Following are my comments for the 10-04-22 Board of Supervisors meeting.

10-4-22 Agenda Consent Calendar Contract & Award Item #3

Complete review of 2022 Primary Election Activities including the Item #16 report and the Additional 31 page Updates and Response to Jan Leshar on 9/29/22. More information, more proposed solutions, more ideas. Yes all the information requires review. Time is running short before the early ballots are mailed, early voting begins and before you know it November 8, 2022 General Election will be in full swing. **One good solution is to remove Constance Hargrove from her employment. Obvious grounds are lack of performance in a critical position.** Abandon the new system in its entirety. Return to to one legal vote, one ballot, at our established Precincts. We need BOLD steps for BOLD action, time is running out to take two steps back and again wait for solutions.

God Bless America
