RE: Incorporate Vall Arizona - Opposition of 1000 N. 1st St.

To Whom It May Concern:

I am writing to express my opposition to the proposed incorporation of Vall Arizona. It is proposed that Vall Arizona be incorporated as a non-profit organization.

There is a potential for conflict of interest to arise from the incorporation of Vall Arizona as a non-profit organization. The incorporation of Vall Arizona as a non-profit organization would allow the organization to receive tax-exempt status.

I have reviewed the proposed incorporation for Vall Arizona and believe that the incorporation of Vall Arizona as a non-profit organization is not in the best interests of the community.

I am writing to express my opposition to the proposed incorporation of Vall Arizona.

I am writing to express my opposition to the proposed incorporation of Vall Arizona.

Respectfully,

I am writing to express my opposition to the proposed municipal incorporation of Vail, Arizona, an unincorporated area in Pima County Arizona. This proposed incorporation would impose additional financial burdens on our residents and businesses and is not currently feasible. This proposed incorporation is simply unnecessary, and unwanted!

Those of us potentially affected urge you to oppose the proposed incorporation of Vail and the efforts of the Non-Profit Corporation known as "Incorporate Vail Arizona." I have provided my contact information for verification and authentication purposes, and for the use of you or your office in communications with me.

☒ I own my property, commonly known as the address listed below, and this is my formal request that it be excluded from any proposed incorporation efforts.

☒ I understand that this document may become part of the public record. Should that be the case, please redact my personal contact information.

Respectfully,
