

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: April 19, 2016

Title: Temporary Road Closure Resolution

Introduction/Background:

The Pima County Department of Transportation is requesting the closure of portions of Wilmot Road between Andrada Road and Old Vail Connection Road for the construction of a new two lane asphalt road.

Discussion:

As a result of the Pima County Traffic Engineering Division's traffic project plan review, road closures, including potential detour routes if needed, are recommended to facilitate smooth movement of traffic, reduction of project timeline, and reduction of construction costs of the roadway. Traffic Engineering held a public open house to present the closure plan and assess impacts to the public. Sahuarita School District, Vail School District, Rural Metro Fire, and the Prison Complex Administration were consulted and there was no opposition to the plan.

Conclusion:

Pima County Traffic Engineering recommends the closure of portions of Wilmot Road between Andrada Road and Old Vail Connection Road for the construction of a new two lane asphalt road to facilitate smooth movement of traffic and reduce construction costs of the new roadway. There was no known opposition at the public meeting for the closure.

Recommendation:

Staff recommends approval of this resolution to close portions of Wilmot Road between Andrada Road and Old Vail Connection Road for the construction of a new two lane asphalt road between July 1, 2016 and April 1, 2017.

Fiscal Impact:

Reduction in project costs.
