I request the following comment becomes part of the Addendum to the Agenda for the Board of Supervisors Meeting of Tuesday, April 19, 2022.

Addendum items 3-6 pertaining to County Supervisor position  
Item 3 Employment Contract for County Administrator, Item 4 Employment Contract of Former County Administrator, Item 5 Board of Supervisor Policy Regarding Senior Leadership Notification and Consent of Retirement and Return-to-Work, Item 6 Personnel Policy - Change in Employment Status

Shame on you Supervisors. You've failed your fiduciary responsibility.

Can we citizens trust you to find an equitable solution to the Huckleberry fiasco?

Can we trust you to correct this costly snafu for the future?

Although too late the statement suggested by Dr. Heinz is a beginning: "Under no circumstances shall the county administrator or any person in a county leadership role be able to retire and return to work without the full knowledge of the Board of Supervisors and the public."

Following are my comments for the 04-19-22 Board of Supervisors  
Meeting on Addendum 1

**Item #3 Contract for County Administrator Jan Leshar**

Do not approve this contract until you are certain that Jan Leshar was not part of the secret involving the changed status of C. Huckleberry. And what about that extensive Indemnification clause in her contract? Does that cover any past participation in activity before she was Acting County Administrator? Vote NO until you have enough background information to trust she will be transparent in her activity as an employee, County Administrator.
