Your Message

Please appoint April Ignacio to complete Supervisor Bronson's term as Pima County Supervisor.

April's qualifications are broad and deep. She has served in multiple positions in the county and in the Tohono O'odham Nation. She has been Chair of the AZ Native American Caucus, and Vice Chair of the AZ Democratic Party. She is an active Democrat. She has worked with both parties to pass legislation related to Murdered and Missing Indigenous Women, and served on two task forces on this topic. She is a progressive, activist Democrat with extensive relationships and knowledge of tribal and rural communities in Pima County.

She has organized scores of programs on the reservation to improve the lives of residents in western Pima County. She would be the first Native American Supervisor on the Pima County Board, and would be unique in her experience in Native culture and needs.

Please appoint this extraordinarily well qualified candidate to the Pima County Board.

Your Message Please support April Ignacio to be appointed to the District 3 in Pima County. April brings the life experience, education, community connections and leadership needed in the Board of Supervisors. Never before has there been a more qualified candidate to serve the underserved Indigenous communities in Pima County. Serving and uplifting those communities benefits everyone in the County.

I support April Ignacio and I hope current Pima County Supervisors will appoint her to District 3 office.
