JOB ORDER CONTRACT

1. Parties, Background and Purpose.

- 1.1. Parties. This Agreement is entered into between Pima County, a body politic and corporate of the State of Arizona, hereinafter called County, and Aztec Flooring LLC, Continental Flooring Company, Flooring Systems of Arizona, Inc. and Tucson Commercial Carpet, Inc., hereinafter called Contractor in the singular, Contractors in the plural, and collectively referred to as the Parties.
- 1.2. Authority. County has a need to establish an Agreement with up to 4 Job Order Contractors for Flooring Services.
- 1.3. Qualifications Based Solicitation. County conducted a competitive qualifications-based procurement pursuant to A.R.S. §34-604, for Job Order Contractors under RFQu-2500022159. Based on an evaluation of the respondents' representations of their qualifications and necessary due diligence, County selected the 4 highest qualified Contractors as Job Order Contractors. The Job Order Contractors have agreed to be bound by and adhere to the requirements of this Agreement.

2. Basic Terms, Renewals, Extensions and Revisions.

- 2.1. Initial Term. This Contract (Agreement), as approved by the Board of Supervisors, commences on February 17, 2026, and terminates on February 16, 2027, unless sooner terminated or further extended pursuant to the provisions of this Agreement. This Agreement establishes the terms under which the Job Order Contractors will be assigned and perform tasks and projects under this Agreement.

2.2. Extension Options. County, at its sole discretion, may extend up to 4 additional 1-year terms or add funding to this Agreement at any time with the acknowledgment of the Contractors and the Board of Supervisors' or the Procurement Director's approval pursuant to Board of Supervisor Policy D29.4. Contract extensions, renewals, or revisions will occur through the issuance by County to Contractor of a revised Agreement document setting forth the requested changes. Failure by Contractor to object in writing to the proposed revisions, terms, conditions, scope modifications and/or specifications within 10 calendar days of issuance by County will signify acceptance of all such changes by Contractor and the revision will be binding upon the Parties.

2.3. Individual Job Orders. Individual job orders will be implemented by issuing a Purchase Order (PO) to the selected Job Order Contractor to perform the work. Each PO will be an independent contract that will incorporate and be subject to the terms of this Agreement. The terms "PO", "Delivery Order (DO)", "Job Order", and "Contract" are used interchangeably in this Agreement.

2.3.1. Competition Thresholds.

2.3.1.1. For projects less than \$20,000.00, and during emergency situations, County may select a Contractor based on availability, specialty, or such other basis as County may determine in its sole discretion. During emergency situations requiring immediate attention by County (i.e., Flooding or other disaster prevention) County reserves the right to select a Job Order Contractor on a non-competitive basis for the work. In addition, the requirement that a Job Order Contract be in place prior to the initiation of work is waived during such an event. During such an emergency, a Contractor may be contacted and given instructions by a County Project Manager to perform the work immediately without an approved Job Order. It is understood that County will prepare a Job Order as soon as practicable following said instructions.

2.3.1.2. For projects of \$20,000.00 or more, all Contractors will compete on the basis of cost or cost and schedule through a request for quotation. Price may be either a fixed cost or a guaranteed maximum price.

2.3.1.3. All federally funded Job Orders will be competitively bid among all Contractors.

2.3.1.4. No individual Job Order may exceed \$180,000.00, including change orders.

2.3.2. Small Business Enterprise. These services are subject to the Pima County Code, Title 20, and Chapter 20.04, pertaining to participation of subcontractors. The Pima County SBE Program is a race and gender-neutral program established to encourage contracting with all small businesses. Due to limited subcontracting opportunities, No Goal has been set for participation by Small Business Enterprises (SBE). The current list of certified SBE firms can be located on the City of Tucson's Procurement Website, [City of Tucson Business Enterprise Program Certification & Compliance System](#).

2.3.3. Construction Completion Time: Work performed under this Agreement will be as stated in Individual Job Orders issued under this Agreement. County will assess Liquidated damages against Contractor based upon the construction completion time, if so specified in a Job Order.

2.3.4. Subcontractors: Subcontractors will be selected in accordance with Contractor's Subcontractor Selection Plan, incorporated herein by reference.

3. **Scope of Services**. Contractor will provide County all labor, materials and equipment necessary to complete the project as described in Exhibit A – Scope of Services (51 Pages), incorporated into this Agreement. All work will be done per specifications called for in the bid documents as contained in Pima County Solicitation Number RFQu-2500022159, Exhibit B - General Conditions (14 Pages),

Exhibit C - Special Conditions – Multiple Award Job Order Contract (12 Pages), Exhibit D – Supplemental Provisions For Federal-Aid Contracts (3 Pages) and other documents incorporated into this Agreement.

4. Compensation and Payment.

4.1. Compensation. County will pay Contractor as specified.

4.1.1. Invoices. Contractor will provide detailed documentation in support of requested payment. The Contractor must cite the Purchase Order number on all invoices. Payments will be made in accordance with ARS § 34-609.

4.1.1.1. For the period of record retention required under Section 25, County reserves the right to question any payment made under this Section and to require reimbursement by setoff or otherwise for payments determined to be improper or contrary to the Agreement or law.

5. Federal Funding. County and Contractor understand the Job Orders under this Agreement may be funded partially or entirely through a federal grant or other source of federal funding.

5.1. Federal Labor Standards. Federal Labor Standards are applicable for Job Orders identified as being federally funded.

5.2. Additional Requirements. Federal forms will be attached to the Job Order, and Contractor agrees to be bound by all requirements.

5.2.1. Exhibit D – Supplemental Provisions for Federal-Aid Construction Contracts.

5.2.2. Davis Bacon (AZ. Wage Decision). Minimum wage rate, withholding, payroll, apprentice, subcontracting, and termination provisions, and the Work Hour and Safety Standards Act related to overtime pay and safety.

5.3. Subcontracting. Contractor will not subcontract on any federally funded Job Order with any firm or person listed in the Federal Government's System for Award Management (SAM) system with an active exclusion.

6. Insurance. The Insurance Requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract.

6.1. Ratings. Contractor's insurance shall be placed with companies licensed in the State of Arizona and the insureds shall have an "A.M. Best" rating of not less than A- VII. County in no way warrants that the minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

6.2. Insurance Coverages and Limits.

6.2.1. Minimum Scope and Limits of Insurance: Contractor will procure and maintain at its own expense insurance policies (the "Required Insurance") satisfying the below requirements (the "Insurance Requirements") until all of its obligations under this Agreement have been met. The below Insurance Requirements are minimum requirements for this Agreement and in no way limit Contractor's indemnity obligations under this Agreement. County in no way warrants that the required insurance is sufficient to protect the Contractor for liabilities that may arise from or relate to this Agreement. If necessary, Contractor may obtain commercial umbrella or excess insurance to satisfy the Insurance Requirements.

- 6.2.1.1. Commercial General Liability (CGL) – Occurrence Form with limits of \$2,000,000 Each Occurrence and \$2,000,000 General Aggregate. Policy will include bodily injury, property damage, and broad form contractual liability coverage, personal and advertising injury and products – completed operations.
- 6.2.1.2. Business Automobile Liability – Bodily Injury and Property Damage for any owned, hired, and/or non-owned automobiles used in the performance of this Agreement with a Combined Single Limit (CSL) of \$1,000,000 each accident.
- 6.2.1.3. Workers' Compensation and Employers' Liability - Statutory requirements and benefits for Workers' Compensation. In Arizona, WC coverage is compulsory for employers of 1 or more employees. Employer's Liability coverage- \$1,000,000 each accident and each person - disease.
- 6.2.1.4. Builder's Risk Insurance – Insurance applies to this Agreement, but need not be provided unless required for a particular job order. If Builders Risk Insurance applies to a particular job order, then Contractor is required to maintain throughout the course of construction Builder's Risk Insurance in a dollar amount equal to the full insurable value under the job order, which shall include "All Risk" coverage. Pima County shall be named as a "Loss Payee". Contractor is responsible for equipment, materials, and supplies until completion of the project and acceptance by County.
- 6.2.1.5. Claims-Made Coverage. Claim-Made Insurance Coverage - If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date must precede the effective date of this Agreement, and Contractor must maintain such coverage for a period of not less than 3 years following Agreement expiration, termination or cancellation.

6.3. Additional Insurance Requirements:

The policies will include, or be endorsed to include, as required by this written agreement, the following provisions:

- 6.3.1. Additional Insured: The General Liability and Business Automobile Liability Policies shall each be endorsed to include Pima County, its departments, districts, boards, commissions, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by or on behalf of Contractor.
- 6.3.2. Subrogation: The General Liability, Business Automobile Liability and Workers' Compensation Policies shall each contain a waiver of subrogation endorsement in favor of County, its departments, districts, boards, commissions, officers, officials, agents, and employees for losses arising from work performed by or on behalf of Contractor.
- 6.3.3. Primary Insurance: The Contractor's policies shall stipulate that the insurance afforded the Contractor shall be primary and that any insurance carried by County, its agents, officials, or employees shall be excess and not contributory insurance.
- 6.3.4. Insurance provided by Contractor shall not limit Contractor's liability assumed under the indemnification provisions of this Contract.

(Remainder of This Page Intentionally Left Blank)

6.4. Notice of Cancellation:

Each Required Insurance policy must provide, and certificates specify, County will receive not less than 30 days advance written notice of any policy cancellation, except 10-days prior notice is sufficient when the cancellation is for non-payment of a premium. Notice shall include the County project or Agreement number and project description.

6.5. Verification of Coverage:

Contractor will furnish County with certificates of insurance as required by this Contract. An authorized representative of the insurer will sign the certificates.

- 6.5.1. All certificates and endorsements, as required by this Agreement, are to be received and approved by County before work commences. Each insurance policy required by this Agreement must be in effect at, or prior to, commencement of work under this Agreement. Failure to maintain the insurance coverages or policies as required by this Agreement, or to provide evidence of renewal, is a material breach of Agreement.
- 6.5.2. All certificates required by this Agreement shall be sent directly to the appropriate County Department. The Certificate of Insurance shall include County project or contract number and project description on the certificate. County reserves the right to require complete copies of all insurance policies required by this Contract at any time.

6.6. Approval and Modifications:

The Pima County Risk Manager may modify the Insurance Requirements at any point during the Term of this Contract. This can be done administratively, with written notice from the Risk Manager and does not require a formal Contract amendment. Neither the County's failure to obtain a required insurance certificate or endorsement, the County's failure to object to a non-complying insurance certificate or endorsement, nor the County's receipt of any other information from the Contractor, its insurance broker(s) and/or insurer(s), constitutes a waiver of any of the Insurance Requirements.

7. Indemnification.

- 7.1. To the fullest extent permitted by law, Contractor will defend, indemnify, and hold harmless Pima County and any related taxing district, and the officials and employees of each of them (collectively, "Indemnitee") from and against any and all claims, actions, liabilities, losses, and expenses (including reasonable attorney fees) (collectively, "Claims") arising out of actual or alleged injury of any person (including death) or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by any act or omission of Contractor or any of Contractor's directors, officers, agents, employees, volunteers, or subcontractor. This indemnity includes any claim or amount arising or recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Indemnitee will, in all instances, except for Claims arising solely from the acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all Claims. Contractor is responsible for primary loss investigation, defense and judgment costs for any Claim to which this indemnity applies. This indemnity will survive the expiration or termination of this Contract.
- 7.2. All warranty and indemnification obligations under this Agreement shall survive expiration or termination of the Contract, unless expressly provided otherwise. The Parties agree that any indemnification provision inconsistent with A.R.S. § 34-226 is, in all cases, not void, but will be interpreted and applied as if it were consistent with A.R.S. § 34-226.

- 7.3. Upon request, Contractor may fully indemnify and hold harmless any private property owner granting a right of entry to Contractor for the purpose of completing the project.
8. **Bonding Requirements.** Contractor will file payment and performance bonds with County, as required by A.R.S. §§ 34-610 and 34-611, no later than the time of agreement on the price (or Guaranteed Maximum Price) for any construction under this Agreement.
 - 8.1. Bonds will be submitted on an annual basis for the full value of all construction reasonably anticipated during the Agreement year or may be provided on a Job-Order by Job-Order basis; in the latter case, Contractor will anticipate additional Job Orders and provide bonds in reasonable increments.
 - 8.1.1. If bonds are secured on a Job-Order by Job-Order basis, the Contracting Department will obtain the appropriate bonds from Contractor upon issuance of a Job Order and prior to release of the Purchase Order.
 - 8.2. At no time will the cumulative value of the bonds be less than the total value of the construction performed by Contractor under this Agreement, including Job Orders awarded to Contractor but not yet completed.
9. **Laws and Regulations.**
 - 9.1. Compliance with Laws. Contractor will comply with all federal, state, and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this Agreement.
 - 9.2. Choice of Law; Venue. The laws and regulations of the State of Arizona govern the rights and obligations of the parties under this Contract. Any action relating to this Contract must be filed and maintained in Superior Court in Pima County.
 - 9.3. Licensing. Contractor warrants that it is appropriately licensed to provide the services under this Contract licensed.
10. **Status of Independent Contractor.** Contractor is an independent Contractor. Neither Contractor, nor any of Contractor's officers, agents or employees will be considered an employee of Pima County for any purpose or be entitled to receive any employment-related benefits, or assert any protections, under the Pima County Merit System. Contractor is responsible for paying all federal, state and local taxes on the compensation received by Contractor under this Contract and will indemnify and hold County harmless from any and all liability that County may incur because of Contractor's failure to pay such taxes.
11. **Contractor/Subcontractor Performance.**
 - 11.1. Performance. Contractor will perform the work with the degree of care and skill which a licensed contractor in Arizona would exercise under similar conditions. Contractor will employ suitably trained and skilled personnel to perform all required services under this Agreement. Prior to changing any key personnel, especially those key personnel County relied upon in making this Agreement, Contractor will obtain County's approval.
 - 11.2. Responsibility. Contractor is responsible for the professional quality, technical accuracy, timely completion, and the coordination of all its effort and other services furnished by Contractor under this Agreement. Without additional compensation, Contractor will correct or revise any errors, omissions, or other deficiencies in all products of its efforts and other services provided. This includes resolving any deficiencies arising out of the acts or omissions of Contractor found during or after the course of the services performed by or for Contractor under this Agreement,

regardless of County having knowledge of or condoning or accepting the products or the services. Correction of such deficiencies will be at no cost to County.

- 11.3. **Subcontractor License.** Contractor will ensure that all Subcontractors have the appropriate and current license issued by the Arizona Registrar of Contractors for work they perform under this Agreement. Contractor will not permit any Subcontractor to perform work that does not fall within the scope of the Subcontractor's license, except as may be permitted under the rules of the Registrar of Contractors.
- 11.4. **Subcontractor Acts and Omissions.** Contractor will be fully responsible for all acts and omissions of its Subcontractor(s) and of persons directly or indirectly employed by Subcontractor and of persons for whose acts any of them may be liable to the same extent that Contractor is responsible for the acts and omissions of persons directly employed by it. Nothing in this Agreement creates any obligation on the part of County to pay any Subcontractor, except as may be required by law.
- 11.5. **Subcontractor List.** Contractor must use the Subcontractor's named on Contractor's Subcontractor List submitted with the bid. No Subcontractor may be added or changed without the prior written approval of County subsequent to review and approval by the Administering Department Director and Procurement Director. Substitution of non-SBE Subcontractors may be approved at the discretion of County for reasons including but not limited to, availability, insolvency or any other reason deemed to be in the best interest of County. Approval for substitution of SBE Subcontractors that are listed on the Bidders Statement of Proposed SBE Utilization submitted with the bid will only be granted if the provisions of Section 20.28.050 of the Pima County Code have been met.
12. **Assignment.** Contractor will not assign its rights or obligations under this Agreement in whole or in part, without County's prior written approval. County may withhold approval at its sole discretion.
13. **Non-Discrimination.** Contractor will comply with all provisions and requirements of Arizona Executive Order 2009-09, which is hereby incorporated into this contract, including flow-down of all provisions and requirements to any Subcontractors. During the performance of this Agreement, Contractor will not discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability or national origin.
14. **Americans with Disabilities Act.** Contractor will comply with Title II of the Americans with Disabilities Act (Public Law 110-325, 42 U.S.C. §§ 12101-12213) and the federal regulations for Title II (28 CFR Part 35).
15. **Authority to Contract.** Contractor warrants its right and power to enter into this Agreement. If any court or administrative agency determines that County does not have authority to enter into this Agreement, County will not be liable to Contractor or any third party by reason of such determination or by reason of this Agreement.
16. **Non-Waiver.** The failure of County to insist in any 1 or more instances upon full and complete compliance with any of the terms and provisions of this Agreement or to take any action permitted as a result thereof is not a waiver or relinquishment of the right to insist upon full and complete performance of the same or any other covenant or condition either in the past or in the future. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.
17. **Cancellation for Conflict of Interest.** This Agreement is subject to cancellation for conflict of interest pursuant to A.R.S. § 38-511, the pertinent provisions of which are incorporated into this Contract by reference.

18. Termination of Contract for Default.

18.1. Upon a failure by Contractor to cure a default under this Agreement within 10 days of receipt of notice from County of the default, County may, in its sole discretion, terminate this Agreement for default by written notice to Contractor. In this event, County may take over the work and complete it by Contract or otherwise. Contractor and its sureties, if any, will be liable for any damage to County resulting from Contractor's default, including any increased costs incurred by County in completing the work.

18.2. Default Events. The following constitutes an event of default:

- 18.2.1. Abandonment of or refusal or failure to prosecute the work or any separable part thereof with the diligence that will insure completion within the time specified in this Agreement, including any extension, or a failure to complete the work (or the separable part of the work) within the specified time;
- 18.2.2. Persistent or repeated refusal or failure to supply enough properly skilled workers or materials to perform the work on schedule;
- 18.2.3. Failure to provide competent supervision at the site;
- 18.2.4. Failure to take down, rebuild, repair, alter or amend any defective or deficient work, or to remove any defective or deficient material;
- 18.2.5. Failure to make prompt payment to Subcontractors or suppliers for material or labor;
- 18.2.6. Loss of Contractor's business or other required license or authority, or any curtailment or cessation for any reason of business or business operations that would substantially impair or preclude Contractor's performance of this Agreement;
- 18.2.7. Disregard of laws, ordinances, or the instructions of County or its representatives, or any otherwise substantial violation of any provision of the Agreement; or
- 18.2.8. If a voluntary or involuntary action for bankruptcy is commenced with respect to Contractor, or Contractor becomes insolvent, makes a general assignment for the benefit of creditors, or has a receiver or liquidator appointed in respect of its assets.

18.3. Termination. In the event of a termination for default:

- 18.3.1. All finished and unfinished as-builts, shop drawings, documents, data, studies, surveys, drawings, photographs, reports and other information in whatever form, including electronic, acquired or prepared by Contractor for this project become County's property and will be delivered to County not later than 5 business days after the effective date of the termination;
- 18.3.2. County may withhold payments to Contractor arising under this or any other Contract for the purpose of set-off until such time as the exact amount of damage due County from Contractor is determined; and
- 18.3.3. Subject to the immediately preceding subparagraph 18.3.2, County's liability to Contractor will not exceed the reasonable value of work satisfactorily performed prior to the date of termination for which payment has not been previously made.

(Remainder of This Page Intentionally Left Blank)

18.4. Non-Termination. County will not terminate the Agreement nor any Job Order issued under this Agreement for default or charge Contractor with damages under this Section if:

18.4.1. Except for subparagraph 18.2.8 in subsection 18.2 above, the event of default or delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:

- 18.4.1.1. Acts of God or of the public enemy,
- 18.4.1.2. Acts of County in either its sovereign or contractual capacity,
- 18.4.1.3. Acts of another Contractor in the performance of a contract with County,
- 18.4.1.4. Fires,
- 18.4.1.5. Floods,
- 18.4.1.6. Epidemics and pandemics,
- 18.4.1.7. Quarantine restrictions,
- 18.4.1.8. Strikes,
- 18.4.1.9. Freight embargoes,
- 18.4.1.10. Unusually severe weather, or
- 18.4.1.11. Delays of Subcontractors or suppliers at any tier arising from unforeseeable causes beyond the control and without the fault or negligence of both Contractor and the Subcontractor(s) or suppliers; and

18.4.2. Contractor, within 3 days from the beginning of any event of default or delay (unless extended by County), notifies County in writing of the cause(s) therefor. In this circumstance, County will ascertain the facts and the extent of the resulting delay. If, in the judgment of County the findings warrant such action, the time for completing the work may be extended.

18.5. Receipt of Notice. For the purposes of subsection 18.1 above, "receipt of notice" includes receipt by hand by Contractor's onsite project manager, by facsimile transmission, or under the Notices clause of this Agreement.

18.6. Excusable. If, after termination of the Agreement for default, County determines that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if County had terminated the Contract for convenience as set forth in Section 17.

18.7. Rights and Remedies. The rights and remedies of County in this Section are cumulative and in addition to any other rights and remedies provided by law or under this Agreement.

19. **Termination for Convenience of County**. County may terminate this Agreement at any time by giving written notice to Contractor of such termination and specifying the effective date thereof, at least 15 days before the effective date of such termination. In that event, all finished or unfinished documents and other materials will, at the option of County, become its property. If County terminates the Agreement as provided herein, County will pay Contractor an amount based on the time and expenses incurred by Contractor prior to the termination date. However, County will make no payment for anticipated profit on unperformed services.

20. **Non-Appropriation of Funds.** Notwithstanding any other provision in this Agreement, County may terminate this Agreement if for any reason the Pima County Board of Supervisors does not appropriate sufficient monies for the purpose of maintaining this Agreement. In the event of such termination, County has no further obligation to Contractor, other than payment for services rendered prior to termination.
21. **Notices.** Any notice required or permitted to be given under this Agreement must be in writing and be served by delivery or by certified mail upon the other party as follows:

 1. Notify the architect of problems anticipated using the coatings specified.

3.2 PREPARATION

- A. Remove the top layer, patches and other curing compounds that are loose, flaking, cracked or otherwise compromised and that may act as a bond breaker and/or affect the performance of the underlayment.
- B. All subfloors, regardless of material, must be solid, sound, thoroughly cleaned and properly primed.
- C. All subfloors must be adequate strength, clean and free of all oil, grease, dirt, curing compounds, and any substance which might act as a bond breaker. If necessary, mechanically clean using shot-blasting or other method. Acid etching or the use of solvents is not acceptable.
- D. Cutback and other adhesive residues must be thin, solid and well bonded to the subfloor.
- E. All cracks in the subfloor shall be repaired to minimize telegraphing through the underlayment.

F. Subfloors shall be inspected and corrected for moisture and any other conditions which could affect the performance of the underlayment or finished floor covering.

 1. Do not apply coatings over dirt, rust, scale, grease, moisture, scuffed surfaces or conditions detrimental to forming a durable coating film.
 2. Provide finish coats compatible with the primers used.
 3. The number of coats and film thickness required is the same regardless of the application method. If necessary, do not apply succeeding coats until the previous coat has cured as recommended by the manufacturer. Where sanding is required, according to the manufacturer's directions, sand between applications to produce a smooth, even surface.
 4. Observe the basic rules of concrete work. Do not install below 50 degrees Fahrenheit surface temperature. Install quickly if floor is warm and follow hot weather precautions.

5. When undercoats or other conditions show through the final coat, apply additional coats until the cured film has a uniform coating finish, color and appearance. Give special attention to edges, corners, crevices, welds, exposed fasteners, and similar surfaces to ensure that they receive a dry film thickness equivalent to that of flat surfaces.
6. The term "exposed surfaces" includes areas visible when permanent or built-in fixtures, convector covers, covers for finned tube radiation, grilles and similar components are in place. Extend coatings in these areas, as required, to maintain the system integrity and provide desired protection.
 - a. Coat surfaces behind movable equipment and furniture the same as similar exposed surfaces.
 - b. Coat the back sides of access panels, removable or hinged covers and similar hinged items to match exposed surfaces.

1. Use patching compound as a filler for any areas over 1/4" deep. (Surface texture is rougher and not acceptable as a finished texture.) Apply following manufacturer's recommendations.
2. Apply finish coat of self-leveling material over patch and not to exceed 1/4" thickness. Apply as per manufacturer's recommendations.
3. By definition a patch shall not exceed an area 4' x 4' or 16 square feet.

G. Scheduling Coating: Apply first coat to surfaces that have been cleaned, pre-treated, or otherwise prepared for coating and/or patched as soon as practicable after preparation and before subsequent surface deterioration.

1. Allow sufficient drying time between successive coats. Do not recoat until the coating has dried so it feels firm and does not deform or feel sticky under moderate thumb pressure and where applying another coat does not cause the undercoat to lift or lose adhesion.

H. Application Procedures: Apply coatings by brush, roller, spray or other applicators according to the manufacturer's installation instructions.

1. Brushes: Use brushes best suited for the material applied.
2. Rollers: Use rollers of carpet, velvet back, or high-pile sheep's wool as per the manufacturer's installation instructions for the material and texture required.
3. Spray Equipment: Use spray equipment with orifice size as per the manufacturer's installation instructions for the material and texture required.

I. Minimum Coating Thickness: Apply each material no thinner than the manufacturer's recommended spreading rate. Provide total dry film thickness of the entire system as recommended by the manufacturer.

3.4 REPAIR/RESTORATION

- A. Repair defects or replace with new materials; faulty materials or workmanship developed during guarantee period at no expense to the owner.

3.5 CLEANING

- A. Clean-up: At the end of each workday, remove rubbish, empty cans, rags and other discarded materials from the site. All project scraps shall be removed by Flooring Contractor to Contractor's trash container. Use of County trash containers is not permitted.
- B. After completing work, clean glass and spattered surfaces. Remove spattered coatings by washing, scraping or other methods. Do not scratch or damage adjacent finished surfaces.

3.6 PROTECTION

- A. Protect work of other trades, whether being coated or not, against damage from coating operation. Correct damage by cleaning, repairing, replacing and recoating as acceptable to the Architect. Leave in an undamaged condition.
- B. Provide "Wet Floor" signs to protect newly coated finishes. Remove temporary protective wrappings provided by others to protect their work after completing coating operations.
- C. At completion of other trades' construction activities, touch up and restore damaged or defaced coated surfaces.
- D. Protect installed tile work with draft paper or other heavy covering during construction period to prevent staining, damage and wear. Supply material at least 4 feet wide.
 1. Lay paper over newly completed areas in corridors.
 2. Lay paper over partially demolished areas to prevent tracking of and spread of dust and debris.

The existence and locations of underground utilities indicated on the plans are not guaranteed and will be investigated and verified in the field by Contractor before starting work. Excavations in the vicinity of existing structures and utilities will be carefully done by hand. Contractor will be held responsible for any damage to, and for maintenance and protection of existing utilities and structures.

County does not guarantee the existence and locations of underground utilities indicated on the plans and Contractor will investigate and verify the location of underground utilities in the field before starting work. Contractor will carefully perform excavations in the vicinity of existing structures and utilities. Contractor is responsible for any damage to, and for maintenance and protection of, existing utilities and structures. At least 2 full working days prior to commencing excavation, contractor must call blue Stake Center, 1-800-STAKE-IT, between the hours of 7:00 a.m. and 4:30 p.m., Monday through Friday for information relative to the location of buried utilities.

Contractor is fully responsible for costs incurred due to damage to utilities as a result of grading or excavation operations. Utility locations shown on the Plans are approximate, and not all utilities may be shown. The possibility of conflicts with existing utilities –in-place exists. If conflicting utilities interfere with Contractor's normal progress toward completion of this project, County may, at its option, authorize Contractor to relocate said conflicting utilities by Force Account.

It is the responsibility of Contractor to contact the utility companies in order for them to determine if there is a need for any bracing or shoring of power to telephone poles during the construction of this project. If bracing or shoring is necessary, Contractor will affect this work to the satisfaction of the utility company. County will make no measurement or direct payment for bracing or shoring.

ARTICLE 3 – LEGAL RELATIONS AND RESPONSIBILITY TO THE PUBLIC

A. Laws to be Observed -- Contractor is presumed to be familiar with and at all times will observe and comply with all Federal and State laws and local ordinances, worker's compensation, occupational disease, and unemployment compensation laws together with the payment of all premiums and taxes therefor, also all laws, ordinances, and regulations in any manner affecting the conduct of the work and will indemnify and hold harmless County and its representatives against any claim arising from the violations of such laws, bylaws, ordinances or regulations, whether by Contractor or by Contractor's employees.

- B. Permits and Licenses -- County will procure all County building permits, and sewer connection fees. Contractor will post required permits on site and give all notices necessary and incidental to the due and lawful prosecution of the work. Contractor will procure and pay for all other permits, fees, and applications for water, gas, electric and other utilities.
- C. Sanitary Provisions -- Contractor will provide and maintain in a neat and sanitary condition such accommodations for the use of its employees as may be necessary to comply with the requirements and regulations of the Arizona Department of Health Services or other authorities having jurisdiction therein.
- D. Public Convenience and Safety -- Contractor will have due regard for the public health and will conduct the work in such a manner as to provide and insure the safety and convenience of the public.

When special conditions prevail and extraordinary measures are necessary, the details will be set forth in the Technical Specifications or Special Provisions.

- E. Barricades, Danger, Warning, and Detour Signs -- Contractor will at its expense and without further order provide, erect, and maintain at all times during the progress or temporary suspension of the work such barricades, fences, warning lights, danger signals, reflectors, signs, or other protective devices as are required to ensure the safety of the public, those engaged in connection with the work and the work itself.

Unless otherwise expressly stated in the Contract, no measurement or direct payment for this work will be made, but the cost of providing, erecting, and maintaining such protection devices, including guards, watchmen and/or flagmen as required will be considered as included and paid for in the contract prices for the work.

- F. Use of Explosives -- Prohibited

- G. Preservation and Restoration of Property -- Contractor will be responsible for the preservation of all public and private property on the surface or underground, along and adjacent to the work and will conduct its operations so as to insure the prevention of injury or damage thereto. No land monuments or property will be disturbed or moved until an authorized agent has witnessed or otherwise referenced their locations.

When or where any direct or indirect damage or injury is done to public or private property by or on account of any act, omission, neglect, or misconduct in the execution of the work, or in consequence or the non-execution thereof on the part of Contractor, Contractor will restore such property at its own expense to a condition similar or equal to that existing before such damage or injury was done, by repairing, rebuilding, or otherwise restoring same, or it will make good such damage or injury in an acceptable manner.

- H. Contractor's Responsibility for Work -- Until written final acceptance of the work by County, Contractor will have the charge and care thereof and will take every precaution against injury or damage to any part thereof by action of elements, or from any other cause, whether arising from the execution or non-execution of the work. Contractor will rebuild, repair, restore, and make good all injuries or damages of any portion of the work occasioned by any of the above causes before final acceptance and will bear the expense thereof.

In case of the suspension of work for any cause whatever, Contractor will be responsible for all work and materials and will take proper care of the work, storing all materials if necessary, and will provide suitable drainage of the work and erect necessary temporary structures.

- I. Waiver of Legal Rights -- County will not be precluded or be estopped, by any measurement, estimate, or certificate made either before or after the completion and acceptance of the work and payment therefor, from showing the true amount and character of the work performed and materials furnished

by Contractor, or from showing that any such measurement, estimate, or certificate is untrue or incorrectly made, or that the work or materials do not conform in fact to the Contract. Neither the acceptance by County or by any representative of County nor any payment, nor acceptance of the whole or any part of the work, nor any extension of time, nor any possession taken by County will operate as a waiver of any portion of the Contract or of any power herein reserved, or any right to damage herein provided. A waiver of any breach of the Contract is not a waiver of any other subsequent breach.

ARTICLE 4 – ACCIDENTS

Contractor will provide, at the site, such equipment and medical facilities as are necessary to supply first-aid service to anyone who may be injured in connection with the work.

Contractor must promptly report in writing to County all accidents whatsoever arising out of, or in connection with the performance of the work, whether on or adjacent to the site, which caused death, personal injury, or property damage, giving full details and statements of witnesses. In addition, if death or serious injuries or serious damages are caused, Contractor will report the accident immediately by telephone or messenger to both County and the Board.

If any claim is made by anyone against Contractor or any subcontractor on account of any accident, Contractor will promptly report the facts in writing to County, giving full details of the claim.

ARTICLE 5 – PIMA COUNTY BUILDING CODES

The work embraced herein shall be done in accordance with the following Building Codes, Ordinances and Standards, with all amendments, as currently adopted by Pima County, together with any applicable Special Conditions, which are additional to and may supersede portions of these Codes as detailed at <http://webcms.pima.gov/building>. Where codes and/or regulations of other agencies having jurisdiction are more stringent these will take precedence.

ARTICLE 6 – DELAYS

If the number of calendar days in Contractor's schedule plus the grace period specified in the above paragraph equals or exceeds the number of calendar days for completion stated in the solicitation, then the completion period will be as stated in the solicitation and there will be no grace period.

County and Contractor have agreed upon the Project scope, total price, and schedule for the performance of the work. The agreed schedule represents a firm commitment by Contractor and County to complete the work within the schedule identified in this Contract, as it may be adjusted from time to time.

County and Contractor understand that events may occur that delay or disrupt the schedule or require a change in the level of resources or effort. Therefore, the Contract may be adjusted as follows for Delays:

1. A delay in the work attributable to County is an excusable delay for which an adjustment may be made to the schedule. In any such case the schedule of the affected task or activity may be extended 1 day for each day of County-caused delay; provided, however, that if the County-caused delay overlaps a period of delay attributable to any other cause, the extension for County-caused delay is limited to the number of non-overlapped days of County-caused delay.
2. There is no adjustment for any Contractor-caused delay in the work, including time to repair or replace defective work. In the event of a significant Contractor-caused delay exceeding 2 workdays, Contractor will provide a recovery plan to County within 5 days of County's request.
3. A delay in the work attributable to any other cause, including strikes, lockouts, fire, unusual delay in transportation, unavoidable casualties or any causes beyond the control of County or Contractor and that arises without the fault or negligence of either, is an excusable delay for which County and

Contractor agree to negotiate an appropriate schedule adjustment. If the period of delay attributable to any cause under this paragraph overlaps a period of delay attributable to any other cause, the adjustment under this paragraph will be made first and the delay attributed to such other cause will be limited to that occurring outside of the overlap.

4. If any of the causes of delay in Paragraphs 1 or 3 above affects a task or activity on the critical path, then the schedule adjustment may include adjustment to the completion date. If the cause does not affect a task or activity on the critical path, then the adjustment will be made from Float and the completion date shall not be changed.
5. If any of the causes of delay in Paragraphs 1 or 3 above results in material provable additional costs to the affected task or tasks as a result of disruption of the schedule, then the parties will negotiate an equitable adjustment therefor.
6. County and Contractor will negotiate an equitable adjustment of cost for any task or tasks for which there is any significant change in the level of effort arising from additional or changed work requested or directed in writing by County that materially deviates from or adds to the work.

Contractor must submit claims for extension of time in writing to County for review and approval no later than 7 days after the initiation of that delay. In the case of a continuing cause of delay, only 1 claim is necessary.

County will grant approval of time extension for delays only based on the verification of a daily log maintained by the superintendent at the job site. The daily log must segregate and document each individual delay occurrence, and then separately track the job costs attributable to changes in the work noted in Article 21. Contractor's failure to maintain the daily logs in the manner described above will result in County's denial of the claim for time extension.

If Contractor has requested detail drawings and instructions as noted in Article 9, County will not approve a request for delay on account of County's failure to furnish drawings until 2 weeks after demand for such drawings.

ARTICLE 7 – EXECUTION, CORRELATION, AND INTENT OF DOCUMENTS

The Contract documents are complementary, and what is called for by anyone will be as binding as if called for by all, and the most stringent requirement will apply. The intention of the documents is to include all labor and materials, equipment, and transportation necessary for the proper execution of the work. It is not intended, however, that materials or work not covered by or properly inferable from any heading, branch, class, or trade of the specifications will be supplied unless distinctly so noted on the drawings. Materials or work described in words that so applied have a well-known technical or trade meaning will be held to refer to such recognized standards.

ARTICLE 8 – DETAIL DRAWINGS AND INSTRUCTIONS

County will furnish with reasonable promptness, additional instructions, by means of drawings or otherwise, necessary for the proper execution of the work. All such drawings and instructions will be consistent with the Bid documents, true developments thereof, and reasonably inferable therefrom.

ARTICLE 9 – COPIES OF DRAWINGS FURNISHED

County will provide, at no cost to Contractor, 2 complete sets of code approved construction documents in non-reproducible form.

County will provide, at no cost to Contractor, 5 non-reproducible sets of construction documents used during the course of bidding the work (Bid Sets) for execution on the work. It will be Contractor's responsibility to ensure that any modifications called for as a result of the permit process are transferred to the bid sets.

Contractor may purchase additional sets of code-approved sets or bid sets construction documents, at its expense.

ARTICLE 10 – ORDER OF COMPLETION

Contractor will submit at such times as may be requested by County, schedules which will show the order in which Contractor proposes to carry on the work with dates at which Contractor will start the several parts of the work and estimated dates of completion of the several parts.

ARTICLE 11 – CONSTRUCTION DOCUMENTS ON THE JOB SITE

Contractor will keep 1 copy of code approved construction documents on the job site, in good order, available to County and to County's representatives. This set of documents will be kept current as to pending and approved changes in the work.

ARTICLE 12 – OWNERSHIP OF DRAWINGS

All drawings, specifications, and copies thereof furnished by County are the property of County. They are not to be used on other work and with the exception of the signed Contract set, and are to be returned to County on request, at the completion of the work. All models are the property of County.

ARTICLE 13 – CONTRACTOR'S UNDERSTANDING

Contractor has, by careful examination, satisfied itself as to the nature and location of the work, the conformation of the ground, the character of equipment and facilities needed preliminary to and during the prosecution of the work, the general and local conditions, and all other matters which can in any way affect the work under this Contract. No verbal agreement or conversations with any officer, agent or employee of County, either before or after the execution of this Contract, will affect or modify any of the terms or obligations herein contained.

ARTICLE 14 – MATERIALS, APPLIANCES, EMPLOYEES

Unless otherwise agreed, Contractor will provide and pay for all materials, labor, water, tools, equipment, light, power, transportation, and other facilities necessary for the execution and completion of the work.

Unless otherwise agreed, all materials will be new, and both workmanship and materials will be of good quality. Contractor will, if required, furnish satisfactory evidence as to the kind and quality of materials.

Contractor will at all times enforce strict discipline and good order among its employees and will not employ on the work any unfit person or anyone not skilled in the work that Contractor assigns to that person.

ARTICLE 15 – ROYALTIES AND PATENTS

Contractor will pay all royalties and license fees. Contractor will defend all suits or claims for infringement of any patent rights and will hold County harmless from loss on account thereof, except that County will be responsible for all such loss when a particular process or the product of a particular manufacturer or manufacturers is specified, but if Contractor has information that the process or article specified is an infringement of a patent it will be responsible for such loss unless it promptly gives such information to County.

ARTICLE 16 – SURVEYS, PERMITS, AND REGULATIONS

County will furnish all property surveys unless otherwise specified. Contractor will secure and pay for permits and licenses of a temporary nature necessary for the prosecution of the work except as noted in Article 3.b. County will secure and pay for easements for permanent structures or permanent changes in existing facilities unless otherwise agreed.

Contractor will give all notices and comply with all laws, ordinances, rules, and regulations bearing on the conduct of the work as drawn and specified. If Contractor observes that the drawings and specifications are at variance therewith, it will promptly notify County in writing, and any necessary changes will be adjusted as provided in the Contract for changes in the work. If Contractor performs any work knowing it to be contrary to such laws, ordinances, rules, and regulations, and without such notice to County, it will bear all costs arising therefrom.

ARTICLE 17 – PROTECTION OF WORK AND PROPERTY

Contractor will continuously maintain adequate protection of all its work from damage and will protect County's property from injury or loss arising in connection with this Contract. It will make good any such damage, injury, or loss, except such as may be directly due to errors in the bid documents or caused by agents or employees of County. It will adequately protect adjacent property as provided by law and the bid documents. It will provide and maintain all passageways, guard fences, lights, and other facilities for protection required by public authority or local conditions.

If an emergency should occur affecting the safety of life or the work or of adjoining property, Contractor, without special instruction or authorization from County, is hereby permitted to act at his discretion, to prevent such threatened loss or injury, and Contractor will so act, without appeal, if so instructed or authorized. Any compensation claimed by Contractor on account of emergency work will be determined by County.

Contractor is responsible for equipment, materials, and supplies until completion of the project and acceptance by County.

ARTICLE 18 – INSPECTION OF WORK

County representatives will at all times have access to the work wherever it is in preparation or progress and Contractor will provide proper facilities for such access and for inspection.

If the specifications, County's instructions, laws, ordinances, or any public authority, require any work to be specially tested or approved, Contractor will give County timely notice of its readiness for inspection and if the inspection is by an authority other than County, of the date fixed for such inspection. Inspections by County will be promptly made, and where practicable at the source of supply. If any work should be covered up without approval or consent of County, it must, if required by County, be uncovered for examination at Contractor's expense.

Re-examination of questioned work may be ordered by County and if so ordered the work must be uncovered by Contractor. If such work is found to be in accordance with the bid documents, County will pay the cost of re-examination and replacement. If such work is found not to be in accordance with the bid documents, Contractor will pay such cost.

ARTICLE 19 – SUPERINTENDENCE - SUPERVISION

Contractor will keep on its work site during its progress a competent Superintendent and any necessary assistants, all satisfactory to County. The Superintendent will not be changed except with the consent of County, unless the Superintendent proves to be unsatisfactory to Contractor and ceases to be in its employ.

The Superintendent will represent Contractor in its absence and all directions given to it will be as binding as if given to Contractor. Contractor will give efficient supervision to the work using its best skill and attention.

If Contractor, in the course of the work, finds any discrepancy between the construction documents and the physical conditions of the locality, or any errors or omissions in the construction documents or in the layout as given by points and instructions, it will be its duty to immediately inform County, in writing, and County will promptly verify the same. Any work done after such discovery, until authorized, will be done at Contractor's risk.

Neither County nor Contractor, will employ an employee of the other without consent.

ARTICLE 20 – CHANGES IN THE WORK

In giving instructions, County will have authority to make minor changes in the work, not involving extra cost, and not inconsistent with the purposes of the work, but otherwise, except in an emergency endangering life or property, no extra work or change will be made unless in pursuance of a written order by County and no claim for an addition to the Contract sum will be valid unless so ordered.

The value of any such extra work or change will be determined in 1 or more of the following ways:

1. By mutual acceptance of a lump sum, itemized and detailed with sufficient substantiating data, as requested by County, to permit evaluation.
2. By unit prices named in the Contract or subsequently agreed upon.
3. By cost and fixed fee.

If none of the above methods is agreed upon, Contractor, provided it receives an order as above, will proceed with the work. In such case and also under case (c), it will keep and present in such form as County may direct, a correct account of the net cost of labor and materials, together with vouchers. In any case, County will certify to the amount, including allowance for overhead and profit, due to Contractor. Pending final determination of cost, payments on account of changes will be made on County's estimate.

The amount of Contractor's overhead and profit allowed for any change order, whether increase or decrease, will not exceed the following limits for work by Contractor:

Overhead Limit: 10% of direct cost;

Profit Limit: 5% of the sum of direct cost and overhead cost.

For any portion of the work for a change order that is performed by a Subcontractor or a Sub Subcontractor, Contractor's combined overhead and profit limits allowed will not exceed 5% of the actual direct cost of the work.

Contractor's cost for additional work or changes requested by County which result in an approved extension of time to the contract will be limited to the cost of the extra work determined in 1 or more of the 3 ways described previously in this Article, and the actual wage or salary paid for the on-site job superintendent in direct employ of Contractor in performance of the work. This amount will be prorated to the actual amount of extra time approved and will only include the direct amount paid to the superintendent plus actual cost of all overhead items applicable to payroll for that position, such as insurance, taxes, FICA, worker's compensation, and unemployment taxes and benefits.

ARTICLE 21 – CLAIMS FOR EXTRA COST FOR ADDITIONAL WORK

If Contractor claims that any additional instructions by drawings or otherwise involve extra cost under this Contract, it will give County written notice thereof within a reasonable time after the receipt of such instructions, and in any event before proceeding to execute the work, except in an emergency endangering

life or property. The procedure will then be as provided for in Article 20 "Changes in the Work". No such claim will be valid unless so made.

ARTICLE 22 – DEDUCTIONS FOR UNCORRECTED WORK

If County deems it not expedient to correct work injured or done not in accordance with the Contract, an equitable deduction from the Contract price will be made therefor.

Contractor will promptly remove from the premises all materials condemned by County as failing to conform to the Contract, whether incorporated in the work or not, and Contractor will promptly replace and re-execute its own work in accordance with the Contract and without expense to County and will bear the expense of making good all work of other Contractors destroyed or damaged by such removal or replacement. If Contractor does not remove such condemned work and materials within a reasonable time, fixed by written notice, County may remove them and may store the material at the expense of Contractor. If Contractor does not pay the expense of such removal within ten days' time thereafter, County may, upon ten day's written notice, sell such materials at auction or at private sale and will account for the net proceeds thereof, after deducting all the costs and expenses that should have been borne by Contractor.

ARTICLE 23 – SUSPENSION OF WORK

County may at any time suspend the work, or any part thereof by giving 3 days' notice to Contractor in writing. When the reason for such suspension involves safety, health or welfare issues, the 3-day written notice requirement may be waived at the decision of the County Management. Contractor will resume the work within 10 days after the date fixed in the written notice from County to Contractor to do so.

ARTICLE 24 –COUNTY'S RIGHT TO DO WORK

If Contractor neglects to prosecute the work properly or fails to perform any provision of this Contract, County may, after 3 days written notice to the Contractor, without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due Contractor.

ARTICLE 25 –COUNTY'S RIGHT TO TERMINATE CONTRACT

If Contractor persistently or repeatedly refuses or fails, except in cases for which extension of time is provided, to supply enough properly skilled workers or proper materials, or if it fails to make prompt payment to subcontractors for material or labor, or persistently disregards laws, ordinances, or the instructions of County, or otherwise is guilty of a substantial violation of any provision of the contract, then County may, without prejudice to any other right or remedy and after giving Contractor 10 days written notice, terminate the employment of Contractor and take possession of the premises and of all materials, tools, and appliances thereon and finish the work by whatever method County may deem expedient. In such case Contractor will not be entitled to receive any further payment until the work is finished. If the unpaid balance of the Contract price will exceed the expense of finishing the work, including compensation for additional managerial and administrative service, such excess will be paid to Contractor. If such expense exceeds such unpaid balance, Contractor will pay the difference to County. County will certify the expense incurred by County as herein provided, and the damage incurred through the Contractor's default.

ARTICLE 26 – REMOVAL OF EQUIPMENT

In any case of annulment or termination of this Contract before completion from any cause whatever, Contractor, if notified to do so by County, will promptly remove any part or all of its equipment and supplies from the property of County, failing which County will have the right to remove such equipment and supplies at the expense of Contractor.

ARTICLE 27 – USE OF COMPLETED PORTIONS

County has the right to take possession of and use any completed or partially completed portions of the work, notwithstanding the time for completing the entire work or such portions may not have expired, but such taking possession and use is not an acceptance of any work not completed in accordance with the Bid documents. If such prior use increases the cost of or delays the work, Contractor will be entitled to such extra compensation, or extension of time, or both, as County may determine.

ARTICLE 28 – PAYMENTS WITHHELD

County may decline to certify payment or, because of discovered evidence or observations, may nullify the whole or any part of any certificate for payment previously issued, to such extent as may be necessary in its opinion to protect County from loss because of:

1. Defective work not remedied.
2. Third party claims filed or reasonable evidence indicating probable filing of such claims.
3. Failure of Contractor to make payments properly to Subcontractors or for labor, materials, or equipment.
4. Reasonable evidence that the work cannot be completed for the unpaid balance of the Contract sum.
5. Damage to another Contractor.

When the above grounds are removed, payment will be made for amounts withheld because of them.

ARTICLE 29 – WARRANTY

Contractor will provide a written guarantee covering all costs for repair or replacement of defective work for a period of 2 years (or longer if noted elsewhere in the construction documents) from substantial completion. Contractor will complete repair, or respond to County in writing with repair solution, within 72 hours of notification by County. County may make emergency repairs to ensure life safety or to prevent property loss, without invalidating the warranty.

ARTICLE 30 – LIENS

Neither the final payment nor any part of the retained percentage will become due until Contractor delivers to County a complete release of all liens arising out of this Contract, or receipts in full or in lieu thereof, and if required in either case, an affidavit that so far as it has knowledge or information, the release and receipts include all the labor for which a lien could be filed; but Contractor may, if any subcontractor refuses to furnish a release or receipt in full, furnish a bond satisfactory to County, to indemnify County against any lien. If any lien remains unsatisfied after all payments are made, Contractor will pay to County all monies that County may be compelled to pay in discharging such a lien, including all costs and a reasonable attorney's fee.

ARTICLE 31 – RIGHTS OF VARIOUS INTERESTS

Wherever work being done by County's forces or other contractors is contiguous to work covered by this Contract the respective rights of the various interests involved will be established by the County to secure the completion of the various portions of the work in general harmony.

ARTICLE 32 – SEPARATE CONTRACTS

County reserves the right to let other contracts in connection with this work. Contractor will afford other contractors reasonable opportunity for the introduction and storage of their materials and the execution of their work, and will properly connect and coordinate its work with theirs.

If any part of Contractor's work depends upon proper execution or results of the work of any other Contractor, Contractor will inspect and its report will constitute an acceptance of the other contractor's work after the execution of its work.

To ensure the proper execution of its subsequent work, Contractor will measure work already in place and will at once report to County any discrepancy between the executed work and the drawings.

ARTICLE 33 – COUNTY'S STATUS

The County has general review of the work and has the authority to reject all work and materials that do not conform to the Contract.

ARTICLE 34 – CLAIMS AND DISPUTES

All claims, demands, disputes, controversies, and differences that arise between the parties hereto as result of or in connection with this Contract will be referred to County in writing with a request for review and response in accordance with this paragraph, which County will render in writing within a reasonable time.

Contractor will deliver written notice of each such claim, demand, dispute, controversy, or difference to County within 15 days of the occurrence of the event giving rise thereto and written supporting data will be submitted to County within 45 days of such occurrence unless County specifies a different period of time in writing to Contractor. The submission to County with respect to any such claim, demand, dispute, controversy, or difference will be a condition precedent to any exercise by Contractor of such rights or remedies as Contractor may otherwise have under the Bid documents or at law in respect of any such claim, demand, dispute, controversy, or difference.

If either County or Contractor is dissatisfied with any decision of County and both parties agree in writing, then the dispute may be settled by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator(s) will be entered in any court having jurisdiction thereof. All arbitration hearings must be held in Tucson, Arizona.

ARTICLE 35 – CLEANING UP

ARTICLE 38 – RESERVED

ARTICLE 39 – PRODUCT AND MATERIAL DATA SAFETY SHEETS

The contractor shall submit United States Department of Labor product or material data safety sheets on all materials used on the project. Only those forms issued by OSHA and United States Department of Labor will be acceptable.

ARTICLE 40 – HAZARDOUS MATERIALS/ HAZARDOUS WASTES / HAZARDOUS SUBSTANCES ABATEMENT

Should Contractor uncover, or otherwise become aware of the presence of any Hazardous Materials, Hazardous Wastes or Hazardous Substances during the construction of this project, notice will be served immediately to the County Project Manager, and all work surrounding said materials or substances will be ceased until directed to proceed. Construction delays due to Hazardous Materials, Hazardous Wastes or Hazardous Substances abatement may occur.

If this contract does not otherwise require the services of a Hazardous Materials Contractor, abatement of such materials will be provided by County, at its expense and independent of this contract.

If this Contract already employs the services of a Hazardous Materials Contractor, the cost to abate any such additional materials will be added to the contract as Additional Services, in accordance with the provisions of Article 21 "Claims for Cost of Additional Work", and time extensions granted in accordance with the provisions of Article 6 "Delays".

- (b) Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the contract.

The Construction Manager, Architect and/or County shall investigate the site conditions within 24 hours after receiving the notice. If the conditions do materially so differ and cause an increase or decrease in Contractor's cost of, or the time required for, performing any part of the work under this contract, whether or not changed as a result of the conditions, an adjustment shall be made pursuant to Article 21 of the General Conditions, Changes in the Work.

No request by Contractor for an adjustment to the contract under this clause shall be allowed, unless Contractor has given the written notice required; provided, that the time prescribed in this clause for giving written notice may be extended by the County.

END EXHIBIT B - GENERAL CONDITIONS

EXHIBIT C - SPECIAL CONDITIONS – MULTIPLE AWARD JOB ORDER CONTRACT (12 Pages)

ARTICLE 1 – OVERVIEW AND DEFINITIONS

A. Overview of Job Order Contracting Arrangement – This Agreement establishes a Multiple-Award, indefinite quantity, job order contracting Arrangement for such construction services within the scope of this Agreement as County may request from time to time by issuance of an individual Job Order Contract for each Project.

The Contract Price for each Job Order shall not exceed \$180,000.00, including any Change Orders.

There is no limit on the number of Job Orders County may issue to any Contractor during any 12-month term of this Contract or during the entire period this Contract is in effect.

Generally, a Contractor may not refuse to quote any Job Order under this Agreement properly issued by County, unless Contractor can legitimately claim the scope of work is poorly defined, hazardous to health or safety, outside the bounds of the intended use of this Agreement, or the Contractor does not have the capacity to accept the Job Order and begin work in a timely manner.

County shall have the right to perform work of the types included in this Agreement itself or to have other contractors perform such work.

B. Definitions – The following terms will have the following meanings when used in the Agreement. Other terms may be defined elsewhere in the Documents. Terms not defined in the Agreement shall have their ordinary meaning within the usage of the trade. The presence or absence of initial capitals does not indicate a change in meaning.

“Alternatives Analysis” means assessment of alternatives for design, means and methods or other scope considerations that are evaluated using value engineering principles and have the potential to reduce construction costs while still delivering a quality and functional Project that meets County requirements.

“Contract Price” means the price to be paid for the Work (and for Pre-Construction Services, if any) as specified in the Job Order. The Contract Price shall be a fixed, lump sum price, or a Not-to-Exceed Guaranteed Maximum Price, based on the Contractor’s accepted quotation.

“Contract Time” means the time for performance of the Work under a Job Order as specified in the Job Order commencing with the Start Date and ending with Final Completion Date set forth in the Job Order, as modified.

“Critical Path Method (CPM)” is a scheduling technique which identifies the logical sequence of the activities occurring in a construction project, the anticipated time required to complete each activity in the project, and the activities that must be completed on schedule to finish the project within the anticipated time. Typically, activities are arrayed in a network that shows both activities and their dependencies. CPM is also used as a management technique which enables contracting parties to predict when activities may occur so that resources can be effectively used and limitations can be identified.

“Critical Path” means that sequence of dependent activities in a project that will take the longest time to complete. Any delay in the completion of any of these activities may extend the Substantial Completion date.

“Day” means calendar day unless specifically provided otherwise or required by law.

“Design Professional (DP)” means, as to a Job Order, the person, if any, who will perform Design Services relating to the Work under the Job Order and who is designated as the Design Professional in the Job Order.

“Drawings and Specifications” means, as to a Job Order, the drawings and specifications, if any, attached to the Job Order and specifications included in the Job Order Contract Documents. The Drawings and Specifications set forth the requirements for construction of the Project. Where there are no drawings and specifications for the Work prepared by a Design Professional, County will deliver to the Contractor line drawings and/or a written description of the Work and, in each such case, the line drawings and/or the written description shall be deemed the drawings for the Work for that Job Order for all purposes.

“Final Completion Date” means, as to a Job Order, the date by which Contractor shall have completed all Work under a Job Order, including, without limitation, all deficiency, correction and incomplete items (Punch List).

“Job Order” means the Contract for a Project executed by County under this Agreement, as it may be modified by Change Orders, if any, relating to the Project under the Job Order.

“Minor Change” means a change in the Work having no impact on cost or time or the County’s approved design intent, as determined by County.

“Notice to Proceed” means written notice given by County to the Contractor fixing the date on which the Contractor will start to perform the Work under that Job Order. The start date will be the Start Date stated in the Job Order.

“Plans and Specifications” means the plans and specifications upon which the Job Order’s price proposal is based.

“Pre-Construction Services” means the performance under a Job Order requiring such services of alternatives analysis, cost or schedule estimating, value engineering, constructability or other design reviews or consultation in the review of a County or third-party design prepared by a County-provided design professional.

“Project” means each project of County as to which some or all of the work is to be performed under a Job Order.

“Qualifications/Proposals Documents” means the Solicitation for Qualifications issued by County for this Job Order Contract, all Addenda thereto, and all information and documents submitted by Contractor relating thereto including, without limitation, Contractor’s submission of formal sealed qualifications, and also including, without limitation, the subcontractor management plan submitted by the Contractor. It also includes all other qualifications/proposals documents: that is all documents and materials delivered by County to Contractor in connection with Contractor’s submission of qualifications and submission of a proposal for the contract.

“Sales Taxes” - Sales taxes are deemed to include all sales, use, excise, consumer, franchise, and other taxes which are legally enacted when negotiations of a Job Order Contract Price are concluded, whether or not yet effective or merely scheduled to go into effect. Taxes are actual costs and are a not-to-exceed reimbursable amount.

“Schedule of Values (SOV)” A spreadsheet with estimated costs organized by subcontract categories, allowances, bid contingency, general conditions costs, taxes, bonds, insurances, and the Contractor’s construction phase fee. The supporting document for the spreadsheet must be provided in an organized manner that correlates with the schedule of values. The backup information shall consist of the request for bids, bids received, and clarification assumptions used for the particular bid

item listed on the schedule of values, if applicable. The SOV may be output from the Project Schedule if the Project Schedule is cost-loaded.

“Start Date” means, as to a Job Order, the date specified in the Notice to Proceed for that Job Order for Contractor to begin the Work.

“Subcontractor” means a subcontractor of the Contractor for any of the Work included in a Job Order or any subcontractor at any tier of such a subcontractor.

“Substantial Completion” means when the Work, or an agreed upon portion of the Work, is sufficiently complete so that County can occupy and use the Project or a portion thereof for its intended purposes. The conditions of Substantial Completion that apply to a specific Job Order will be listed in the Notice to Proceed Letter for that Job Order.

“Supplier” means a person providing materials, supplies or equipment to be included in the Work to Contractor or any Subcontractor.

“Technical Specifications” means the general provisions and the detailed specifications prescribed by County describing the materials and performance required for each individual Job Order.

“Work” and **“Work (Construction)”** mean all labor, materials, supplies, tools, equipment, transportation, site cleanup, storage and disposal of construction debris, supervision, management, overhead and profit, bonds, insurance, licenses and permits, taxes, intellectual property royalty and license fees, all other activities and items required to perform the Work under a Job Order as described in the Scope of Work in the Job Order. Work does not include Pre-Construction Services in connection with a Job Order.

ARTICLE 2 – JOB ORDER DEVELOPMENT

The steps for development of a Job Order and Quotation will generally be the following:

1. For Projects estimated under \$20,000.00, and during emergency situations County will notify the selected Contractor of a new Project and may or may not schedule a site visit to explain and discuss the project. Design documents, if any, will be provided to the Contractor by the time of the site visit. Once the parties agree on the scope of the project, County will memorialize the agreement in a Job Order and deliver it to Contractor who shall have 5 working days, unless a shorter period is specified in the Job Order, to commence construction. Unless otherwise specified by County, issuance of the Job Order shall constitute Notice to Proceed. In the event of an emergency, the requirement that a Job Order Contract be in place prior to the initiation of work is waived. During such an emergency, a Contractor may be contacted and given instructions by a County Project Manager to perform the work immediately without an approved Job Order. It is understood that the County will prepare a Job Order as soon as practicable following said instructions.
2. For Projects estimated at \$20,000.00 or greater, the County will notify all Job Order Contractors under contract to County. The request shall advise all Contractors of the nature of the Work to be done and include the selection criteria and methodologies County will use to make the "best value" decision. Criteria could include lowest bid, lowest bid meeting schedule, best cost alternative(s), etc. The request letter may also include an estimate of the total dollars the County has budgeted for the Job. Contractor shall be provided an opportunity to ask questions, seek clarification and/or inspect the site, if requested. Alternatively, the County may identify in the request the date and time for a meeting or site visit to explain and discuss the Work and further refine the scope of the project. Design documents, if any, may be provided in advance or at the meeting or site visit.

3. Upon establishment of the scope of the needed Project, each Contractor interested in performing the Job Order shall prepare its proposal for accomplishment of the Project utilizing the Contractor's best estimating practices to develop a fixed, lump sum or not-to-exceed Guaranteed Maximum Contract Price to complete the Work, including any additional Pre-Construction Services (if necessary). See Article 3 for a description of required proposal items. Quotes will be in letter format including an attached table listing major construction components (i.e., Mobilization, grade control structures, soil cement bank protection, excavation, clearing/grubbing, subgrade prep., etc.) with quantities, unit cost, total cost as columns in the table. The time for submittal of proposals for individual Projects shall not exceed 7 working days unless approved by the County.
4. County shall review each Contractor's proposal and may either accept the proposals or negotiate modifications to the proposals until such time the County is satisfied with each of the proposals. Such negotiations shall be limited to value alternatives of costs less than 20% of the original quotation price. Scope modifications or value alternatives that are equal to or greater than 20% shall require County to modify the original request and rebid to the benefit of all interested Contractors under this Contract.
5. The Job Order will then be issued by County to the Job Order Contractor that submitted the best quotation (including schedule and/or value engineering alternatives), as measured by the criteria in the request for quotation. Past performance on earlier Job Orders, including past performance on cost or price control, may be used to determine award of future Job Orders. Quotations must be reasonably prepared, accurately describing the work including the types of materials used, quantities and other cost elements. In the instance the quotation is deemed to be unreasonable or inaccurate, the Project Manager can exercise the option to reject the bid (even if it is the lower bid) or request a revised quotation. An alternative Contractor will be chosen for the work.
6. Upon issuance of each Job Order by County, the Job Order Contract will be binding upon the Contractor and County. A Job Order is considered "issued" when delivered to the Contractor or sent by facsimile copy, in which case the Job Order will be "issued" when sent to Contractor's fax number and County's fax machine prints an acknowledgement of receipt or County.

ARTICLE 3 – JOB ORDER PROPOSAL CONTENT

Although specific Job Orders will vary, the content of Job Order proposals provided by each Contractor under this contract will generally include the following:

1. The description of the Scope of the Work;
2. The duration of the work, including CPM schedule (if required);
3. The Contract Price for Work (Construction), including prices for various proposed alternatives;
4. The Contract Price of Pre-Construction Services by Contractor (if any);
5. The name of the Contractor Representative for the Project;
6. The Drawings and Specifications (if any) used to prepare the quotation;
7. Any assumptions or exclusions that qualify the Contractor's price, including how many days the proposal is valid for;
8. A risk analysis of the project that identifies potential risks to the cost or schedule, or other items which the Owner may need to be informed of that will impact a successful outcome;
9. If any Shop Drawings, Product Data and/or Samples are required for the Job Order, the date for delivery of each required item;

10. A statement of which, if any, of the following are required: Preconstruction Conference, Weekly Progress Meetings, Field Office, Storage Enclosure, Materials and Equipment Handling Facility, Submittals, Shop Drawings, Product Data, Equipment List, Samples, Project Manual, Schedule of Values, Construction Progress Schedule, Narrative Reports, Progress Report, Progress Charts, Progress Photographs, Materials Status Report, Construction Diagram, Construction Status Report, Operation and Maintenance Data, Operating Maintenance Instructions and Parts List, and As-Built Drawings.

Each Job Order will be interpreted to include all items reasonably necessary to complete the Project as described in the Scope of the Work of the Job Order. All Work shall be performed in a professional manner and all materials used shall be new, of the highest quality and of the type best adapted to their purpose, unless otherwise specified.

ARTICLE 4 – JOB ORDER NEGOTIATION

- A. Job Order Pricing – The Contract Price shall include all costs, including overhead, pre-construction, mobilization, indirect costs, etc., incidental to performing the work and completing the job order and with the exception of any changes in the scope of work as directed by the Owner as defined by **Article 6**, no additional payments will be made.
- B. Pre-Construction Services (if any) – If Contractor is providing Pre-Construction Services, the proposal must be supported by documentation to establish that adequate involvement by Contractor in the planning, engineering and design work will be performed to satisfy the requirements of the project. Required services may include (but are not limited to) constructability reviews, materials recommendations, alternatives analysis, development of cost and schedule estimates and tradeoffs, and similar services.

ARTICLE 5 – JOB ORDER MANAGEMENT

- A. Planning, Scheduling, Monitoring – Planning, scheduling and progress monitoring are essential functions of Contractor. If required by the Job Order, after the issuance of the Job Order Contractor shall prepare and submit to County a Schedule of Values allocating the Contract Price among the various portions of the Work for purposes of progress payments. The format of the Schedule of Values shall be as specified by County. In addition, if required by the Job Order, Contractor shall submit a CPM-based Construction Schedule that shall be maintained and updated for the duration of the project.

1. Project Management

Contractor shall employ and supply a sufficient force of workers, material and equipment, and shall prosecute the Work under each Job Order with such diligence as to maintain a steady rate of progress or, if there is a Construction Progress Schedule, the rate of progress indicated on the Construction Progress Schedule, to prevent work stoppage, and to ensure completion of the Project under each Job Order within the Contract Time.

2. Daily Log

Contractor shall maintain a Daily Log of construction activities using a form approved by County. Contractor shall include in the log all significant issues or problems affecting progress and completion of any Job Order.

If required in a Job Order, Contractor shall provide copies of the entries in the Daily Log to County no later than the morning of the next business day. The Daily Log does not constitute written notice to the County when such notice is required by the Contract.

3. Progress Schedule and Float

If Contractor submits an original or updated schedule which shows the Work under a Job Order and/or individual milestone(s) completing earlier than required by the adjusted Final Completion Date in the Job Order, the differences between the forecasted early completion and the required Final Completion Date shall be considered Project-owned float available for use by both County and Contractor.

B. Reporting

1. Monthly Reporting

If required by the Job Order, on the last business day of each calendar month, Contractor will deliver to the County a Monthly Narrative Report. The Report shall include a description of all current, issued, and in process Job Orders, the status of each and anticipated problem areas, delaying factors and their impact, and an explanation of corrective action(s) taken or proposed.

The Report shall include for each job order the Start Date, the Final Completion Date, and, for Job Orders with more than 60 days between such dates, either (A) the current Progress Schedule for the Project, or (B) the date by which Contractor is to submit a proposed Progress Schedule for approval by County.

If the Project under any Job Order is behind schedule in any month, Contractor's Narrative Report shall indicate precisely what measures it will take in the next thirty days to put the Work back on schedule.

If requested by County, Contractor shall meet with County to review the monthly Update Report and to discuss any issues.

2. Contractor Responsibility

To the extent required in the Job Order for the Project, Contractor shall be responsible to prepare, submit and maintain the daily log, CPM schedules and Narrative Reports indicated above; failure to do so may be considered a material breach of this Contract. Any additional or unanticipated cost or expense required to maintain logs, schedules reports shall be solely Contractor's responsibility and shall not be charged to County.

ARTICLE 6 – CHANGES AND CHANGED CONDITIONS

A. Owner Directed Changes in the Scope of Work – By written directive at any time, County may make any changes within the general scope of the Work under a Job Order or issue additional instructions, require additional or modified Work or direct deletion of Work. Contractor shall not proceed with any change involving an increase or decrease in cost or time without prior written authorization from the County in the form of a completed and executed Change Order. If Contractor proceeds with any change involving an increase or decrease in cost or time without written authorization as required by this article, Contractor waives all rights or claims Contractor may have as a result of the change. The County's right to make changes shall not invalidate the Agreement or Job Order Contract Documents or relieve Contractor of any liability. Any requirement of notice of change to the Surety shall be the responsibility of Contractor.

ARTICLE 7 – DELAYS AND TIME EXTENSIONS

A. Demonstration of Delay – It is agreed that no time extensions shall be granted nor delay damages paid by County unless the delay can be clearly demonstrated by Contractor on the basis of the updated Critical Path Schedule, cannot be mitigated, offset, or eliminated through such actions as revising the intended sequence of the Work or other reasonable means.

- B. Application of Float – Since float time within the schedule is jointly owned, no time extensions will be granted nor delay damages paid until a delay occurs which extends the work beyond the adjusted Final Completion Date. Since float time within the construction schedule is jointly owned, it is acknowledged that County-caused delays on the Project may be offset by County-caused time savings (i.e., critical path submittals returned in less time than allowed by the Contract, approval of substitution requests which result in a savings of time to the Contractor, etc.).
- C. In such an event, Contractor shall not be entitled to receive a time extension or delay damages until all County-caused time savings are exceeded and the Final Completion Date or milestone date is also exceeded.

ARTICLE 8 – PERFORMANCE MEASUREMENT

- A. Performance Assessment – Promptly after final completion of the Work under each Job Order, County will complete a written evaluation of Contractor's performance of the Work. The evaluation shall consist of completion by County of the Performance Quality Evaluation Form attached as **Attachment 1** to these **SPECIAL CONDITIONS**.
- B. Feedback – The completed Performance Evaluation will be shared with Contractor as a means of providing feedback regarding Contractor's cost, schedule and quality performance. Contractor may submit additional information, comment, recommendations or rebuttal for association with the Performance Evaluation.
- C. Comparative Assessment – Contractor's cost, schedule and quality performance of Job Orders under this Contract will be compared periodically to the performance of other like-situated Contractors. The results of these comparisons will be provided to Contractor.

Contractor understands that these assessments will necessarily involve significant subjectivity. Contractor agrees to this process and agrees further that the application of subjectivity in these assessments shall not form the basis for any claim or cause of action of any form whatsoever.

- D. Consideration of Renewal – Contractor's record of cost, schedule and quality performance and comparative assessments shall be significant considerations in the County's determination whether to renew Contractor's participation in the Agreement. Contractor agrees that any determination by County not to renew its participation based on performance will be at the sole discretion of County.

ARTICLE 9 – SUBCONTRACTORS

- A. Subcontractor Selection – Contractor will select Subcontractors in accordance with the Subcontractor Selection Plan incorporated into this Contract by reference.
- B. Subcontracts
 - 1. Contractor agrees to deliver to each Subcontractor and to cause each Subcontractor to deliver to each sub-subcontractor a copy of this Agreement and the Job Order Contract Documents relating to the Work of the Subcontractor or sub-subcontractor. Contractor agrees to include in its contract with each Subcontractor all provisions of the Agreement and Job Order documents required to be included in those contracts and to cause its Subcontractors to include the same provisions in their contracts with their sub-subcontractors at all tiers.
 - 2. Each Subcontract, or other Agreement, with any subcontractor for any job order shall include the address or location of the work.
- C. Assignment Upon Termination – Contractor hereby assigns to County (and its assigns) all its interest in any subcontracts and purchase orders now existing or hereinafter entered into by Contractor for performance of any part of the Work under each Job Order, which assignment will be effective upon

termination of the Contract by the County and only as to those subcontracts and purchase orders which the County assumes in writing. All subcontracts and purchase orders shall provide that they are freely assignable by Contractor to the County and its assigns. Such assignment is part of the consideration to County for entering into the Contract with Contractor and may not be withdrawn prior to final completion of the Work under each Job Order.

ARTICLE 10 – TERMINATION FOR CAUSE

Anything in the Contract Documents to the contrary notwithstanding, any termination of this Agreement shall automatically terminate all Job Orders as to which the Work is not complete, except that upon any termination of this Contract, County may elect by written notification to Contractor to continue in effect any or all then uncompleted Job Orders in which event this Agreement shall continue in effect as to each continued Job Order and shall terminate upon completion of the last such Job Order.

Anything in the Agreement to the contrary notwithstanding, (i) all indemnification provisions, reimbursement provisions and payment provisions shall survive termination of this Agreement under this Article and shall continue in effect indefinitely without termination, and (ii) all guarantee and warranty provisions and all provisions in the Agreement Documents requiring Contractor to correct any Work not in accordance with the relevant Job Order Documents shall not terminate upon termination of this Agreement and shall continue in effect thereafter in accordance with the terms of each such provision.

A. **Cause for Termination** – In addition to the termination rights of the County in **ARTICLE 18 – TERMINATION OF CONTRACT FOR DEFAULT** of the Agreement between County and Contractor, the County may terminate any or all Job Orders and/or the overall Job Order Agreement at the election of County, upon the occurrence of any 1 or more of the following events:

1. If Contractor refuses or fails to prosecute the Work under any Job Order with such diligence as will ensure its completion within the Contract Time for that Job Order; or if the Contractor fails to complete the Work under any Job Order within the Contract Time for that Job Order;
2. If Contractor or any of its key Subcontractors under any Job Order is adjudged a bankrupt or insolvent or makes a general assignment for the benefit of creditors, or if Contractor or any of its key Subcontractors under any Job Order or a third party files a petition to take advantage of any debtor's act or to reorganize under the bankruptcy or similar laws concerning Contractor or any of its key Subcontractors under any Job Order, or if a trustee or receiver is appointed for Contractor or any of its key Subcontractors under any Job Order or for any of Contractor's property on account of Contractor or a key Subcontractor under any Job Order, and, in each case, Contractor or its successor in interest or its respective key Subcontractor under any Job Order does not provide reasonably adequate assurance of future performance in accordance with the Contract Documents within 10 days after receipt of a request for assurance from the County;
3. If Contractor persistently fails to supply sufficient skilled workmen or suitable materials or equipment for the Work under any Job Order;
4. If, as to any Job Order, Contractor fails to make prompt payments to Subcontractors or Suppliers at any tier, or for labor, materials or equipment;
5. If Contractor fails to comply with laws, ordinances, rules, codes, regulations, orders or similar requirements of any public entity having jurisdiction;
6. If, as to any Job Order, Contractor fails to follow any reasonable instructions by the County, which are consistent with the Construction Documents;
7. If, as to any Job Order, Contractor performs Work which deviates from the Job Order Documents and neglects or refuses to correct rejected Work; or

8. If, as to any Job Order, Contractor otherwise violates in any material way any provisions or requirements of this Agreement or any Job Order Contract Documents.
- B. **Notice and Cure Period** – If County determines that 1 or more events of default described in **Article 10(A)** has occurred, the County may elect to terminate any or all Job Orders and/or terminate Contractor's participation in the overall Agreement. To do this, the County must first give Contractor and its Surety written notice of the events of default ("Notice of Default") and allow Contractor and its Surety 10 calendar days to cure the events of default. If the events of default are not cured within the 10 calendar days, County may terminate any or all Job Orders and/or terminate Contractor's participation in the overall Agreement by written notice to Contractor and its Surety.

C. Completion of Terminated Work

1. If any Job Order or participation in the Agreement is terminated, County may take over the Work under terminated Job Orders and prosecute them to completion, by contract or otherwise, and may exclude Contractor from the sites. The County may take possession of the Work under the terminated Job Orders and of all of Contractor's tools, appliances, construction equipment, machinery, supplies and plant which may be on the site of the Work for each terminated Job Order, and use the same to the full extent they could be used by Contractor, all without liability to Contractor.

In exercising the County's right to prosecute the completion of the Work, the County may also take possession of all materials and equipment stored at the site or for which the County has paid Contractor but which are stored elsewhere. The County may use the foregoing items to finish the Work as the County deems expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Work is finished.

2. If any Job Order is terminated, the County may demand that Contractor's surety take over and complete the Work under the Job Order. The County may require that in so doing, the Contractor's surety not utilize Contractor in performing the Work. Upon the failure or refusal of Contractor's surety to take over and begin completion of the Work within 20 days after the demand, the County may take over the Work and prosecute it to completion as provided above.
3. As to any terminated Job Order, County shall have the option of requiring any, all or none of the Subcontractors and Sub-subcontractors to perform according to their subcontracts and may assign any or all of the subcontracts to a general contractor selected to complete the Work.
4. If County takes over the Work under any terminated Job Order, unexecuted orders entered into by Contractor for performance of any part of the Work will be effective upon acceptance by County in writing and only as to those subcontracts and purchase orders which the County designates in writing.

D. Payment for Terminated Work

1. If, as to any terminated Job Order, the unpaid balance of the Contract Price exceeds the direct and indirect costs and expenses of completing the Work and all County damages including, without limitation, liquidated damages and compensation for additional professional and Contractor services ("County's Termination Costs"), such excess shall be used to pay Contractor for the Work it performed and for which Contractor has not been paid previously and the amount shall be determined using the Tasks, Unit Prices, Coefficients, and Other Tasks and Other Prices included in the Job Order. If, as to any terminated Job Order, the County's Termination Costs exceed the unpaid balance of the Contract Price, Contractor shall immediately upon demand pay the difference to the County or the County may set off the amount against any other amounts owing to Contractor for any cause whatsoever, whether current or future.

2. In exercising the County's right to prosecute the completion of the Work under any terminated Job Order, the County shall have the right to exercise its sole discretion as to the manner, methods, and reasonableness of the costs to be incurred in completing the Work, and the County shall not be required to obtain the lowest figure for Work performed in completing the Project. If the County holds a competitive procurement for remedial Work or completion of the Work under a terminated Job Order, Contractor shall not be eligible for the award of such contracts.
3. Contractor shall be liable for any damage to the County resulting from the termination or from Contractor's refusal or failure to complete the Work under any terminated Job Order and for all costs necessary for repair and completion of the Project under each terminated Job Order over and beyond the Contract Price. Contractor shall be liable for all legal fees and costs required to enforce the provisions of the Agreement and/or Job Order Documents.

E. Nonexclusive Remedies – In the event any Job Order or Contractor's participation in the Agreement is terminated, the termination shall not affect any other rights of the County against Contractor. The rights and remedies of County under this **Article 10** are in addition to any other rights and remedies provided by law or under the Agreement or Job Order Contract Documents. Any retention or payment of monies to Contractor by County will not release Contractor from liability.

F. Erroneous Termination for Cause – If any Job Order or participation in the overall Agreement is terminated under this **Article 10**, and it is determined for any reason that there was no default under **Article 10**, the termination shall be deemed a Termination for Convenience of the County.

ARTICLE 11 – TERMINATION FOR CONVENIENCE OF THE County

The County, by written notice to Contractor, may terminate any Job Order or the overall Agreement in whole or in part if sufficient appropriated or other funds are not available or the County determines, in the sole discretion of the County, that such termination is in the County's best interest. In such case, Contractor shall be paid for all Work under each Job Order for which Contractor has not been paid previously. Contractor shall also be paid reasonable termination expenses. In no event shall such payments as to any Job Order, exclusive of termination expenses, exceed the total Contract Price for the Job Order as reduced by payments previously made to Contractor and as further reduced by the value of the Work as yet not completed. Since profit and overhead are built into the Contract Price for each Job Order, Contractor shall not be entitled any additional profit or overhead on Work performed and in addition, Contractor shall not be entitled to any profit or overhead on Work not performed.

These provisions apply only to work subject to Federal-Aid. A copy of this Exhibit D and a current Wage Determination shall be attached to the Job Order for any federally funded project. Current wage determinations may be found at <https://sam.gov/wage-determinations>.

ARTICLE 1 – DAVIS BACON ACT WAGE DETERMINATION

Contractor shall pay wages in accordance with the most current Davis Bacon rates in effect in Pima County, Arizona at the time the Job Order is negotiated. Contractor shall provide to County at the time of Job Order negotiation, an adjustment to each of the unit prices for the line items that require payment Davis-Bacon wages. Contractor shall include a copy of the most recent Davis-Bacon Wage Determination in their proposal for incorporation into the Job Order's terms and conditions. The most current Davis-Bacon Act Wage Determinations may be found online at <https://sam.gov/wage-determinations>.

ARTICLE 2 – SUBCONTRACTORS

In addition to the requirements set forth in Article 10 of the Job Order Contract, Contractor shall ensure that no subcontracts are awarded at any tier, to any individual, firm, partnership, joint venture, or any other entity regardless of the form of business organization, listed in the Federal Government's System for Award Management (SAM) system (<https://www.sam.gov/portal/public/SAM>) with an active exclusion.

ARTICLE 3 – INDEMNIFICATION

To the fullest extent permitted by law, Contractor will indemnify and hold harmless County, its officers, employees and agents from and against any and all suits, actions, legal administrative proceedings, claims or demands and costs attendant thereto, including reasonable attorney's fees and court costs, to the extent caused by any negligent, reckless or intentionally wrongful act or omission of Contractor, its agents, employees or anyone acting under its direction or control or on its behalf in connection with performance of this Contract. The obligations under this Article shall not extend to the negligence of County, its officers, employees, agents or indemnitees.

All warranty and indemnification obligations under this contract shall survive expiration or termination of the contract, unless expressly provided otherwise. The Parties agree that any indemnification provision inconsistent with State statute will be interpreted and applied as if it were consistent with State statute.

Upon request, Contractor may fully indemnify and hold harmless any private property owner granting a right of entry to Contractor for the purpose of completing the project. The obligations under this Article do not extend to the negligence of County, their agents, employees or indemnitees.

ARTICLE 4 – OWNERSHIP OF DOCUMENTS

In addition to the requirements set forth in Article 24 of the Job Order Contract, The Granting Agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes: (a) the copyright in any work developed under this Agreement or any subcontract; and (b) Any rights of copyright to which Contractor or County acquires ownership under this Agreement.

ARTICLE 5 – BOOKS AND RECORDS

In addition to the requirements set forth in Article 25 of the Job Order Contract, Contractor shall also keep and maintain proper and complete books, records and accounts, which shall be open at all reasonable times for inspection and audit by the Granting Agency and the Comptroller General of the United States.

ARTICLE 6 – CHANGED CONDITIONS

(1) Differing site conditions.

- (i) During the progress of the work, if subsurface or latent physical conditions are encountered at the site differing materially from those indicated in the contract or if unknown physical conditions of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the work provided for in the contract, are encountered at the site, the party discovering such conditions shall promptly notify the other party in writing of the specific differing conditions before the site is disturbed and before the affected work is performed.
- (ii) Upon written notification, County will investigate the conditions, and if it is determined that the conditions materially differ and cause an increase or decrease in the cost or time required for the performance of any work under the Contract, an adjustment, excluding anticipated profits, will be made and the contract modified in writing accordingly. County will notify Contractor of the determination whether or not an adjustment of the contract is warranted.
- (iii) No contract adjustment which results in a benefit to Contractor will be allowed unless Contractor has provided the required written notice.
- (iv) No contract adjustment will be allowed under this clause for any effects caused on unchanged work.

(2) Suspensions of work ordered by County.

- (i) If the performance of all or any portion of the work is suspended or delayed by County in writing for an unreasonable period of time (not originally anticipated, customary, or inherent to the construction industry) and Contractor believes that additional compensation and/or contract time is due as a result of such suspension or delay, Contractor shall submit to County in writing a request for adjustment within 7 calendar days of receipt of the notice to resume work. The request shall set forth the reasons and support for such adjustment.
- (ii) Upon receipt, County will evaluate Contractor's request. If County agrees that the cost and/or time required for the performance of the Contract has increased as a result of such suspension and the suspension was caused by conditions beyond the control of and not the fault of Contractor, its suppliers, or subcontractors at any approved tier, and not caused by weather, County will make an adjustment (excluding profit) and modify the contract in writing accordingly. Contractor will be notified of County's determination whether or not an adjustment of the Contract is warranted.
- (iii) No contract adjustment will be allowed unless Contractor has submitted the request for adjustment within the time prescribed.
- (iv) No contract adjustment will be allowed under this clause to the extent that performance would have been suspended or delayed by any other cause, or for which an adjustment is provided or excluded under any other term or condition of this Contract.

(3) Significant changes in the character of work.

- (i) County reserves the right to make, in writing, at any time during the work, such changes in quantities and such alterations in the work as are necessary to satisfactorily complete the project. Such changes in quantities and alterations shall not invalidate the Contract nor release the surety, and Contractor agrees to perform the work as altered.

- (ii) If the alterations or changes in quantities significantly change the character of the work under the Contract, whether such alterations or changes are in themselves significant changes to the character of the work or by affecting other work cause such other work to become significantly different in character, an adjustment, excluding anticipated profit, will be made to the Contract. The basis for the adjustment shall be agreed upon prior to the performance of the work. If a basis cannot be agreed upon, then an adjustment will be made either for or against Contractor in such amount as County may determine to be fair and equitable.
- (iii) If the alterations or changes in quantities do not significantly change the character of the work to be performed under the Contract, the altered work will be paid for as provided elsewhere in the Contract.
- (iv) The term "significant change" shall be construed to apply only to the following circumstances:
 - (A) When the character of the work as altered differs materially in kind or nature from that involved or included in the original proposed construction; or
 - (B) When a major item of work, as defined elsewhere in the Contract, is increased in excess of 125 percent or decreased below 75 percent of the original Contract quantity. Any allowance for an increase in quantity shall apply only to that portion in excess of 125 percent of original Contract item quantity, or in case of a decrease below 75 percent, to the actual amount of work performed.

EMPLOYEE BENEFIT LIABILITY COVERAGE

(1) Insuring Agreement

(a) We will pay those sums that the insured becomes legally obligated to pay as damages caused by any act, error or omission of the insured, or of any other person for whose acts the insured is legally liable, to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend against any "suit" seeking damages to which this insurance does not apply. We may, at our discretion, investigate any report of an act, error or omission and settle any claim or "suit" that may result. But:

1) The amount we will pay for damages is limited as described in **C. Coverages**, **1. Employee Benefit Liability Coverage**, **c. Limits Of Insurance** of this endorsement; and

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under **Supplementary Payments**.

(b) This insurance applies to damages only if the act, error or omission is negligently committed in the "administration" of your "employee benefit program"; and

1) Occurs during the policy period; or

2) Occurred prior to the "first effective date" of this endorsement provided:

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that:

- a. You agree in a written contract or agreement to include as an additional insured on this Coverage Part; and
- b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement's schedule;

is an insured, but:

- a. Only with respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and
- b. Only as described in Paragraph (1), (2) or (3) below, whichever applies:
 - (1) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:
 - (a) The Additional Insured – Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or
 - (b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arises out of "your work" to which the written contract or agreement applies;

- (2) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – Scheduled Person or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies; or

- (3) If neither Paragraph (1) nor (2) above applies:

- (a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies; and
- (b) Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

- a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether

COMMERCIAL GENERAL LIABILITY

this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.

b. The insurance provided to such additional insured does not apply to:

- (1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:
 - (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (b) Supervisory, inspection, architectural or engineering activities.
- (2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

- (1) Give us written notice as soon as practicable of an "occurrence" or an offense which may

result in a claim. To the extent possible, such notice should include:

- (a) How, when and where the "occurrence" or offense took place;
- (b) The names and addresses of any injured persons and witnesses; and
- (c) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- (2) If a claim is made or "suit" is brought against the additional insured:
 - (a) Immediately record the specifics of the claim or "suit" and the date received; and
 - (b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.
- (3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- (4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph 4., Other Insurance, of Section IV – Commercial General Liability Conditions.

DESIGNATED PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Project(s):

EACH "PROJECT" FOR WHICH YOU HAVE AGREED IN A WRITTEN CONTRACT THAT IS IN EFFECT DURING THIS POLICY PERIOD, TO PROVIDE A SEPARATE GENERAL AGGREGATE LIMIT, PROVIDED THAT THE CONTRACT IS SIGNED BY YOU BEFORE THE "BODILY INJURY" OR "PROPERTY DAMAGE" OCCURS.

Designated Project General Aggregate(s):

GENERAL AGGREGATE LIMIT SHOWN ON THE DECLARATIONS

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **COVERAGE A. (SECTION I)**, and for all medical expenses caused by accidents under **COVERAGE C (SECTION I)**, which can be attributed only to operations at a single designated "project" shown in the Schedule above:
 - 1.** A separate Designated Project General Aggregate Limit applies to each designated "project", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations, unless separate **Designated Project General Aggregate(s)** are scheduled above.
 - 2.** The Designated Project General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A.**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under **COVERAGE C**, regardless of the number of:
 - a.** Insureds;
 - b.** Claims made or "suits" brought; or
 - c.** Persons or organizations making claims or bringing "suits".
- 3.** Any payments made under **COVERAGE A.** for damages or under **COVERAGE C.** for medical expenses shall reduce the Designated Project General Aggregate Limit for that designated "project". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Project General Aggregate Limit for any other designated "project" shown in the Schedule above.
- 4.** The limits shown in the Declarations for **Each Occurrence, Damage To Premises Rented To You and Medical Expense** continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Project General Aggregate Limit.
- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **COVERAGE A. (SECTION I)**, and for all medical expenses caused by accidents under **COVERAGE C. (SECTION I)**, which cannot be attributed only to operations at a single designated "project" shown in the Schedule above:

COMMERCIAL GENERAL LIABILITY

1. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
2. Such payments shall not reduce any Designated Project General Aggregate Limit.

C. Part 2. of **SECTION III – LIMITS OF INSURANCE** is deleted and replaced by the following:

2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Damages under **Coverage B**; and
 - b. Damages from "occurrences" under **COVERAGE A (SECTION I)** and for all medical expenses caused by accidents under **COVERAGE C (SECTION I)** which cannot be attributed only to operations at a single designated "project" shown in the **SCHEDULE** above.

D. When coverage for liability arising out of the "products-completed operations hazard" is pro-

vided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Project General Aggregate Limit.

E. For the purposes of this endorsement the **Definitions Section** is amended by the addition of the following definition:

"Project" means an area away from premises owned by or rented to you at which you are performing operations pursuant to a contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" that includes premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad shall be considered a single "project".

F. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by this endorsement shall continue to apply as stipulated.

SECTION I - COVERAGES

COVERAGE A - BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III - Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments - Coverages A and B.

b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (2) The "bodily injury" or "property damage" occurs during the policy period; and
- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
 - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
 - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;

- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:
 - (a) Employment by the insured; or
 - (b) Performing duties related to the conduct of the insured's business; or
- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone

else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) Which are or were at any time transported, handled, stored,

treated, disposed of, or processed as waste by or for:

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible; or

(d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat,

smoke or fumes from a "hostile fire".

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is

owned or operated by or rented or loaned to any insured.

(5) "Bodily injury" or "property damage" arising out of:

(a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or

(b) The operation of any of the machinery or equipment listed in Paragraph f.(2) or f.(3) of the definition of "mobile equipment".

h. Mobile Equipment

- (3) Property loaned to you;
- (4) Personal property in the care, custody or control of the insured;
- (5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or

- g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

- 2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
 - a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
 - b. This insurance applies to such liability assumed by the insured;
 - c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

the insured and the interests of the indemnitee;

Notwithstanding the provisions of Paragraph 2.b.(2) of Section I - Coverage A - Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

- b. Coverage A does not apply to "bodily injury" or "property damage" that occurred

before you acquired or formed the organization; and

- c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III - LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage **C**;
 - b. Damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
 - c. Damages under Coverage **B**.
3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".
4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.
5. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage **A**; and
 - b. Medical expenses under Coverage **C** because of all "bodily injury" and "property damage" arising out of any one "occurrence".
6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or

temporarily occupied by you with permission of the owner.

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;

- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section I - Coverage **A** - Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow

this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this

Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.
