## **10-4-22 Agenda Consent Calendar Item 7 Pause for Change \$100,000**

One year support for additional meetings to create and design disruptive social change in Tucson. Tucson and Pima County has had plenty of social change in the last few years. What has happened? More crime, more problems and Tucson is now on the list of most violent cities based on population of similar size. You have disruption now how will you handle the violence? How will you stand up for and protect the Pima County Citizens? **Vote NO**
