Supplier / Customer / Grantor / Subrecipient: Arizona Department of Health Services (ADHS)

Project Title / Description: Pima County Medical Reserve Corps State, Territory and Tribal Nations, Representative Organizations for the Next Generation (MRC STTRONG).

Purpose: The Administration for Strategic Preparedness and Response's (ASPR) Medical Reserve Corps (MRC) Program announced \$2 million in American Rescue Plan funding available to Arizona and its local MRC sub-contracted units to expand the work of the national MRC network.

Amendment two is no-cost amendment to revise and replace the pricing sheet for Budget Period of 2023-2024.

Procurement Method: Grant: Not applicable

Procurement Method Additional Info: N/A

Program Goals/Predicted Outcomes: The Arizona Department of Health Services (ADHS) is utilizing the funds to increase the number of volunteers across the state by 25%, and to expand MRC units by establishing six MRC units, including three new units in tribal jurisdictions. Funding also is used to deliver workforce disaster preparedness training to at least 200 community partners statewide and to have 100% of Arizona regions with active MRC units working with responders and service organizations to implement training on promoting best practices in access to health opportunities within community context. This effort also works to develop statewide standard training, protocols, and procedures for MRC.

Public Benefit and Impact:	Enhance capability to support emergency operations in Arizona by ensuring local ready response teams, strengthen healthcare workforce, engage with partners in targeted areas, and deliver training in order to better prepare community partners and the state's workforce during disasters to improve access to recovery resources.
Budget Pillar	Core functions & excellent service
