Subject: Data center.....NOOOO

You don't often get email from [REDACTED]. [Learn why this is important](#)

CAUTION: This message and sender come from outside Pima County. If you did not expect this message, proceed with caution. Verify the sender's identity before performing any action, such as clicking on a link or opening an attachment.

I am writing as a tucson resident. I am opposed to the new 'data center's that will consume a load of recycled water and deplete our water further than it is.

Also, bragging that it will generate jobs paying 65000 a year is a disgrace

These companies need to learn to pay excellent living wages.

You KNOW the CEO is making millions

NO TO THE DATA CENTER

Pamela J Herrick
