All fields are required. Enter N/A if not applicable. For number fields, enter 0 if not applicable. Record Number: Amplifund Grant Record Number: 70287 Award Type: Grant Is a Board Meeting Date Yes Requested? Requested Board Meeting Date: 11/18/2025 Signature Only: NO Procurement Director Award / N/A **Delegated Award:** Supplier / Customer / Grantor / Arizona Department of Health Services (ADHS) Subrecipient: Project Title / Description: Pima County Medical Reserve Corps State, Territory and Tribal Nations, Representative Organizations for the Next Generation (MRC STTRONG). Purpose: The Administration for Strategic Preparedness and Response's (ASPR) Medical Reserve Corps (MRC) Program announced \$2 million in American Rescue Plan funding available to Arizona and its local MRC sub-contracted units to expand the work of the national MRC network. Amendment two is no-cost amendment to revise and replace the pricing sheet for Budget Period of 2023-2024. **Procurement Method:** Grant: Not applicable **Procurement Method Additional** N/A Info: **Program Goals/Predicted** The Arizona Department of Health Services (ADHS) is utilizing the funds to increase Outcomes: the number of volunteers across the state by 25%, and to expand MRC units by establishing six MRC units, including three new units in tribal jurisdictions. Funding also is used to deliver workforce disaster preparedness training to at least 200 community partners statewide and to have 100% of Arizona regions with active MRC units working with responders and service organizations to implement training on promoting best practices in access to health opportunities within community context. This effort also works to develop statewide standard training, protocols, and procedures for MRC.

Public Benefit and Impact:

Enhance capability to support emergency operations in Arizona by ensuring local ready response teams, strengthen healthcare workforce, engage with partners in targeted areas, and deliver training in order to better prepare community partners and the state's workforce during disasters to improve access to recovery resources.

Budget Pillar

· Core functions & excellent service

Support of Prosperity Initiative:

N/A

Provide information that explains how this activity supports the selected Prosperity Initiatives

N/A

Metrics Available to Measure Performance:

- Completion of written plans that include processes for collaborating with public health, medical, and emergency response partners to address the needs for the County's identified hazards.
- Increase number of volunteers across the state by 25% compared to year preceding grant project period.
- Expand MRC units in Southern Arizona to include collaboration with Tribal Nations and other stakeholder groups.
- Increase number of trainings to community partners and volunteers and increase number of volunteers who completed required training.
- Increase number of community events attended or organized and number of partnerships with local organizations or agencies to strengthen continuity of operations.

Retroactive:

YES

Retroactive Description:

Yes. This amendment is to commence on June 1, 2025. The final version of amendment two was forwarded to PCHD on September 26, 2025. Approval of this Amendment is needed to continue the progress that PCHD and the Administration for Strategic Preparedness and Response's (ASPR) Medical Reserve Corps (MRC) Program has made in serving Southern Arizona communities, Tribes and Nations.
