**Letter of Support for the Appointment of Anakarina Rodriguez to the Arizona House of  
Representatives for Legislative District 9**

We at Arizona List would like to voice our support for the appointment of Anakarina Rodriguez to represent the constituents of Legislative District 9 in the State House. Arizona List was founded in 2004 by a group of Arizona women determined to make significant change in their communities by electing pro-choice, Democratic women.

Anakarina Rodriguez is an organizer with a strong passion for registering people to vote and ensuring immigrants have a fair and just pathway to citizenship. Her experience speaks to her commitment to Democratic values and fair representation. She holds a Bachelor's Degree from Arizona State University in Social Work and throughout her organizing career she has had a wide range of experience from leading constituent services, running campaigns, founding Latinos for Parks, and currently works as Arizona's Civic Engagement Program Manager for National Domestic Workers Alliance and Care in Action.

Anakarina's wide breadth of experience would make her a worthy appointment to represent the people of Legislative District 9. As the only woman being considered for appointment in the district, it is critical that we continue to advocate for fair representation in our State Legislature and have voices that support the issues that impact the women of Arizona. We strongly urge the Board of Supervisors to vote in support of Anakarina Rodriguez on Tuesday November 7th's Board of Supervisor meeting to serve in Legislative District 9.
