Re: Mt. Lemmon Fire District

Dear Supervisors -

The Mt Lemmon General Store & Gift Shop strongly supports the renewal of the IGA between the Mt Lemmon Fire District and Pima County.

Our Mt Lemmon Fire District budget has declined substantially over the last few years due to lower property tax revenue and the IGA is critical to their continued service of the Mt Lemmon community.

We urge the Board of Supervisors to pass the renewal in order to minimize the threat to life and property due to fire, medical or other emergencies through education, prevention, preparedness, prompt response, treatment and effective customer service.

Sincerely,

Grey Carpenter
