Please type the topic or subject of your message: Endorsement for Andres Cano for Board Supervisor District 5

Your Message To those voting for a nominee to fill the seat vacated by Adelita Grijalva,

I live in district 5. I am endorsing Andres Cano to fill the seat to represent those who reside in district 5. Over a number of years I have interacted with Andres Cano at community events and in support of charitable organizations. In my experience of Andres Cano he has proven himself to be a careful and knowledgeable communicator. He is approachable and engaged on the topics that people in Arizona need help with. He has always shown a tremendous breadth of knowledge in issues and current events which impact Tucson and Pima County. Andres has a proven track record of public service. He has served close to a decade in the District 5 office and three terms in the Arizona House of Representatives. He served as the House Minority Leader, where he helped negotiate the state's budget.

Andres Cano is the youthful, in touch energy we need moving forward in District 5. He has an inclusive attitude in working with all people on the political spectrum. His thoughtful leadership style and calm approach is what we need to bridge divides in the current political climate.

I believe that Andres Cano is the leader that we need. I am proud to respectfully request that you vote for Andres Cano to fill the District 5 vacancy on the Pima County Board of Supervisors. I know he is ready to serve the people of Arizona and he will lead with experience, kindness, hard work and dedication.

Best Regards,  
Kimberly Bond

#### Your Message

Dear Honorable Board Supervisors,

I am writing today in support of support for Andrés Cano to be appointed to fill the District 5 vacancy on the Pima County Board of Supervisors.

I have known Andrés for a long time and I know he has deep roots in District 5 and long-standing commitment to the community.

He served under the late Richard Elias in the District 5 office and understands the community as someone who lives in that community. His work has shown a proven track record of public service with his three terms in the Arizona House of Representatives.

During his leadership as House Minority Leader, Andrés helped negotiate the state's \$17.8 billion budget and worked with neighborhoods, addressing core issues like housing, public health, and infrastructure. In his current role as Director of Federal & State Relations for the City of Tucson, Andrés leads legislative strategy and secures critical grants for the region. There could be other private ventures Andrés could be doing but public service is in his soul and his voice is needed on the Board.

Andrés loves Tucson and Pima County. His dedication to the People shows he will be ready to lead on day one and will bring experience, empathy, and results-driven leadership.

Thank you for allowing me to submit this recommendation and I want to express gratitude to the Board for considering his application for this important role.

Thank you,
