

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: July 7, 2020

Title: Andrada Road Through Street

Introduction/Background:

The residential subdivision, Andrada Ranch Phase 2, is currently under construction off of Andrada Road between Wentworth Road and Davidson Road. The engineer for the development recommended the installation of an all-way stop at Andrada Road and Rincon View Drive as a result of limited sight distance at the two adjacent development roads. The all-way stop installation necessitates a modification to the existing Andrada Road through street ordinance. The through street ordinance modification should be considered in conjunction with the recommended Andrada Road and Rincon View Drive all-way stop ordinance.

Discussion:

Ordinance 2001-71 designates Andrada Road as a through street from the east line of Wentworth Road to the west line of Davidson Road. The recommended all-way stop installation at Andrada Road and Rincon View Drive will result in Andrada Road traffic stopping within the segment. The regulatory control for Andrada Road traffic necessitates a modification to the existing through street ordinance with a break at Rincon View Drive.

Conclusion:

Based on the recommended all-way stop installation at Andrada Road and Rincon View Drive, the Andrada Road through street ordinance is recommended to be updated with a break at Rincon View Drive.

Recommendation:

Ordinance 2001-71 be repealed and Andrada Road be designated a through street from the east line of Wentworth Road to the west line of Rincon View Drive, and from the east line of Rincon View Drive to the west line of Davidson Road.

Fiscal Impact:

Minimal
