías removed his second of the motion. The motion then died for lack of a second.

It was then moved by Supervisor Elías, seconded by Chairman Valadez and carried by a 4-0 vote, to continue the approval of the minutes of August 19, 2013 to the Board of Supervisors' Meeting of October 15, 2015, to be considered concurrently with the ratification of the contract for Jose Gabriel Loyola (CT-CED-14-30) which had been Item No. 1 from the August 19, 2013 Consent Calendar.

19. **PROCUREMENT**

A. **Appeal of the Procurement Director's Decision**

Pursuant to Pima County Code Section 11.20.010(J), Borderland Construction Company, Inc. appeals the decision of the Procurement Director regarding Solicitation No. 103853 - Magee Road Improvements - La Cañada to AZ 77.

B. **Award**

The Board of Supervisors on September 17, 2013 continued the following:

Low Bid: Award of Contract, Solicitation No. 103853, in the amount of \$9,974,990.20 to the lowest responsive bidder, Select Development and Construction, Inc. (Headquarters: Tucson, AZ), for the construction of the Magee Road Improvements: La Cañada Drive to Oracle Road Project. The contract term is 36 months with the ability to extend for contract completion. Construction is to be complete within 300 working days from Notice to Proceed. The Department of Transportation requests that the Procurement Director's Change Order authority be increased up to \$500,000 per change order, not to exceed a cumulative total of \$1.5 million, for this project. Funding Source: Federal Surface Transportation Program (53%), RTA (29%), and DOT-06 HURF Bond (18%). Administering Department: Transportation.

George Widugiris, Procurement Director, explained that the protest by Borderland focused on their belief that the lowest responsive bidder submitted an incomplete list of subcontractors which could cause bid shopping. He stated that Select Development and Construction, Inc., had submitted a list of subcontractors amounting to 9% of the total bid amount and have maintained they were licensed to self-perform all remaining work. Mr. Widugiris did not find adequate factual information to support the appellant's claims.

Supervisor Elías asked whether the Procurement Department had seen Select's licenses as required in the bid. Mr. Widugiris responded a review was not conducted further than the information provided in the bid.

Supervisor Miller questioned bid shopping and audit practices. Mr. Widugiris responded there was no code, policy or provision that provided a detailed definition or specific authority regarding bid shopping.

Steve Shepherd, Borderland Construction, restated their position that Select's bid did not reflect all of the necessary subcontractors and that he did not believe Select would self perform all of the work listed.

Jim Kuliesh, President of the Alliance of Construction Trades, expressed his opinion that Select was not capable of performing the required work without additional subcontractors and asked the Board to enforce the rules regarding bid shopping.

Supervisor Elías questioned the process for making changes to the subcontractors list. Mr. Widugiris explained that process flowed through the Department Project Manager.

Priscilla Cornelio, Transportation Director, reported that adding or changing subcontractors happened quite frequently.

Chuck Huckelberry, County Administrator, stated there was a portion of the contract where subcontractors could be added/changed for good cause or reason. He added the award could be made subject to the three subcontractors listed by Select and that Select demonstrate that they would be capable of self performing all of the required work.

Brandon Neal, Select Development and Construction, Inc., stated there were no facts to support the allegations that Select was incapable of performing the work or that they had ever bid shopped. He stated their company had followed the rules and passed the scrutiny of both the bid process and the Procurement Director.

Supervisor Carroll asked the County Administrator if he had concerns regarding the appeal.

Chuck Huckelberry, County Administrator, suggested the award be made conditioned upon production of the appropriate licenses and that any change or addition to the subcontractors be approved by the Board rather than the Department.

It was then moved by Supervisor Elías, seconded by Supervisor Miller and carried by a 4-0 vote, to close the public hearing, uphold the Procurement Director's decision and award the contract for Solicitation No. 103853 to the lowest responsive bidder, Select Development and Construction, Inc., contingent upon the production of the required licenses to complete the work and that any changes in the subcontractor list come back to the Board of Supervisors for approval.

26. **CALL TO THE PUBLIC**

The following speakers addressed the Board in opposition to the proposed Interstate 11 corridor running through the Avra Valley:

- Robin Clark
- Jan Anderson
- Albert Lannon

They provided the following comments:

- The environmental and community impacts of the proposed bypass could never be adequately mitigated.
- Expanding existing transportation corridors would be more sustainable.
- Natural resources, including Saguaro National Park would be negatively impacted.
- Double decking was possible and more economical than a bypass.
- The proposed Interstate 11 was in direct opposition to Pima County Resolution 2007-343, which opposed construction of any new highways in or around Pima County that have the stated purpose of bypassing the existing Interstate 10.

Keith Van Heyningen addressed the Board regarding constitutional rights, lack of respect and corruption.
