Subject: PACC Support

I am writing to express my support for a contingency allocation to provide additional staffing and kennels at PACC. The abandoned and relinquished animals in this community have been a crisis that has been ignored for too long. Please support this initiative wholeheartedly!

To Whom it may concern:

I just want you to please, please support and approve Mr. Huckleberry's request for a contingency allocation to provide additional staffing and kennels at PACC. This is very important to the community and to our family.

Thanks so much!
