There are more than enough alcohol selling businesses in this neighborhood. Given alcohol consumption is extremely high among the Hispanic community, no new liquor licenses should be granted.

**PETITION AGAINST THE NEW LIQUOR LICENSE**

**APPLIED FOR AT 2880 W DREXEL RD, Tucson, AZ 85746**

This petition is being written to in PROTEST of the new Liquor application applied for at 2880 W Drexel Rd, Application number 20961.

WE are protesting because we are the parents of students of LITTLE FRIENDS LEARNING CENTER, a licensed preschool with the State of Arizona. The school is located at 2846 W Drexel, approximately 190' feet from the proposed new location. The school is located in the very same center that the application is being applied for. There currently exists a Liquor store that has been in place for years and we feel the exiting Liquor store serves the needs of the immediate area. Adding more alcohol in this area will only bring a negative element that we really don't want here.

WE ARE PROTESTING FOR THE FOLLOWING REASONS, Please check the reason you're protesting.

- 1. We already have a full liquor store in the center and it serves the local needs.
- 2. Additionally there is Liquor being sold on the corner of Valencia and Cardinal, and another on Irvington and Cardinal and on Drexel and Mission, a;; around us.
- 3. We boarder the reservation and know the Tribe has no interest in seeing more alcohol in the immediate area.
- 4. Our Preschool is 190' feet away from the new location, this is too close.
- 5. We feel the new location will only attract more pan handling, vagrancy and OVER all a NEGATIVE ELEMENT and hangout situation right on the corner, WE DON'T WANT NOR NEED ANYMORE ALCOHAL IN THE NEIGHBORHOOD.

Please Print, Sign your name and contact information. There is a hearing scheduled for July 3<sup>rd</sup>, 2018 at 130 W Congress St, 1st floor at 9 am. Call to verify 520-724-8449. We look forward to seeing you there, you don't have to be there to protest but it would help.

It was brought to my attention that there is an open request to open another liquor store in my neighborhood. I feel that it is unacceptable due to the already established locations that are able to make sales already. I also feel it would be unacceptable because it might raise the crime rate. With that I feel the only acceptable thing to do is to deny this request (18-09-9323) (20961)

**PETITION AGAINST THE NEW LIQUOR LICENSE**

**APPLIED FOR AT 2880 W DREXEL RD. TUCSON, AZ. 85746**

This petition is being written to in PROTEST of the new Liquor application applied for at 2880 W Drexel Rd, Application number 20961.

WE are protesting because we are the parents of students of LITTLE FRIENDS LEARNING CENTER, a licensed preschool with the State of Arizona. The school is located at 2846 W Drexel, approximately 190' feet from the proposed new location. The school is located in the very same center that the application is being applied for. There currently exists a Liquor store that has been in place for years and we feel the exiting Liquor store serves the needs of the immediate area. Adding more alcohol in this area will only bring a negative element that we really don't want here.

WE ARE PROTESTING FOR THE FOLLOWING REASONS, Please check the reason you're protesting.

- 1. We already have a full liquor store in the center and it serves the local needs.
- 2. Additionally there is Liquor being sold on the corner of Valencia and Cardinal, and another on Irvington and Cardinal and on Drexel and Mission, a;; around us.
- 3. We boarder the reservation and know the Tribe has no interest in seeing more alcohol in the immediate area.
- 4. Our Preschool is 190' feet away from the new location, this is too close.
- 5. We feel the new location will only attract more pan handling, vagrancy and OVER all a NEGATIVE ELEMENT and hangout situation right on the corner, WE DON'T WANT NOR NEED ANYMORE ALCOHAL IN THE NEIGHBORHOOD.

## Board of Supervisors

To whom it may concern, it has come to my ~~knowledge~~ knowledge, that another store has come.

I wonder, "what for?" when all my needs are met already." I oppose anyone bringing in something we don't need. We are a nice, calm, community. ~~I~~ I fear that this may disrupt our peace. I do not want more than what we need and without an upgrade to the lot, an increase in traffic might not be good for the area.

Thank you,

Miguel Rivera

I am Writing you this letter to strongly protest a new alcoholic license for the above address .We already have too many stores that sell alcohol in this great neighborhood .It would also bring more unnecessary problems to this neighborhood and harm to our families .It is not necessary for there to be more stores that sell alcohol in this great neighborhood.We border the reservation and know the Tribe has no interest in seeing more alcohol in the immediate area

Re: Lic. #20961

Dear Board Members:

I/we am writing to you regarding an application for a liquor license to D & K Market, located at 2880 W. Drexel Rd., Tucson, Arizona 85746. As longtime residents around the Drexel Rd. area, I/we write in opposition of granting a license. This entire area has more than enough stores and markets selling liquor, beer and alcohol. These market-type liquor stores also generally attract others trying to buy and sell cigarettes and liquor to minors.

This location is one and a half blocks from White Elementary School, where many children walk to and from school. The Manzanita Park is located a few blocks to the northeast where many families congregate for sports and family events. We do NOT need another liquor license granted in this area. This corner should be a business that can attract another clientele, as Tania's Restaurant and another small business is located immediately north of this location, sharing the parking area with this location. All around are homes.

I/we urge you to not grant this liquor license at this location.
