Ms Bronson,

My name is Robyn Smith and I live in Star Valley with my husband Carl West. We are writing to express our full support of changing the planning and zoning of the 7 acre parcel of land at the corner of Valencia and Wade Rd for commercial usage.

We have lived in this community for 10 1/2 years and the prospect of having businesses in our neighborhood is exciting and long overdue.

We have also heard that part of the issue out in this area is a 2 cent retail enhancement fee. I honestly don't know what it is, but anything that stands in the way of good honest progress should be carefully scrutinized and eliminated if it is not in the best interest of the majority of people it affects.

I ask that you and all of the Supervisors support this request for commercial zoning.

Respectfully,

Robyn Smith and Carl West

Ms. Bronson,

Unfortunately, I cannot attend the meeting on February 7th. However, I would like to voice my thoughts in the building of a retail center in our neighborhood.

I would like to start by saying, YES, FINALLY! I have lived in the Eagle Point Estates since 2009. I love the idea and look forward to having a few nice convenient retail stores close by. A Walgreens, CVS, or Starbucks would be nice.

Look forward to hear about this development.

Sincerely,
Jessie Garza

Hello Sharon Bronson,

I live in the Star Valley Community at 6829 W Seahawk Way, 85757. I want you to know at this point I do not believe we should allow a retail shopping center be placed in the area of Wade & Valencia.

I feel if we had more information on the businesses that are interested in opening up in the area, then it would be open to more discussion, but since no said information has been released I do not want a retail shopping center.

Thank you

Subject: Star Valley Rezoning

Hello Ms. Bronson. I hope this finds you well, and thank you for your service as our District 3 representative. I am a homeowner in the Star Valley development and was informed that there was a Board of Supervisors meeting scheduled for 2/7/17 @ 9am to discuss the rezoning of a parcel of land for a retail shopping center at Wade and Valencia. I will not be able to attend the meeting so wanted to add my input for possible consideration in this decision making process.

I am against further development in our community, so would like to voice my opposition to the development of a retail shopping center at Wade and Valencia. Many of us purchased our homes in this area specifically due to the lack of big shopping centers, the peace and quiet and the gorgeous night sky thanks to the lack of artificial light at night (hence the name Star Valley). The development of a large retail shopping center so close to our community would compromise all of these benefits we enjoy.

There have been a few different messages sent to our community regarding the development of this land parcel at Wade and Valencia, so in the case that there has already been a decision to develop this parcel, I would also like to voice my opposition to the development of an apartment complex/multiple tenant building at this site. I feel this would bring a significant increase in traffic and crime to our area and most certainly decrease our home values.

If it is decided that a retail shopping center will be developed on this land parcel, I, and many of my fellow community members who I have talked to, are hoping for a healthy, quality grocery store (ie Trader Joe's, Sprouts, Natural Grocers or Sprouts) and local, non-franchise restaurants/coffee shops/shops. We can all access the large franchise chain stores and fast food restaurants just minutes down the road, so allowing any of these kind of establishments into our community would be redundant and inevitably bring down our property values. I know that many of us travel into town with commutes of over 45 minute each way just to access stores like Trader Joe's and mom and pop restaurants, so having access to those higher quality establishments would be convenient.

Sharon and board members:

My husband and I and neighbors attended a meeting of Broadway realty. We very much were happy to hear they are moving to add retail to our development. We will not be in Tucson at the time of their meeting with the board of supervisors. We would like to have a retail closer to our development. My understanding is they need to rezone a certain parcel for retail . Please consider this as a positive for our community. Apartment buildings on the corner do not benefit star valley. Please also remove the impact tax so we can have closer stores . Also consider zoning that benefits not only the residents but also Pima county. Having a nice development with zoning that is pleasing to look at and beneficial to all would be very much desired. Most of our residents would like to see some mom and pop stores and smaller retail and they can't afford the impact tax. I ask that you consider changing the zoning. Star valley is a very nice community in the south west corner of Pima county.

Thank you for your time

RETAIL CENTER WADE AND VALENCIA
COMPREHENSIVE PLAN AMENDMENT
CASE NO. P16CA00004-STEWART TITLE AND TRUST.

To whom it may concern:

Please consider this letter in your decision to allow rezoning a parcel of land for the retail shopping center near Wade and Valencia. I have lived in this area for five years and while it has been a positive experience and there's few other places I would live in SW Tucson, the biggest issue is not having a grocery store or a retail shopping center nearby. I think the area would greatly benefit and demands it for the increase in size we've had in the past few years. Some parts in Tucson have seen the benefits of having a shopping plaza nearby and allowing our young folks to work and our hard working families have that access to a grocery store and retail center would be in everyone's best interest.

Please consider the rezoning so we can head the project for a shopping center.

Best regards, Kathleen Coss

Miss Bronson,
Unfortunately I will not be able to attend the upcoming board meeting on the 7th to discuss the amended commercial property re-zoning of Star Valley. As a resident of The Star Valley neighborhood, I would like to voice my support of the re-zoning of the parcel of land that is currently zoned for an apartment complex, to a commercial retail zone. With so many homes already in this area, and many more planned in the near future, the right type of retail stores and restaurants would bring more value to this area and help the Tucson economy. Furthermore, I believe using that land for an apartment complex could devalue the surrounding neighborhoods and block the beautiful mountain views that so many have moved out here for. Thank you for your time and consideration.

Respectfully,

Joe Enriquez

Valencia and Wade area

Ms Bronson,

I hope you are the correct representative for my district. I live on Golden Shore Drive in the Stars Valley Master planned community.

I am hearing rumors that the county and or city are trying to take away commercial zoning and replace with residential zone at Wade and Valencia. This would eliminate our opportunity for future shopping and would be detrimental to the positive growth and fulfillment of the Stars Valley master plan. I built a home here with the hope of shopping being built nearby. I support a diverse community both in ethnicity age and commercial options.

Think Big! Your support to retain this commercial zone at Valencia and Wade should also advocate for light rail system to run from the Ajo and Valencia intersection to the far East side. The future can bring job opportunities, fresh food and services to food and transportation deserts like this if we stand fast now. I am asking you to vote and work retain this commercial zone and fight for other balanced ecologically friendly options.

Sincerely,

Robin Bundy
Stars Valley Resident

Hello,

I am writing in to give my opinion on the parcels for Wade and Valencia.

My family currently lives in Star Valley.

We would greatly appreciate more retail space to be available rather than see a apartment or townhome complex be put in.

We would also like to see local Mom and Pop shops/restaurants rather than chain retailers.

As far as grocery store types, we would like a Whole Foods, Sprouts, AJ's or Trader Joe's type since we have Safeway and Frys just a few miles away.

We moved out here for the quietness the community has and the safety of our family.

I appreciate your time to read and listen to our communities concerns.

Thank you,
