'Votemobile' to Launch for March 10 RTA Election

Pima County's Mobile Voting Unit is HERE! Designed to bring secure, convenient ballot access and reach underserved and remote communities across Pima County.

In our continuing efforts to make sure all voters have every opportunity to vote, the Votemobile will officially launch at an event on Monday, March 2, at the Tohono Plaza, 1 Indian Route 19 in Sells.

After the ceremony, the site will immediately operate as an active Ballot Replacement Site, allowing voters to securely receive and cast ballots for the March 10 Regional Transportation Authority Special Election.

The Votemobile is designed to meet the needs of voters and includes:

- Accessible voting device and wheelchair lift
- Three private voting booths
- Bipartisan staffing to ensure transparency, fairness and trust in the electoral process

After its debut, the Votemobile will continue serving voters at the following locations:

- Wednesday, March 4 - Ajo
- Thursday, March 5 - Sahuarita
- Monday, March 9 - Nanini (Northwest side)

At the end of each voting day, ballots cast at the Votemobile will be transported to our Ballot Processing Center using our standard chain of custody procedures that ensure integrity and security.

The Votemobile will be available for voters who face barriers of geography, transportation or physical ability, and bring voting directly to communities where a traditional voting location is difficult to host. Between elections, the Votemobile will also serve as a Voter Registration and education vehicle.

Gabriella Cázares-Kelly, Recorder

"This has been a two-year project, and we couldn't be more excited. It has been one of my priorities to expand our services to communities that are traditionally underserved," said Pima County Recorder Gabriella Cázares-Kelly.

In addition to mobile voting services, voters are reminded that Early Voting, mail ballots and 24-hour Ballot Drop Boxes are also available to participate in the RTA election, providing secure and convenient options for voters to return their ballots at any time, day or night.

This project was made possible by a grant from the Tohono O'odham Nation and in partnership with the Pima County Board of Supervisors, continuing their commitment to help expand voting access for communities throughout Pima County.

For more information, please visit recorder.pima.gov or call our Voter Line at (520) 724-4330.
