Pima County BoS,

Agenda Items #19 & 20:

Vote NO until you offer clarification about what is meant specifically by the phrases "energy efficiency," "smart growth," "sustainable neighborhood" and "healthy community." We want real affordable housing with no hidden agendas or strings attached and that Tucson's poor should not be used as part of a centralized planning experiment.

Agenda Item #50:

Vote NO to extend the contract for six more months.

Agenda Item #51:

Vote NO to extend a contract until 12/31/23

Agenda Item #57:

Vote NO on using Runbeck Election Services. Seek open bidding for a new impartial contractor who uses certified election equipment instead. Remember that Pima County taxpayers want paper ballots, with one-day voting.

Agenda Item #73:

Vote NO on any additional federal funding to feed, house, transport, and provide medical assistance to "asylum seekers." Secure the southern border instead.

Agenda Item #82:

The Pima BoS needs to return these federal funds and spend the time and effort actually doing the much-needed infrastructure upgrades and repairs.

Sincerley,
Philip Kortesis PC
