COOPERATIVE PROCUREMENT AGREEMENT

1. Parties, Background and Purpose.

- 1.1. Parties. This Contract is between Pima County, a political subdivision of the State of Arizona ("County"), and DNA Laboratory Services, Inc. ("Contractor")
- 1.2. Purpose. The Pima County Sheriff's Department requires DNA laboratory services to assist in solving crimes.
- 1.3. Authority. County is authorized by Pima County Code § 11.24.010 and A.R.S. § 41-2632 to enter into cooperative purchasing arrangements. County has entered into such an agreement with State of Arizona.
- 1.4. Contract.
 - 1.4.1. State of Arizona entered into a contract (CTR059551) for specified goods and services with DNA Labs International, Inc., a private DNA laboratory ("Contractor"), which is currently in effect (the "State of Arizona Contract"). The name of public entity Contract is incorporated into this Contract by this reference.
 - 1.4.2. Section 3.12. of the State of Arizona Contract provides that another governmental entity with which State of Arizona has a cooperative purchasing agreement may, with Contractor's approval, purchase products and services at the same prices and under the same terms as in the State of Arizona Contract.

2. Term.

- 2.1. Initial Term. The term of this Contract commences on February 21, 2023 and will terminate on March 27, 2024 ("Initial Term"). "Term," when used in this Contract, means the Initial Term plus any exercised extension options under Section 2.2. If the commencement date of the Initial Term is before the signature date of the last party to execute this Contract, the parties will, for all purposes, deem the Contract to have been in effect as of the commencement date.
- 2.2. Extension Options. County may renew this Contract for up to three (3) additional periods of up to 1 year each (each an "Extension Option"). An Extension Option will be effective only upon execution by the Parties of a formal written amendment.

3. **Scope of Services.** Contractor will provide County with the services specified in the State of Arizona Contract with the clarifications described in **Exhibit A: Clarifications to the Scope of Work** (1 page) upon demand. The Services must comply with all requirements and specifications in the Solicitation.
4. **Key Personnel.** Not applicable to this Agreement.
5. **Compensation and Payment.**
 - 5.1. Rates; Adjustment. County will pay Contractor at the rates set forth in **Exhibit B**. Those rates will remain in effect during an Extension Option period unless Contractor, at least 90 days before the end of the then-existing Term, or at the time the County informs Contractor that the County intends to extend the Term, if that is earlier, notifies County in writing of any adjustments to those rates, and the reasons for the adjustments.
 - 5.2. Not-To-Exceed (NTE) Amount. County's total payments to Contractor under this Contract, including any sales taxes, may not exceed \$300,000.00 per year (the "NTE Amount") to be shared amongst all awarded Contractors on the Master Agreement. The NTE Amount can only be changed by a formal written amendment executed by the Parties. Contractor is not required to provide any services, payment for which will cause the County's total payments under this Contract to exceed the NTE Amount; if Contractor does so, it is at the Contractor's own risk.
 - 5.3. Sales Taxes. The payment amounts or rates in **Exhibit B** do not include sales taxes. Contractor may invoice County for sales taxes that Contractor is required to pay under this Contract. Contractor will show sales taxes as a separate line item on invoices.
 - 5.4. Timing of Invoices. Contractor will invoice County on a monthly basis unless a different billing period is set forth in **Exhibit B**. County must receive invoices no more than 30 days after the end of the billing period in which Contractor delivered the invoiced products or services to County. County may refuse to pay for any product or service for which Contractor does not timely invoice the County and, pursuant to A.R.S. § 11-622(C), will not pay for any product or service invoiced more than 6-months late.
 - 5.5. Content of Invoices. Contractor will include detailed documentation in support of its invoices and assign each amount billed to an appropriate line item.
 - 5.6. Invoice Submittal. Invoices are to be sent to:

Pima County Finance & Risk Management – Accounts Payable
P.O. Box 791
Tucson, AZ 85701
 - 5.7. Invoice Adjustments. County may, at any time during the Term and during the retention period set forth in Section 23 below, question any payment under this Contract. If County raises a question about the propriety of a past payment, Contractor will cooperate with County in reviewing the payment. County may set-off any overpayment against amounts due to Contractor under this or any other contract between County and Contractor. Contractor will promptly pay to County any overpayment that County cannot recover by set-off.

6. Insurance. The Insurance Requirements herein are minimum requirements for this contract and in no way limit the indemnity covenants contained in this contract. Contractor's insurance shall be placed with companies licensed in the State of Arizona and the insureds shall have an "A.M. Best" rating of not less than A- VII, unless otherwise approved by County. County in no way warrants that the minimum insurer rating is sufficient to protect Contractor from potential insurer insolvency.

6.1. Minimum Scope and Limits of Insurance. Contractor will procure and maintain at its own expense, until all contractual obligations have been discharged, the insurance coverage with limits of liability not less than stated below. County in no way warrants that the minimum insurance limits contained herein are sufficient to protect Contractor from liabilities that arise out of the performance of the work under this contract. If necessary, Contractor may obtain commercial umbrella or excess insurance to satisfy County's Insurance Requirements.

6.1.1. Commercial General Liability (CGL). Occurrence Form with limits of \$2,000,000 Each Occurrence and \$2,000,000 General Aggregate. Policy shall include bodily injury, property damage, broad form contractual liability coverage, personal and advertising injury and products – completed operations.

The policy limits shall be not less than \$2,000,000 Each Claim and \$2,000,000 Annual Aggregate. The insurance policy shall cover professional misconduct or negligent acts of anyone performing any services under this contract.

In the event that the Professional Liability insurance required by this contract is written on a claims-made basis, Contractor shall warrant that continuous coverage will be maintained as outlined under "Additional Insurance Requirements – Claims-Made Coverage" section.

6.1.5. Network Security (Cyber)/Privacy Insurance. Coverage shall have minimum limits of not less \$2,000,000 Each Claim with a \$2,000,000 Annual Aggregate. Such insurance shall include, but not be limited to, coverage for third party claims and losses with respect to network risks (such as data breaches, unauthorized access or use, ID theft, theft of data) and invasion of privacy regardless of the type of media involved in the loss of private information, crisis management and identity theft response costs. This should also include breach notification costs, credit remediation and credit monitoring, defense and claims expenses,

regulatory defense costs plus fines and penalties, cyber extortion, computer program and electronic data restoration expenses coverage (data asset protection), network business interruption, computer fraud coverage, and funds transfer loss.

In the event that the Network Security and Privacy Liability insurance required by this contract is written on a claims-made basis, Contractor warrants that any retroactive date under the policy shall precede the effective date of this contract and, either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this contract is completed.

The policy shall be endorsed, as required by this written agreement, to include the County and its Agents, as additional insured with respect to vicarious liability of the insured arising out of the activities performed by or on behalf of the Contractor.

- 6.2. Additional Insurance Requirements. The policies shall include, or be endorsed to include, as required by this contract, the following provisions.
 - 6.2.1. Claims Made Coverage. If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date must precede the effective date of this contract, and Contractor must maintain such coverage for a period of not less than three (3) years following contract expiration, termination or cancellation.
 - 6.2.2. Additional Insured Endorsement. The General Liability and Business Automobile Liability policies must each be endorsed to include Pima County, its departments, districts, boards commissions, officers, officials, agents and employees (collectively "County and its Agents") as additional insureds with respect liability arising out of the activities performed by or on behalf of Contractor. The full policy limits and scope of protection must apply to County and its Agents as an additional insured, even if they exceed the Insurance Requirements.
 - 6.2.3. Subrogation Endorsement. The General Liability, Business Automobile Liability and Workers' Compensation Policies shall each contain a waiver of subrogation endorsement in favor of County, and its departments, districts, boards, commissions, officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.
 - 6.2.4. Primary Insurance Endorsement. The policies shall stipulate that the insurance afforded Contractor shall be primary and that any insurance carried by County, its agents, officials, or employees shall be excess and not contributory insurance. The Required Insurance policies may not obligate County to pay any portion of Contractor's deductible or Self Insurance Retention (SIR).
 - 6.2.5. Insurance provided by the Contractor shall not limit the Contractor's liability assumed under the indemnification provisions of this Contract.

- 6.2.6. Subcontractors. Contractor must either (a) include all subcontractors as additional insureds under its Required Insurance policies, or (b) require each subcontractor to separately meet all Insurance Requirements and verify that each subcontractor has done so, Contractor must furnish, if requested by County, appropriate insurance certificates for each subcontractor. Contractor must obtain County's approval of any subcontractor request to modify the Insurance Requirements as to that subcontractor.
- 6.3. Notice of Cancellation. Each Required Insurance policy must provide, and certificates specify, that County will receive not less than thirty (30) days advance written notice of any policy cancellation, except 10-days prior notice is sufficient when the cancellation is for non-payment of a premium. Notice must be mailed, emailed, hand-delivered or sent via facsimile transmission to County's Contracting Representative, and must include the project or contract number and project description.
- 6.4. Verification of Coverage. Contractor shall furnish County with certificates of insurance (valid ACORD form or equivalent approved by County) as required by this contract. An authorized representative of the insurer shall sign the certificates. Each certificate must include.
- 6.4.1. County's tracking number for this contract, which is shown on the first page of the contract, and a project description, in the body of the Certificate.
- 6.4.2. A notation of policy deductibles or SIRs relating to the specific policy.
- 6.4.3. Certificates must specify that the appropriate policies are endorsed to include additional insured and subrogation waiver endorsements for County and its Agents. Note: Contractors for larger projects must provide actual copies of the additional insured and subrogation endorsements.
- 6.5. All certificates and endorsements, as required by this contract, are to be received and approved by County before work commences. Each insurance policy required by this contract must be in effect at, or prior to, commencement of work under this contract. A renewal certificate must be provided to County not less than 15 days prior to the policy's expiration date to include actual copies of the additional insured and waiver of subrogation endorsements. Failure to maintain the insurance coverages or policies as required by this contract, or to provide evidence of renewal, is a material breach of contract.
- 6.6. All certificates required by this contract shall be sent directly to the appropriate County Department. The Certificate of Insurance shall include County's project or contract number and project description on the certificate. County may require complete copies of all insurance policies required by this contract at any time.
- 6.7. Approval and Modifications. County's Risk Manager may approve a modification of the Insurance Requirements without the necessity of a formal contract amendment, but the approval must be in writing. County's failure to obtain a required insurance certificate or endorsement, County's failure to object to a non-complying insurance certificate or endorsement, or County's receipt of any other information from the Contractor, its

insurance broker(s) and/or insurer(s), do not constitute a waiver of any of the Insurance Requirements.

- 7. Indemnification.** To the fullest extent permitted by law, Contractor will defend, indemnify, and hold harmless County and any related taxing district, and the officials and employees of each of them (collectively, "Indemnitee") from and against any and all claims, actions, liabilities, losses, and expenses (including reasonable attorney fees) (collectively, "Claims") arising out of actual or alleged injury of any person (including death) or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by any act or omission of Contractor or any of Contractor's directors, officers, agents, employees, volunteers, or subcontractors. This indemnity includes any claim or amount arising or recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Indemnitee will, in all instances, except for Claims arising solely from the acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all Claims. - 9. Independent Contractor.** Contractor is an independent contractor. Neither Contractor, nor any of Contractor's officers, agents or employees will be considered an employee of County for any purpose or be entitled to receive any employment-related benefits, or assert any protections, under County's Merit System. - 10. Subcontractors.** Contractor is fully responsible for all acts and omissions of any subcontractor, and of persons directly or indirectly employed by any subcontractor, and of persons for whose acts any of them may be liable, to the same extent that the Contractor is responsible for the acts and omissions of its own employees. Nothing in this Contract creates any obligation on the part of County to pay or see to the payment of any money due any subcontractor, except as may be required by law.

If any court or administrative agency determines that County does not have authority to enter into this Contract, County will not be liable to Contractor or any third party by reason of such determination or by reason of this Contract.
- 15. Full and Complete Performance.** The failure of either party to insist, in one or more instances, upon the other party's complete and satisfactory performance under this Contract, or to take any action based on the other party's failure to completely and satisfactorily perform, is not a waiver of that party's right to insist upon complete and satisfactory performance, or compliance with any other covenant or condition in this Contract, either in the past or in the future. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.
- 16. Cancellation for Conflict of Interest.** This Contract is subject to cancellation for conflict of interest pursuant to A.R.S. § 38-511, the pertinent provisions of which are incorporated into this Contract by reference.
- 17. Termination by County.**

20. Remedies. Either party may pursue any remedies provided by law for the breach of this Contract. No right or remedy is intended to be exclusive of any other right or remedy and each is cumulative and in addition to any other right or remedy existing at law or at equity or by virtue of this Contract.

21. Severability. Each provision of this Contract stands alone, and any provision of this Contract found to be prohibited by law will be ineffective to the extent of such prohibition without invalidating the remainder of this Contract.

22. Use of County Data. Unless it receives County's prior written consent, Contractor: (a) shall not access, process, or otherwise use County Data other than as necessary to provide contracted services or products; and (b) shall not intentionally grant any third party access to County Data, including without limitation Contractor's other customers, except subcontractors that are subject to a reasonable nondisclosure agreement. As between the parties, County retains ownership of County Data. "County Data" means data in electronic or paper form provided to Contractor by County, including without limitation personal identifying information as defined in A.R.S. § 13-2001(10).

23. Books and Records. Contractor will keep and maintain proper and complete books, records and accounts, which will be open at all reasonable times for inspection and audit by duly authorized representatives of County. In addition, Contractor will retain all records relating to this Contract for at least five (5) years after its expiration or termination or, if later, until any related pending proceeding or litigation has concluded.

- 24.2. Records Marked Confidential; Notice and Protective Order. If Contractor reasonably believes that any documents submitted to County contain proprietary, trade-secret or otherwise-confidential information, Contractor must prominently mark those records "CONFIDENTIAL." In the event a public-records request is submitted to County for records marked CONFIDENTIAL, County will notify Contractor of the request as soon as reasonably possible. County will release the records 10 business days after the date of that notice, unless Contractor has, within that period, secured an appropriate order from a court of competent jurisdiction, enjoining the release of the records. County will not, under any circumstances, be responsible for securing such an order, nor will County be in any way financially responsible for any costs associated with securing such an order.

Contractor agrees to waive confidentiality of any price terms.

25. Legal Arizona Workers Act Compliance.

- 25.1. Compliance with Immigration Laws. Contractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Contractor's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Contractor will further ensure that each subcontractor who performs any work for Contractor under this contract likewise complies with the State and Federal Immigration Laws.
- 25.2. Books & Records. County has the right at any time to inspect the books and records of Contractor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.
- 25.3. Remedies for Breach of Warranty. Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, is a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor will take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.
- 25.4. Subcontractors. Contractor will advise each subcontractor of County's rights, and the subcontractor's obligations, under this Section by including a provision in each subcontract substantially in the following form:

"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to ensure that Subcontractor is in compliance with these requirements. Any items provided in excess of that stated in this Contract are at Contractor's own risk.

28. Counterparts. The parties may execute the Contract that County awards pursuant to the solicitation in any number of counterparts, each counterpart is considered an original, and together such counterparts constitute one and the same instrument.

29. Israel Boycott Certification. Pursuant to A.R.S. § 35-393.01, if Contractor engages in for-profit activity and has 10 or more employees, and if this Contract has a value of \$100,000.00 or more, Contractor certifies it is not currently engaged in, and agrees for the duration of this Contract to not engage in, a boycott of goods or services from Israel. This certification does not apply to a boycott prohibited by 50 U.S.C. § 4842 or a regulation issued pursuant to 50 U.S.C. § 4842.
