Program Goals/Predicted Outcomes:

100% of the participants will successfully complete the workshop and show evidence of understanding the concepts of launching a new venture.

Public Benefit:

Workshops, labs and other group activities are a cost-effective method of providing workforce services that support Pima County's economic development by helping to develop a trained and productive labor force that meets employers' needs.

Metrics Available to Measure Performance:

Participants will provide evaluations indicating satisfaction with the workshop and recommendations for improvement.

Retroactive:

Yes, due to revising the contract language to modify how workshops will be provided during the COVID-19 pandemic.
