Per the request today from Supervisor Scott, below find the link to the 2023 Behavioral Surveillance System Survey for the state of Arizona. [2023-brfss-questionnaire.pdf \(azdhs.gov\)](https://www.azdhs.gov/2023-brfss-questionnaire.pdf). This draft document includes all survey items in their entirety. Please note that this is a mobile and landline telephone survey and most respondents will only be asked the core set of questions. Sub-segments of the population may be invited to participate in additional survey modules.

A comprehensive summary of the survey, its history, use and applications for local communities can be found on the Centers for Disease Control and Prevention website. <https://www.cdc.gov/brfss/index.html>
