#5 The BoS needs to make whole any county employees who were harmed by Covid-related restrictions on their rights.

#14. Citizens need to know exactly how this money is spent.

#20 Why \$2 million for "climate resilience"? How is this spent? The county can do absolutely nothing to affect the climate. Tucson is hot in summer, sometimes freezes in winter, and sometimes rains. Weather is only one reason to get people off the streets and out of parks and into shelter. What other use does the BoS plan for this budget item?

#24 The BoS needs to read the election reform bill that Gov. Hobbs vetoed. I favor a return to one-day precinct voting.
