

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: October 6, 2020

Title: Speed Limit - Moore Road

Introduction/Background:

The Pima County Department of Transportation received multiple citizen requests to reduce the 45 mph posted speed limit on Moore Road. Moore Road is multi-jurisdictional with segment portions within Marana, Pima County and Oro Valley.

Discussion:

The Pima County portion of Moore Road spans from Thornydale Road to La Cholla Boulevard. This segment portion has a two-lane cross-section, is classified as a major collector and has a posted speed limit of 45 mph. Directly west within Marana's jurisdiction the posted speed limit on Moore Road is 40 mph, and directly east within Oro Valley's jurisdiction the posted speed limit on Moore Road is 45 mph. Speed studies determined that the 85th percentile speed of vehicles within the Pima County portion of Moore Road is approximately 54 mph.

Conclusion:

The Pima County Department of Transportation recommends the posted speed limit on Moore Road be reduced from 45 mph to 40 mph within Pima County's jurisdiction in consideration of the two-lane cross-section, direct access to residences, speed study results, and major collector roadway classification. The recommended 40 mph speed limit aligns with the speed limit on Moore Road directly west within Marana's jurisdiction.

Recommendation:

The Pima County Department of Transportation recommends Ordinance 1992-099 (272) be repealed and a 40 mph speed limit be established on Moore Road from Thornydale Road to La Cholla Boulevard.

Fiscal Impact:

Minimal

for Department Head

Board of Supervisors Memorandum

Subject: Request to Approve Traffic Ordinance page of
 Involving Speed Limits on Certain Streets,
 Roads, and Highways in the County
 By the Board of Supervisors for the
 Regular Calendar of October 13, 1992

Recommendation:

The Department of Transportation recommends that the Pima County Board of Supervisors approve a traffic ordinance that documents the speed limits on roads having speed limits equal to or greater than 30 MPH.

Report:

This is a master speed limit ordinance. But for a few exceptions, it contains a complete listing of all the roads in Pima County that have speed limits of 30 MPH or higher. The ordinance will be updated annually so as to include additions, deletions or revisions to the listing. By having this master ordinance, information about speed limits will be current and readily accessible.

Respectfully submitted,

John M. Bernal
