As an Oro Valley resident, I want the GOP to do the right thing and appoint Patti Davidson (a highly qualified applicant) to fill the open position of Pima County Attorney. She is NOT running for the office in November. If you appoint Chris Ackerley, it will look like the GOP is up to no good in trying to give Ackerley the UNEARNED advantage of incumbent for the November election. We have enough corruption within the GOP, and it won't help to add more sneaky activities. I usually vote at least 60% GOP, and if you don't stop with the corrupt and crazy stuff, I won't give you even 10% of my votes in November.

Thank you for your attention to this.

To Whom it May Concern in the appointment of a Pima County Treasurer to replace Beth Ford:

Appointing Chris Ackerley, who is running for the Treasurer position in November gives him, an unelected incumbent, an unfair advantage in November since nearly all incumbents win in local elections.

Do the right thing and appoint the highly-qualified applicant, Patti Davidson, who is not running for the position and has expressed a willingness to serve.

Dear Chairman and Members of the Board of Supervisors:

Re: Letter of Support for Chris Ackerley

It gives us great pleasure to recommend Chris Ackerley for your consideration as the appointed Pima County Treasurer. The Arizona County Treasurers' Association (ACTA) is a bipartisan professional organization comprising all County Treasurers in Arizona. We pride ourselves in setting politics aside and working together to uphold our duties as good stewards and responsible fiduciaries of public dollars. County Treasurers serve as the chief banking officer, chief investment officer, and chief tax collector for the county as well as for all taxing and special districts within the county. Treasury management is an ever-changing field and treasurers have a responsibility to keep up with and incorporate into daily operational practices constant technological advances; new and revised federal and state laws as well as regulatory changes; and case law from as high up as the U.S. Supreme Court. Chris not only has experience in navigating these changes; he has been active in identifying solutions and formulating best practices to adopt them.

Chris has served as Chief Deputy Treasurer for several years, interacting with all County Treasurers across the state on a variety of treasury, policy, legal, and tax issues. He has the professional experience, education, skills, and knowledge to provide a solid foundation on which to sustain the office upon the retirement of Treasurer Beth Ford. His appointment would provide continuity to the office, property owners, county departments, business partners, elected official peers, and other taxing jurisdictions.

Treasurer Beth Ford will be remembered not only for her years of service but her dedication to, knowledge of, and passion for treasury management. We do not envy your position in making an appointment to complete her term of office. As an association, we hope that you will give Chris Ackerley your full consideration for appointment as Pima County Treasurer.

Respectfully,

Marleita Begay (D), Apache County Treasurer
Catherine Traywick (R), Cochise County Treasurer
Sarah Benatar (D), Coconino County Treasurer

Please appoint an interim that is not running for that position in November.

To Whom It May Concern:

I am reaching out to ask you about a matter that will be coming up at your Board of Supervisors meeting on Tuesday, April 16th (agenda item 18). At that meeting the Supervisors will be appointing an interim Pima County Treasurer to replace retiring Treasurer, Republican Beth Ford. By statute the Supervisors must appoint a Republican.

I understand that two eligible applicants are vying for the position, one of whom is Chris Ackerley, who is running for the Treasurer position in November. By appointing him, the Supervisors will be giving Ackerley, an unelected incumbent, an unfair advantage in November because 95% of incumbents win in local elections. Please do the right thing and appoint the highly-qualified applicant who is not running for the position.

Sincerely,

Dear Clerk,

As an Oro Valley resident who lives in Pima County, I oppose the Board of Supervisors appointing Chris Ackerley as interim county treasurer. Please alert the Supervisors of my opposition.

Mr. Ackerley is the unopposed Republican candidate for the position. An appointment would provide Ackerley an unfair advantage as an incumbent. Instead, I recommend GOP candidate Patti Davidson for the temporary position.

Thank you kindly,

Dear Clerk:

As a Pima County resident and taxpayer, I oppose the Board of Supervisors appointing Chris Ackerley as interim county treasurer at tomorrow's meeting. Please alert the Supervisors to a resident's opposition.

Mr. Ackerley is the unopposed Republican candidate for the position. An appointment will provide him with an unfair advantage in the general election as he would be a technical incumbent.

The Board of Supervisors has a qualified GOP candidate in Patti Davidson. She is not running for the position but has requested to be appointed.

Thank you.

To members of the Board,

With many years of service in all aspects of the County Treasurer's Office and no political aspirations, **Patti Anderson is the perfect candidate for the position of Acting Treasurer.**

Her appointment will ensure diligent stewardship of the County's finances and allow the Fall election to proceed without an incumbent on the ballot. Hopefully, voters will be more likely to study the track record and policies of every candidate rather than just automatically voting for "Incumbent."

Chris Ackerly is being considered for interim treasurer. Since he also is a candidate for that office that temporary appointment would give him an unfair advantage in the election. Patti Davidson is also being considered and she is a Republican NOT running for the office. Isn't she a better interim selection that is fair to all the candidates for the position?

I understand you are going to appoint a replacement (who needs to be Republican as was Beth) for Beth Ford as county treasurer. Patti Davidson is a qualified Republican who has the additional qualification of intending not to run for the position this fall. Chris Ackerley has announced his plan to run, so if you appoint him he will have the advantage of incumbency.

Beth was in that job for many years, and it is likely that the next elected treasurer will be likewise. Accordingly, I would prefer to have Patti appointed to provide an even field for this upcoming election. Then may the best man win come fall.

Thanks.
