---

Attention Supervisor Ray Carroll and Pima County Supervisors

As you consider your vote on the San Ignacio Golf Course issue on December 13th, please keep in mind that the following Ipetition was sent to 75 households in the San Ignacio Heights subdivision. While we have more households in San Ignacio Heights, these were the only households with current email addresses available to our group.

We have 60 people who signed this ipetition asking you to vote "NO" on approving a cell tower proposed to be placed in the San Ignacio parking lot. We have an additional 15 paper signatures of the petition. The signatures are from residents of San Ignacio Heights with one being from a resident of San Ridge. These are the areas most impacted by the cell tower if it were to be built in the parking lot.

Thirty-five of the residents who signed the Ipetition also wrote comments to further explain their requests.

While there are a number of mitigating factors for asking you to vote against this proposed site loss of realestate value, irreparable damage to views and proximity to homes are of concern to all members of our subdivision.

Please consider the voice of the residents who will be impacted by this proposed tower by voting against it.

You can access the Ipetition at:

<http://www.ipetitions.com/petition/vote-no-on-cell-tower-at-san-ignacio-golf>

Thank You,

Donna Hoch
