I request the following comment becomes part of the Addendum to the Agenda for the Board of Supervisors Meeting of Tuesday, April 19, 2022.

Item 7 Education Reimbursement Program
While educational enrichment is valuable for job retention and upward mobility the "first-come, first-reimbursed basis" scares me. Further research and additional information is necessary before a thoughtful vote can be determined.
Please continue the suspension of this program an additional year and request further data on program specifics.
