Dear BOS Members,
Please vote NO on Agenda Item #52.

Pima County should not be in the business of aiding border crossers and associated services. Ask the BoS how they will be able to prove that the \$2,845,000.00 of tax-funded money is actually go to immigrants legally entering Arizona. If Pima County stopped bringing in these immigrants in the first place, we could save that money and use it on the actual citizens that need assistance.
