Pima County Board Supervisor:

I ask that you support and approve Mr. Huckleberry's request for a contingency allocation to provide additional staffing and kennels at PACC.

Thank you for your consideration and I am joining you in support of our PACC pets. We are their voices and this is an opportunity for us to represent them.

Hi Ray:

Please vote in favor of increased staffing and the temporary shelter for PACC!

I just wanted to send off a requesting your support for the upcoming decision to be made about finding for the animal shelter. For me it is difficult to know that the animals being held at PACC are so crowded. I have been following this issue in the paper and through a club here at work and I find it hard to believe that there are issues more important to our community.

Thank you,  
Sharon. McCausland
