Agenda Item #19: Desert Dove Apartments, L.P., to provide an Affordable Housing Gap Funding Agreement and Affordable Housing Restrictive Covenant for Desert Dove Apartments, General Fund:

Our Comments: This is a great example of the government getting in the way of the free market and causing inflation. It is another loan to a big corporation to build "affordable housing" with taxpayer money. Pima County needs to get out of the housing market and all real estate deals. Getting out of real estate deals is in the best interest of the taxpayer.

Agenda Items #24: Award - Supplier Contract No. SC2400002399,

Our Comments: Why do we need these items? The BoS have subcontracted all the jobs that would require these types of trucks. We have lots of questions about this agenda item. The public benefit statement is very vague: what services and programs are these really for?
