A. Optional Redemption. The 2014A Bonds are subject to redemption on any date on or after July 1, 2023, or such other date specified in the Notice Inviting Bids transmitted pursuant to Section 9 of this Resolution, at the election of the County, in whole or in part from maturities selected by the County and within any maturity by lot by the payment of a redemption price equal to the principal amount of each 2014A Bond called for redemption plus accrued interest to the date fixed for redemption, without premium.

B. Notice of Redemption. Notice of redemption will be given by mail to the registered owners of the 2014A Bonds at the address shown on the bond register maintained by the Registrar not less than 30 days nor more than 60 days prior to the specified redemption date. Neither failure to give such notice, nor any defect therein, with respect to any 2014A Bond shall affect the regularity of the proceedings for redemption of any other 2014 Bond. If moneys for the payment of the redemption price and accrued interest are not held in a separate account by the County or by a paying agent or depository trustee prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

In that event, the registered owner shall submit the 2014A Bond for partial redemption and the Paying Agent shall make such partial payment and the Registrar shall cause to be issued a new 2014A Bond in a principal amount which reflects the redemption so made to be authenticated and delivered to the registered owner thereof.

#### Section 5. Form of 2014A Bonds.

A. The 2014A Bonds shall be in substantially the form of Exhibit B, attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby or by the Certificate of Award and are approved by those officers executing the 2014A Bonds and the execution thereof by such officers shall constitute conclusive evidence of such approval.

B. The 2014A Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each 2014A Bond shall show the date of its authentication and registration.

#### Section 6. Book Entry Only System.

A. The 2014A Bonds will initially be issued to and registered in the name of Cede & Co., as nominee of the Depository Trust Company ("DTC"), an automated clearinghouse for securities transactions, which will act as securities depository for the 2014A Bonds. One fully registered 2014 Bond, in the aggregate principal amount of each maturity, will initially be registered in the name of and held by Cede & Co., as nominee for DTC.

B. So long as the book entry only system is in effect, beneficial ownership interests in the 2014A Bonds will be available in book entry form only through direct or indirect participants in DTC, in the principal amount of \$5,000 or any integral multiple thereof. Beneficial owners of the 2014A Bonds will not receive certificates representing their interests in the 2014A Bonds and will not be deemed to be registered owners of the 2014A Bonds.

C. So long as the book entry only system is in operation, principal of and interest on the 2014A Bonds will be payable by the Paying Agent to Cede & Co., as nominee of DTC, which organization consequently bears sole responsibility for remitting such principal and interest to its direct and indirect participants for subsequent credit or disbursement to the beneficial owners of the 2014A Bonds.

D. In the event the County determines not to continue the DTC book entry only system or DTC determines to discontinue providing its services with respect to the 2014A Bonds and the County does not select another qualified securities depository, the County shall cause the Registrar to deliver to DTC for redistribution to beneficial owners of the 2014A Bonds one or more 2014A Bonds in such principal amount or amounts, in denominations of \$5,000 and any integral multiple thereof, and registered in such name or names, as DTC shall designate.

#### Section 7. Execution of 2014A Bonds.

A. The 2014A Bonds shall be executed for and on behalf of the County by the Chairman of the Board of Supervisors and attested by the Clerk of the Board of Supervisors by their manual or facsimile signatures.

B. If an officer whose signature is on a 2014A Bond no longer holds that office at the time the 2014A Bond is authenticated and registered, the 2014A Bond shall nevertheless be valid.

C. A 2014A Bond shall not be valid or binding until authenticated by the manual signature of an authorized officer of the Registrar. The signature shall be conclusive evidence that the 2014A Bond has been authenticated and issued under this Resolution.

Section 8. Mutilated, Lost or Destroyed 2014A Bonds. In case any 2014A Bond becomes mutilated, destroyed or lost, the County shall cause to be executed and delivered a new 2014A Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated 2014A Bond or in lieu of and in substitution for such 2014A Bond destroyed or lost, upon the registered owner's paying the reasonable expenses and charges of the County in connection therewith and, in the case of a 2014A Bond destroyed or lost, upon the registered owner filing with the Clerk of the Board of Supervisors and the Registrar evidence satisfactory to the County and the Registrar that such 2014A Bond was destroyed or lost, and furnishing the County with a sufficient indemnity bond pursuant to Section 47-8405, Arizona Revised Statutes.

#### Section 9. Sale of 2014A Bonds; Online Bidding Process; Award of 2014A Bonds.

A. The 2014A Bonds are hereby ordered to be sold in one or more series in accordance with the Notice Inviting Bids for the Purchase of Street and Highway Revenue Bonds (the "Notice Inviting Bids") in substantially the form attached hereto as Exhibit A. Such Bonds,

in a principal amount determined by the Director of Finance of the County or his designee and set forth in the Certificate of Award, will be issued for the purposes authorized pursuant to a special bond election held in and for the County on November 4, 1997 and, to the extent determined by the Director of Finance of the County or his designee pursuant to Section 18 of this Resolution, to refund the Bonds to be Refunded.

B. The 2014A Bonds shall be sold only through an on-line bidding process. Unconditional bids must be submitted electronically as described in the Notice Inviting Bids. Electronic bids for the purchase of the 2014A Bonds will be received through the facilities of PARITY® at the office of the Director of Finance of the County, as described in Exhibit A, until the sale date and time specified therein, provided that the sale date and time for the 2014A Bonds will be postponed to a later date and time if, on the business day before the sale date, the Director of Finance of the County or his designee shall cause to be filed in the office of the Director of Finance his written statement that, in his opinion, the County would obtain a more favorable true interest cost for the 2014A Bonds by delaying the receipt of bids for the 2014A Bonds until a later date and time. The opinion of the Director of Finance of the County or his designee expressed in any such statement shall be conclusive for all purposes with respect to the receipt and opening of bids. If the receipt of electronic bids is postponed, notice of such postponement and of the rescheduled date and time for the receipt of bids shall be given in the manner determined by the Director of Finance of the County or his designee.

C. The Director of Finance of the County or his designee is hereby authorized and directed to cause the Notice Inviting Bids to be completed, executed and transmitted to RBC Capital Markets, LLC, Financial Advisor to the County with respect to the 2014A Bonds, and circulated so as to be made known to potential bidders for the 2014A Bonds.

D. Electronic bids will be announced immediately after the deadline for submission of bids in the office of the Director of Finance. Unless all bids have been rejected by the Director of Finance of the County or his designee, the Chairman of the Board of Supervisors will award the 2014A Bonds to the bidder whose bid results in the lowest true interest cost to the County, taking into account any premium offered to be paid for the 2014A Bonds, as determined by the Director of Finance of the County or his designee.

E. Acceptance of the winning bid and award of the 2014A Bonds to the winning bidder will be evidenced by the execution and delivery of the Certificate of Award by the Chairman of the Board of Supervisors and the Certificate of Award shall order the 2014A Bonds sold to such purchaser in accordance with the terms of such bid and the terms and conditions of the Notice Inviting Bids for the Purchase of Street and Highway Revenue Bonds and this Resolution. The 2014A Bonds will bear interest at the rates and mature in the principal amounts, all as set forth in the Certificate of Award.

F. Following the award thereof to the winning bidder, the Director of Finance of the County or his designee is hereby authorized and directed to cause the 2014A Bonds to be delivered to the purchaser upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the sale.

Section 10. Registrar and Paying Agent.

A. The County will maintain an office or agency where 2014A Bonds may be presented for registration of transfer (the "Registrar") and an office or agency where 2014A Bonds may be presented for payment (the "Paying Agent"). The County may appoint one or more co-Registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable rules and set reasonable requirements for their respective functions with respect to the owners of the 2014A Bonds.

B. Initially, U.S. Bank National Association will act as Registrar and Paying Agent with respect to the 2014A Bonds. The County may change the Registrar or Paying Agent without notice to or consent of owners of the 2014A Bonds and the County may act in any such capacity.

C. Each Paying Agent will be required to agree in writing that the Paying Agent will hold in trust for the benefit of the owners of the 2014A Bonds all money held by the Paying Agent for the payment of principal of and interest and any premium on the 2014A Bonds.

D. The Registrar may appoint an authenticating agent acceptable to the County to authenticate 2014A Bonds. An authenticating agent may authenticate 2014A Bonds whenever the Registrar may do so. Each reference in this Resolution to authentication by the Registrar includes authentication by an authenticating agent acting on behalf and in the name of the Registrar and subject to the Registrar's direction.

E. The Registrar shall keep a register of the 2014A Bonds, the registered owners of the 2014A Bonds and of transfers of the 2014A Bonds. When 2014A Bonds are presented to the Registrar or a co-Registrar with a request to register a transfer, the Registrar will register the transfer on the registration books if its requirements for transfer are met and will authenticate and deliver one or more 2014A Bonds registered in the name of the transferee of the same principal amount, maturity and rate of interest as the surrendered 2014A Bonds. Any 2014A Bond or 2014A Bonds may be exchanged at the designated office of the Registrar for a 2014A Bond or 2014A Bonds of the same maturity date and aggregate principal amount as the surrendered 2014A Bond or 2014A Bonds. The "Record Date" for the 2014A Bonds will be the close of business of the Registrar on the 15th day of the month preceding an interest payment date. The 2014A Bonds presented to the Registrar for transfer after the close of business on the Record Date and before the close of business on the next subsequent interest payment date will be registered in the name of the transferee but the interest payment will be made to the registered owners shown on the books of the Registrar as of the close of business on the Record Date.

F. The Registrar shall authenticate 2014A Bonds for original issue in up to \$41,000,000 aggregate principal amount upon the written request of the Director of Finance of the County or his designee. The aggregate principal amount of 2014A Bonds outstanding at any time may not exceed that amount except for replacement 2014A Bonds as to which the requirements of the Registrar and the County are met.

Section 11. Depository Trustee; Depository Trust Agreement. U.S. Bank National Association is hereby appointed as the depository trustee (the "Depository Trustee") for the

Bonds to be Refunded. In connection with the refunding of the Bonds to be Refunded, the County will enter into a Depository Trust Agreement (the "Depository Trust Agreement") with the Depository Trustee. The Chairman of the Board is hereby authorized and directed to execute and deliver the Depository Trust Agreement and to do all such acts and things necessary to carry out the terms and intent of the Depository Trust Agreement.

Section 12. Call for Redemption of Bonds To Be Refunded. The County does hereby exercise its right to redeem, and does hereby call for redemption (subject to the delivery of the Bonds) on the first available redemption dates, each maturity of the Bonds to be Refunded, as provided in the Depository Trust Agreement, as executed and delivered.

Section 13. Payment of the 2014A Bonds:

A. The 2014A Bonds and interest thereon shall be payable solely from the revenues received by the County from highway user taxes, including motor vehicle fuel taxes, and all other taxes, fees, charges or other monies returned to the County pursuant to Title 28, Chapter 18, Article 2 and Section 42-6106 (the "Pledged Revenues") on a parity with the 2005 Bonds, the 2007 Bonds, the 2008 Bonds, the 2009 Bonds and the 2012 Bonds and such additional bonds or other obligations ("Additional Parity Bonds" and, collectively with the 2005 Bonds, the 2007 Bonds, the 2008 Bonds, the 2009 Bonds, the 2012 Bonds and the 2014A Bonds, the "Parity Bonds") hereafter issued on a parity therewith. The 2014A Bonds shall not constitute a debt or general obligation of the County within the meaning of any constitutional or statutory debt limitation, nor shall payment of the 2014A Bonds or interest or redemption premiums thereon be enforceable out of any funds other than the revenues pledged to such payment nor shall any owner of any 2014A Bond have the right to compel any exercise of the taxing power of the County to make such payment. The County shall comply with any requirements imposed by law to maintain its eligibility for and right to receive such funds. During each year in which any of the 2014A Bonds or any Parity Bonds remain outstanding and not fully paid or provided for, there shall be set aside in a separate fund designated the "Pima County Street and Highway Revenue Bond Fund" (the "Bond Fund") established in the 1998 Bond Resolution and continued herein, from the Pledged Revenues received during such year, an amount sufficient to pay the interest and principal upon the Parity Bonds next due. The Bond Fund shall be held as a special trust fund, the beneficial interest in which shall be in the holders from time to time of the Parity Bonds then outstanding.

B. On or before the third Monday of each month, commencing with the month following the month in which the 2014A Bonds are issued and delivered, there shall be transferred from the Pledged Revenues received to the Bond Fund moneys in an amount necessary to accumulate in equal monthly amounts the interest due on the next January 1 or July 1, as applicable, and thereafter in each month an amount equal to one-sixth (1/6) of the next ensuing semi-annual interest payment on the Parity Bonds until the amount in the Bond Fund and available to pay interest is sufficient to pay the next ensuing interest payment on the Parity Bonds.

C. On or before the third Monday of each month there shall be transferred from the Pledged Revenues received to the Bond Fund moneys in an amount necessary to accumulate in equal monthly amounts equal to one-twelfth (1/12) of the principal amount

becoming due on the next principal payment date on the Parity Bonds until the amount in the Bond Fund and available to pay principal is sufficient to pay the next ensuing principal payment on the Parity Bonds.

D. Amounts in the Bond Fund shall be used solely for the payment of principal of and interest on the Parity Bonds when due. It shall be the duty of the County to cause to be transferred to the Paying Agent prior to the date or dates on which such principal or interest fall due, such amount as, to the extent of the money in the Bond Fund, will be sufficient to pay all principal and interest falling due on such date or dates, and it shall be the duty of the Paying Agent to assure, to the extent of the money so transferred to the Paying Agent, prompt payment of the principal of and interest on the Parity Bonds.

E. After all payments and transfers shall have been made to the Bond Fund as provided in this Section and any deficiencies in any such transfer or transfers which may exist from any previous year have been remedied, all remaining Pledged Revenues shall constitute available revenues and may be used by the County for any lawful purpose. If at any time the moneys in the Bond Fund are not sufficient to make the transfers required, any such deficiency shall be made up from the first Pledged Revenues thereafter received and available for such transfers under the terms of the Bond Resolution, and the transfer of any such sum or sums to said fund or accounts as may be necessary to make up any such deficiency shall be in addition to the then-current transfers required to be made pursuant to the Bond Resolution.

Section 14. Resolution a Contract. This Resolution shall constitute a contract between the County and the registered owners of the 2014A Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the 2014A Bonds then outstanding.

Section 15. Additional Bonds.

A. The County covenants and agrees with the holders of the 2014A Bonds and any Parity Bonds that, so long as any Parity Bonds remain outstanding and the principal and interest thereon shall be unpaid or unprovided for, it will not further encumber the Pledged Revenues on a basis equal to the pledge for payment of Parity Bonds payable from the Pledged Revenues unless (i) the amount of Pledged Revenues received by the County in the twelve (12) month period immediately preceding the issuance of the proposed Additional Parity Bonds, as shown by a certificate of the chief administrative officer of the County (currently the Director of Finance of the County) or his or her designee, equals not less than two times the maximum annual debt service on all such Parity Bonds then outstanding and the Additional Parity Bonds proposed to be issued; (ii) all payments and deposits with respect to the Parity Bonds then outstanding are current; and (iii) no obligation payable from the Pledged Revenues is in default as to either principal or interest.

B. Subject to the foregoing, and to the other terms and conditions set forth herein, the County shall have the right to issue Additional Parity Bonds. This Resolution does not place any restriction on the County incurring additional payment obligations payable from the Pledged Revenues so long as those payment obligations are subject and subordinated to the County's payment obligations with respect to the 2014A Bonds and other Parity Bonds.

## Section 16. Amendments.

A. The County may, without the consent of or notice to any of the owners of Parity Bonds, amend, supplement or modify the provisions of this Resolution or the Bond Resolution for one or more of the following purposes: (i) to cure any ambiguity or formal defect or omission herein or to correct or supplement any provision herein which may be inconsistent with any other provision herein; (ii) to grant or confer upon the owners of Parity Bonds any additional rights, remedies, powers or authority that may lawfully be granted or conferred upon them; (iii) to secure additional revenues or provide additional security or reserves for payment of the Parity Bonds; (iv) to comply with the requirements of any state or federal securities laws or the Trust Indenture Act of 1939, as from time to time amended, if required by law or regulation lawfully issued thereunder; (v) to permit, if lawful, the issuance of Parity Bonds in book entry form not evidenced by physical certificates, or Parity Bonds in bearer form if, in the opinion of nationally recognized bond counsel received by the County, such action will not cause the interest on any Parity Bonds to become includable in gross income for purposes of federal income taxes; (vi) to preserve the exclusion of the interest on Parity Bonds from gross income for purposes of federal or State income taxes and to preserve the power of the County to continue to issue bonds or other obligations (specifically not limited to the 2014A Bonds authorized hereby) the interest on which is likewise exempt from federal and State income taxes; (vii) to make any other change or amendment hereto which does not materially adversely affect the interests of any owner of any Parity Bond; (viii) to provide for the refunding or advance refunding of any Parity Bonds, including the right to establish and administer an escrow fund and to take related action in connection therewith; (ix) to provide for the issuance of Parity Bonds as permitted by the provisions of this Resolution or the Bond Resolution; and (x) to make provisions and amendments applicable only to Parity Bonds sold or remarketed on the basis of the effectiveness of those provisions or amendments with respect to those Parity Bonds, or applicable only to Parity Bonds the owners of which are given reasonable notice of the proposed provisions or amendments and have the opportunity to tender their Parity Bonds for purchase prior to the effective date of the provisions or amendments.

B. Other than amendments, supplements or modifications referred to in subsection A above and subject to the terms and provisions and limitations contained in this subsection B and not otherwise, the owners of not less than a majority in principal amount of the Parity Bonds then outstanding, shall have the right, from time to time, anything contained herein to the contrary notwithstanding, to consent to and approve the effectiveness of such amendments, supplements and modifications to this Resolution or the Bond Resolution as shall be deemed necessary and desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein; provided, however, that nothing in this subsection B shall permit or be construed as permitting an amendment, supplement or modification which would: (i) extend the stated maturity of or time for paying interest on any Parity Bond or reduce the principal amount of or the redemption premium or rate of interest payable on any Parity Bond without the consent of the owner of such Parity Bond; (ii) prefer or give a priority to any Parity Bond over any other Parity Bond without the consent of the owner of each Parity Bond then outstanding not receiving such preference or priority; (iii) reduce the principal amount of Parity Bonds then outstanding the consent of the owners of which is required to authorize such amendment, supplement or modification without the consent of the owners of all Parity Bonds then outstanding; (iv) reduce the redemption price

of any Parity Bond upon optional redemption or reduce any period of time prior to commencement of any optional redemption period without the consent of the owner of such Parity Bond; or (iv) reduce the tender price payable or extend the time of payment of the purchase price of any Parity Bond upon optional or mandatory tender for purchase.

C. When the County determines that the requisite consents have been obtained for an amendment, supplement or modification requiring consent of the owners of Parity Bonds, the County shall date and file a certificate to that effect in its records and shall notify the registrars and paying agents for all Parity Bonds. Such determination shall be conclusive and no action or proceeding to invalidate the amendment, supplement or modification shall be instituted or maintained unless commenced within 60 days after the filing of such certificate. Upon the filing of such certificate, the amendment, supplement or modification shall become effective without liability or responsibility to any owner of any Parity Bond, whether or not such owner shall have consented thereto. Consent of owners of Parity Bonds may be evidenced by such Parity Bonds being sold or remarketed on the basis of the effectiveness of the proposed amendment, amendment, supplement or modification or modification or in any other manner in accordance with subsection B hereof. If the amendment, supplement or modification will not take effect so long as any particular Parity Bonds remain outstanding, the consent of the owners of such Parity Bonds shall not be required and such Parity Bonds shall not be deemed to be outstanding for the purpose of determining the required consents. It shall not be necessary for the consent of the owners of Parity Bonds to approve the particular form of any proposed amendment, supplement or modification, but it shall be sufficient if consent is given to the substance thereof. Any such consent shall be binding upon the owner of the Parity Bond giving such consent and upon any subsequent owner of such Parity Bond and of any Parity Bond issued in exchange therefor, whether or not such subsequent owner thereof has notice thereon, unless such consent is revoked in writing by the owner of such Parity Bond giving such consent or by a subsequent owner thereof by filing such revocation in writing with the County, prior to the effectiveness of such amendment, supplement or modification. If the owners of the required amount or number of the Parity Bonds outstanding shall have consented to and approved the execution of such amendment, supplement or modification as herein provided, no owner of any Parity Bond shall have any right to object to the execution thereof, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the effectiveness thereof, or to enjoin or restrain the County from taking any action pursuant to the provisions thereof. In making any amendment, supplement or modification permitted by this Section, the County shall be entitled to rely upon an opinion of nationally recognized bond counsel stating that the effectiveness of such amendment, supplement or modification is authorized or permitted hereby. Upon the execution and delivery of any amendment, supplement or modification in accordance with this Section, the provisions hereof shall be modified in accordance therewith and such Amendment, supplement or modification shall form a part hereof for all purposes and every owner of a Parity Bond theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 17. Providing for Payment of Bonds. If payment of all principal of, premium, if any, and interest on all of the Parity Bonds in accordance with their terms and as provided herein is made, or is provided for in accordance with this Section, then the pledge of the Pledged Revenues granted for the Parity Bonds shall cease. The County may at any time surrender to the Registrar for cancellation any Parity Bonds previously authenticated and delivered which the

County may have acquired in any manner whatsoever and such Parity Bonds upon such surrender and cancellation shall be deemed to be paid and retired. Any Parity Bond or portion thereof in authorized denominations may be deemed paid and defeased in accordance with this Section. Any Parity Bond or portion thereof shall be deemed paid and defeased: (i) if there is deposited with a bank or comparable financial institution, in trust, moneys or obligations of the United States Government ("Defeasance Obligations") or both which, with the maturing principal of and interest on such Defeasance Obligations, if any, will be sufficient, as evidenced by a certificate or report of an accountant, to pay the principal of and interest and any premium on such Parity Bond or portion thereof as the same matures, comes due or becomes payable upon prior redemption, and (ii) if such defeased Parity Bond or portion thereof is to be redeemed, notice of such redemption has been given in accordance with provisions thereof or the County has submitted to the registrar instructions expressed to be irrevocable as to the date upon which such Parity Bond or portion thereof is to be redeemed and as to the giving of notice of such redemption. Parity Bonds the payment of which has been provided for in accordance with this Section shall no longer be deemed outstanding hereunder or secured hereby and thereafter such Parity Bonds shall be entitled to payment only from the moneys or Defeasance Obligations deposited to provide for the payment of such Parity Bonds.

#### Section 18. Use of Proceeds.

A. Premium received for the 2014A Bonds shall be deposited in the Bond Fund in an amount specified by the Director of Finance of the County or his designee.

B. If any of the Bonds to be Refunded are to be refunded with proceeds from the sale of the 2014A Bonds, as determined by the Director of Finance of the County, such amount as shall be required by the Depository Trust Agreement shall be deposited with the Depository Trustee and applied for the purposes and in the manner provided in the Depository Trust Agreement, including, but not limited to, the payment of costs of issuance of the 2014A Bonds.

C. The balance of the proceeds from the sale of the 2014A Bonds shall be set aside in a separate special fund and used solely for the purpose approved by the electors of the County at the Bond Election, including, but not limited to, payment of costs of issuance of the 2014A Bonds.

D. Pending any disbursement(s) as set forth in subsection A above, the County Treasurer is directed to invest the proceeds from the sale of the 2014A Bonds in the State Treasurer's Local Government Investment Pool (LGIP); provided, however, that the County, acting through the Director of Finance of the County, may at any time provide other written investment instructions to the County Treasurer and the County Treasurer, to the extent that such investments are lawful, is authorized and directed to invest the monies designated in the written instructions in the investments set forth in the instructions.

#### Section 19. Tax Covenants.

A. The County recognizes that the purchasers and owners of the 2014A Bonds will have accepted them on and paid a price for them reflecting the understanding that

interest thereon is excludable from gross income of the owners thereof for federal income tax purposes under laws in force at the time the 2014A Bonds are delivered. In this connection, the County covenants that it will use, and will restrict the use and investment of, the proceeds of the 2014A Bonds in such manner and to such extent as may be necessary so that (i) the 2014A Bonds will not constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Code, or to be treated other than as bonds to which Section 103(a) of the Code applies, and (ii) the interest on the 2014A Bonds will not be an item of tax preference under Section 57 of the Code. For purposes of this Section 18, the "Code" means, collectively, the Internal Revenue Code of 1986, as amended, the Treasury Regulations (whether temporary or final) promulgated pursuant thereto, and any amendments or successor provisions thereto, any official rulings, announcements, notices, procedures and judicial determinations regarding any of them.

B. The County further covenants that (i) it will take or cause to be taken such actions that may be required of it for the interest on the 2014A Bonds to be and remain excluded from gross income for federal income tax purposes; (ii) it will not take or authorize to be taken any actions that would adversely affect that exclusion; (iii) it, or persons acting for it, will, among other acts of compliance, (a) apply the proceeds of the 2014A Bonds to the governmental purposes of the borrowing; (b) restrict the yield on investment property acquired with the proceeds; (c) make timely and adequate payments of to the federal government as required under the Tax Compliance Certificate of the County, to be dated as of the date of issuance of the 2014A Bonds (the "Tax Compliance Certificate") relating to the 2014A Bonds; (d) maintain books and records and make calculations and reports; and (e) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds all in such manner and to the extent necessary to assure that exclusion of that interest under the Code.

C. The Director of Finance of the County or his designee is authorized to (i) make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the County with respect to the 2014A Bonds as the County is permitted to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the 2014A Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which actions shall be in writing and signed by that officer; (ii) take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the County, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the 2014A Bonds; and (iii) give one or more appropriate certificates, for inclusion in the transcript of proceedings for the 2014A Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the 2014A Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the 2014A Bonds.

D. The County authorizes the creation by the Director of Finance of the County or his designee of a fund that is hereinafter referred to as the "Rebate Fund," and any other such accounts or sub-accounts as necessary or advisable in order to comply with the foregoing covenants and the Tax Compliance Certificate. The County will comply with the rebate requirements set forth in the Tax Compliance Certificate.

E. The Director of Finance of the County or his designee is hereby authorized to execute on behalf of the County the Tax Compliance Certificate. The Tax Compliance Certificate shall constitute a certification, representation and agreement of the County and no investment shall be made of the proceeds neither of the 2014A Bonds herein authorized nor of the money in the accounts established hereunder in violation of the expectations and covenants prescribed by the Tax Compliance Certificate. The Tax Compliance Certificate shall constitute an agreement of the County to follow certain covenants which may require the County to take certain actions (including the payment of certain amounts to the United States Treasury) or which may prohibit certain actions (including the establishment of certain funds) under certain conditions as specified in the Tax Compliance Certificate.

F. The County further recognizes that Section 149(a) of the Code requires the 2014A Bonds to be issued and to remain in fully registered form in order for interest thereon to be excludable from gross income for purpose of federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the County agrees that it will not take any action to permit the 2014A Bonds to be issued in, or converted into, bearer or coupon form if such action would cause interest on the 2014A Bonds to be included in gross income for federal income tax purposes.

Section 20. Continuing Disclosure Undertaking. The County also recognizes that the initial purchaser of the 2014A Bonds may be required to comply with Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule"), in connection with purchasing or selling the 2014A Bonds as an underwriter. In order to assist the initial purchaser in complying with the Rule, the County will enter into a Continuing Disclosure Undertaking with respect to the 2014A Bonds, and a Continuing Disclosure Undertaking in substantially the form on file with the Clerk of the Board of Supervisors is hereby approved. The Director of Finance of the County or his designee is hereby authorized and directed to execute and deliver the Continuing Disclosure Undertaking and to do all such acts and things necessary to carry out the terms and intent of the Continuing Disclosure Undertaking.

Section 21. Official Statement. The Director of Finance of the County or his designee is hereby authorized and directed to prepare or authorize to be prepared, and to complete a Preliminary Official Statement (the "Preliminary Official Statement") in connection with the original issuance of the 2014A Bonds, in substantially the form on file with the Clerk of the Board of Supervisors, and a final Official Statement (the "Official Statement") relating to the original issuance of the 2014A Bonds in substantially the form of the Preliminary Official Statement, with such additions, deletions and modifications consistent with this Resolution as shall be approved by the Director of Finance of the County or his designee. If and to the extent applicable, the Director of Finance of the County or his designee shall certify or otherwise represent that the Preliminary Official Statement, in original or revised form, is a "deemed final"

official statement (except for permitted omissions) of the County as of a particular date and that a completed version is a "final" official statement for purposes of the Rule. The distribution and use of the Preliminary Official Statement and the final Official Statement by the County and the original purchaser of the 2014A Bonds is hereby authorized, ratified, confirmed and approved.

The Chairman or any member of this Board of Supervisors, the County Administrator of the County and the Director of Finance of the County or his designee are each further authorized to use and distribute, or authorize the use and distribution of, any supplements in connection with the original issuance of the 2014A Bonds as may be necessary or appropriate, and to sign and deliver, on behalf of the County, the Official Statement and such certificates in connection with the accuracy of the Preliminary Official Statement and the Official Statement and any amendment thereto as may be necessary or appropriate.

Section 22. Authorization to Purchase Government Obligations. The Depository Trustee is hereby authorized to purchase United States Government Obligations to be purchased and held pursuant to the provisions of the Depository Trust Agreement. The maturing principal of and interest income earned on said United States Government Obligations will be calculated to be sufficient to pay when due all principal of and interest and, where applicable, premium on the Bonds to be Refunded. An opinion of a firm of qualified certified public accountants will be provided as to the arithmetical accuracy of such calculations. The yields on the investments purchased with the proceeds of the Bonds held under the Depository Trust Agreement shall not exceed the yield permitted under the Code and the regulations thereunder, as determined by the County's bond counsel upon a report of such certified public accountants.

Section 23. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this Resolution is for any reason held to be illegal or unenforceable, such decision will not affect the validity of the remaining portions of this Resolution. The Board of Supervisors hereby declares that the County would have adopted this Resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the 2014A Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this Resolution may be held illegal, invalid or unenforceable.

Section 24. Ratification of Actions. All actions of the officers, employees, and agents of the County which conform to the purposes and intent of this Resolution and which further the issuance and sale of the 2014A Bonds as contemplated by this Resolution whether heretofore or hereafter taken shall be and are hereby ratified, confirmed and approved. Any change made in the Notice Inviting Bids for the Purchase of Street and Highway Revenue Bonds that does not conform to the prior order of this Board of Supervisors is hereby ratified. The proper officers and agents of the County are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the County as may be necessary to carry out the terms and intent of this Resolution.

**THE STREET AND HIGHWAY REVENUE BONDS:** The Street and Highway Revenue Bonds will be dated the date of initial delivery thereof, and will bear interest from such date to the maturity or earlier redemption of each of the Street and Highway Revenue Bonds at a rate or rates set forth in the winning bid, payable on July 1, 2014, and semiannually thereafter on July 1 and January 1 of each year during the term of each of the Street and Highway Revenue Bonds. The Street and Highway Revenue Bonds are to mature on July 1 in the years and in the amounts as follows:

| <u>Due July 1</u> | <u>Principal Amount</u> | <u>Due July 1</u> | <u>Principal Amount</u> |
|-------------------|-------------------------|-------------------|-------------------------|
|-------------------|-------------------------|-------------------|-------------------------|

**PURPOSE:** The Street and Highway Revenue Bonds are being issued pursuant to the Constitution and laws of the State of Arizona (the "State" or "Arizona"), including Chapter 2, Article 12 of Title 11 of the Arizona Revised Statutes, and all amendments thereto, and under the provisions of a resolution adopted by the Board of Supervisors on [\_\_\_\_\_, 2013] (the "Resolution"), and are being issued for the purpose of (1) refunding certain outstanding street and highway revenue bonds of the County, (2) providing funds for improvements to County streets and highways and (3) paying costs related to the issuance of the Street and Highway Revenue Bonds.

**OPTIONAL REDEMPTION:** The Street and Highway Revenue Bonds maturing on or before July 1, 20\_\_ are not subject to redemption prior to their respective maturity dates. The Street and Highway Revenue Bonds maturing on or after July 1, 20\_\_ are subject to redemption on any date on or after July 1, 20\_\_ at the election of the County, in whole or in part from maturities selected by the County and within any maturity by lot, by the payment of a redemption price equal to the principal amount of each Street and Highway Revenue Bond called for redemption, plus accrued interest to the date fixed for redemption, without premium.

**NOTICE OF REDEMPTION:** Notice of redemption will be given by mail to the registered owners of the Street and Highway Revenue Bonds at the address shown on the bond register maintained by the bond registrar not less than thirty (30) days nor more than sixty (60) days prior to the specified redemption date.

**BOOK ENTRY ONLY SYSTEM:** The Street and Highway Revenue Bonds will initially be issued to and registered in the name of Cede & Co., as nominee of the Depository Trust Company (“DTC”), an automated clearinghouse for securities transactions, which will act as securities depository for the Street and Highway Revenue Bonds. One fully registered Street and Highway Revenue Bond, in the aggregate principal amount of each maturity, will initially be registered in the name of and held by Cede & Co., as nominee for DTC.

So long as the book entry only system is in effect, beneficial ownership interests in the Street and Highway Revenue Bonds will be available in book entry form only through direct or indirect participants in DTC, in the principal amount of \$5,000 or any integral multiple thereof. Beneficial owners of the Street and Highway Revenue Bonds will not receive certificates representing their interests in the Street and Highway Revenue Bonds and will not be deemed to be registered owners under the Resolution.

So long as the book entry only system is in operation, principal of and interest on the Street and Highway Revenue Bonds will be payable by U.S. Bank National Association, as bond registrar and paying agent, to Cede & Co., as nominee of DTC which organization consequently bears sole responsibility for remitting such principal and interest to the DTC participants for subsequent credit or disbursement to the beneficial owners of the Street and Highway Revenue Bonds.

In the event the County determines not to continue the DTC book entry only system or DTC determines to discontinue providing its services with respect to the Street and Highway Revenue Bonds and the County does not select another qualified securities depository, the County is required to deliver to DTC for redistribution to beneficial owners of the Street and Highway Revenue Bonds one or more bond certificates in such principal amount or amounts, in denominations of \$5,000 and any integral multiple thereof, and registered in such name or names, as DTC shall designate.

**CUSIP NUMBERS:** It is anticipated that CUSIP numbers will be assigned to the Street and Highway Revenue Bonds, but no failure to assign such numbers to any Street and Highway Revenue Bonds, nor any error with respect thereto, shall constitute cause for failure or refusal by the winning bidder to accept and pay for the Street and Highway Revenue Bonds in accordance with the terms of the sale. No CUSIP number shall be deemed to be a part of any Street and Highway Revenue Bond or of the contract evidenced thereby. The CUSIP Service Bureau charge for the assignment of CUSIP numbers shall be paid by the winning bidder of the Street and Highway Revenue Bonds.

**INTEREST RATES AND OFFERING PRICES:** Bids for the purchase of the Street and Highway Revenue Bonds must state the rate or rates of interest to be paid. All Street and Highway Revenue Bonds of the same maturity must bear the same rate of interest. The highest rate bid for any Street and Highway Revenue Bonds shall not exceed five percent (5%) per annum. Interest will be calculated on the basis of a 360-day year of twelve 30-day months. Interest rates must be expressed in multiples of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%). No bid will be considered for less than par on the Street and Highway Revenue Bonds.

Any interest rate bid which would result in an interest payment amount having fractional cents will be deemed a waiver of the right to payment of such fractional cents. No fractional cents will be paid or accumulated for payment on any Street and Highway Revenue Bond.

**ADJUSTMENT OF PRINCIPAL PAYMENTS:** The principal amounts set forth in this Notice reflect certain estimates of the County with respect to the likely interest rates of the winning bid. **Potential bidders will be notified via PARITY by 2:00 p.m. M.S.T., on the day prior to the sale, of any change to the principal payment schedule for the Street and Highway Revenue Bonds to be utilized for the bidding process. The County reserves the right to change the principal payment schedule set forth in this Notice after the determination of the winning bidder, by increasing or decreasing the aggregate principal amount of the Street and Highway Revenue Bonds by not more than ten percent (10%) by adjusting one or more principal payments of the Street and Highway Revenue Bonds in increments of \$5,000.** In such event, the winning bidder may not withdraw its bid or change the interest rates bid or the reoffering prices in its purchaser's certificate as a result of any changes made to the principal payments of the Street and Highway Revenue Bonds in accordance with this Notice; *provided, however*, that the dollar amount of the price bid will be changed as necessary so that the percentage that net compensation to be paid to the winning bidder bears to the principal amount of the Street and Highway Revenue Bonds under the adjusted principal payment structure does not increase or decrease from what it would have been if no adjustment had been made to the principal amounts showing in the maturity schedule bid upon by the winning bidder.

**SECURITY:** Principal of and interest on the Street and Highway Revenue Bonds are payable solely from the net revenues derived from taxes, fees charges and other monies collected by the State of Arizona and returned to the County pursuant to Title 28, Chapter 18, Article 2 of the Arizona Revised Statutes on a parity with the County's outstanding Street and Highway Revenue Bonds, Series 2005, Series 2007, Series 2008, Series 2009 and Series 2012, and obligations hereafter issued on a parity therewith as provided in the Resolution. The Street and Highway Revenue Bonds shall not constitute a debt or obligation of the County within the meaning of any constitutional or statutory debt limitation, nor shall payment of the Street and Highway Revenue Bonds or interest or redemption premiums thereon be enforceable out of any funds other than the revenues pledged to such payment nor shall any Bond Owner have the right to compel any exercise of the taxing power of the County to make such payment.

**BOND INSURANCE:** Each bidder may, in making its bid, assume, as a premise, either that the payment of principal of and interest on the Street and Highway Revenue Bonds will be insured at the bidder's expense, or that the Street and Highway Revenue Bonds will not be insured, and shall indicate on the bid form the premise on which its bid is based. If the accepted bid is based on an assumption that such a policy will be issued, the winning bidder shall cause the policy to be issued at the bidder's expense.

**FORM OF BID:** The prescribed form of bid for the Street and Highway Revenue Bonds will be available on the PARITY system and all bids must be submitted on that form.

**RIGHT OF REJECTION:** The County reserves the right, in its discretion, to reject any and all bids received and to waive any irregularity or informality in the bids, except that the time for receiving bids shall be of the essence.

**AWARD AND DELIVERY:** Unless all bids are rejected, the Street and Highway Revenue Bonds will be awarded to the bidder whose bid results in the lowest true interest cost to the County. The true interest cost will be determined by computing the discount rate which, when used with semiannual compounding to determine the present value of the principal and interest payments as of the dated date of the Street and Highway Revenue Bonds, produces an amount equal to the purchase price. Delivery of the Street and Highway Revenue Bonds will be made to the winning bidder upon payment in immediately available funds in Tucson, Arizona, or, at the winning bidder's request and expense, at any other place mutually agreeable to both the County and the winning bidder.

**NOTICE REGARDING STATE CONTRACTS:** Arizona law requires that every contract to which the State, its political subdivisions or any of the departments or agencies of the State or its political subdivisions, including the County, is a party include notice that such contract is subject to cancellation, within three (3) years after its execution, by the State, or the political subdivision, including the County, department or agency which is a party to such contract if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract on behalf of the State, or the political subdivision, including the County, department, or agency is, at any time while the contract is in effect, an employee of any other party to the contract or an agent or consultant of any other party to the contract with respect to the subject matter of the contract.

**LEGAL OPINION:** The Street and Highway Revenue Bonds are sold with the understanding that the County will furnish the winning bidder with the approving opinion of Squire Sanders (US) LLP. Said attorneys have been retained by the County as Bond Counsel and in such capacity are to render their opinion only upon the legality of the Street and Highway Revenue Bonds under Arizona law and on the exclusion of the interest on the Street and Highway Revenue Bonds from the gross income of the owners of the Street and Highway Revenue Bonds for federal and state of Arizona income tax purposes. Fees of Bond Counsel will be paid from the Street and Highway Revenue Bond proceeds.

**TAX EXEMPT STATUS:** The Internal Revenue Code of 1986, as amended (the "Code") prescribes a number of qualifications and conditions which apply to the Street and Highway Revenue Bonds, including investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of Street and Highway Revenue Bond proceeds and the facilities financed therewith and certain other matters. The County has covenanted to comply with all requirements of the Code that must be satisfied in order for the interest on the Street and Highway Revenue Bonds to be excludable from gross income. Failure to comply with certain of such covenants could cause interest on the Street and Highway Revenue Bonds to become includable in gross income retroactive to the date of issuance of the Street and Highway Revenue Bonds.

Subject to the condition that the County comply with the above-referenced covenants, under present law, in the opinion of Bond Counsel, the Street and Highway Revenue Bonds are

not “private activity bonds” under the Code, and interest on the Street and Highway Revenue Bonds will not be includable in gross income of the owners thereof for federal or Arizona income tax purposes, and will not be treated as an item of tax preference in computing the alternative minimum tax for individuals and corporations; however, interest on the Street and Highway Revenue Bonds earned by certain corporations may be included in the calculation of adjusted gross earnings for purpose of federal corporate alternative minimum tax. In addition, interest on the Street and Highway Revenue Bonds may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations.

Ownership of the Street and Highway Revenue Bonds may result in collateral federal income tax consequences to certain taxpayers. Prospective purchasers of the Street and Highway Revenue Bonds should consult their tax advisors as to applicability of any such collateral consequences. Bond counsel will express no opinion regarding these consequences.

**CERTIFICATE TO BE DELIVERED BY WINNING BIDDER:** Simultaneously with or before delivery of the Street and Highway Revenue Bonds, the winning bidder shall furnish to the County a certificate acceptable to Bond Counsel to the effect that (i) all of the Street and Highway Revenue Bonds have been the subject of an initial bona fide offering to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the prices shown on such certificate, (ii) at the time they agreed to purchase the Street and Highway Revenue Bonds, based upon their assessment of the then prevailing market conditions, they reasonably expected that at least ten percent (10%) of each maturity of the Street and Highway Revenue Bonds would be initially sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of the underwriters or wholesalers) at the prices shown on such certificate, and (iii) the prices shown on such certificate for each of the Street and Highway Revenue Bonds were the fair market value of such Street and Highway Revenue Bonds as of the sale date.

**CERTIFICATES TO BE DELIVERED BY COUNTY:** Representatives of the County will deliver certificates to the effect that (i) no litigation is pending affecting the issuance and sale of the Street and Highway Revenue Bonds and (ii) to their best knowledge, information and belief, the information contained in the Official Statement relating to the Street and Highway Revenue Bonds is true and correct in all material respects. The County will also deliver a tax compliance certificate covering its reasonable expectations concerning use of the proceeds of the Street and Highway Revenue Bonds and related matters.

**PRELIMINARY OFFICIAL STATEMENT DEEMED FINAL; FINAL OFFICIAL STATEMENT:** The County deems the Preliminary Official Statement provided in connection with the sale of the Street and Highway Revenue Bonds to be final as of its date except for the omission of offering prices, selling compensation, delivery dates, terms to be specified in the winning bidder’s bid, ratings, other terms depending on such matters and the identity of the winning bidder.

The winning bidder must provide the County, within twenty-four (24) hours after the award of the Street and Highway Revenue Bonds, with all necessary offering price information, selling compensation information, all other terms of the sale which are depending on such

matters and any underwriter information, all as may be necessary to complete the final Official Statement.

Within seven (7) business days after the award of the Street and Highway Revenue Bonds, the County will provide the winning bidder with up to two hundred (200) copies of the final Official Statement at no cost. Additional copies of the final Official Statement may be obtained from the County at the winning bidder's expense. The final Official Statement will be in substantially the same form as the Preliminary Official Statement with such additions, deletions or revisions as the County deems necessary.

**CONTINUING DISCLOSURE:** The County will enter into a continuing disclosure undertaking with respect to the Street and Highway Revenue Bonds, which undertaking will be described in the Official Statement.

**ADDITIONAL INFORMATION:** Copies of the Preliminary Official Statement relating to the Street and Highway Revenue Bonds will be furnished to any bidder upon request made to RBC Capital Markets, LLC, 2398 East Camelback Road, Suite 700, Phoenix, Arizona 85016, Financial Advisor to the County for the sale of the Street and Highway Revenue Bonds, telephone number (602) 381-5368.
