Greetings,

regarding agenda item 5, presentation of a proclamation to Peggy Gibson and Nellie Sprunt, proclaiming the week of September 17 through September 23, 2024 to be: "CONSTITUTION WEEK"

This is such a wonderful idea. Thank you Supervisor Christy for nominating this very deserving proclamation in a time when there is outright Anti-Americanism in local and national government. It seems that the Marxists are abrogating the US Constitution, our most basic law of the land. Few schools do teach civics or the Constitution anymore, but they do appear to teach Marxist ideals of DEI: Division, Exclusion and Indoctrination. Schools also appear to promote Marxist ideals of CRT: Communist, Racist Teachings. DEI & CRT are evil and horrific constructs to cause strife.

Most Americans do not understand why this absurdity / aversion is happening. Communists typically pit us against each other with this weird crap. Marxists promote chaos and confusion to start a revolution and overthrow the country, like with the open border.

I am very glad that Vail Schools and students love this country, observe the laws, and understand our civil rights.

Thank you, Supervisor Christy for this wonderful nomination.
