I am Sharon Fickes, legal Pima County Resident Contact [REDACTED]
Following is my comment for the Board of Supervisors 11-21-23

Agenda #40 ADOT yellow arrow \$706,880.00/4 year 2023-2026 (GTAW 24-69)
Provide a flashing yellow arrow at intersection of **Romero & Ruthrauff**

Why does it cost \$176,720.01 federal 4 yr funding to provide **one** flashing yellow light for safety at the intersection right-of-way? No doubt Pima needs to support safety in our roads but isn't this an exceptional cost for **ONE** flashing yellow light? If it is for safety then why does it take 4 years? Demand a detailed explanation. For now **VOTE NO**

God Bless America
