I am Sharon Fickes, legal resident of Pima County contact [REDACTED]  
Following are my comments for the 11-7-23 Board of Supervisors meeting

## **Agenda Item #45 Homeland Security Elections & Records Building Security \$54,168.00 (GTAW 24-44)**

These funds are providing only building security. Constance Hargrove and Gabriella Czares-Kelly probably DO need a building with extra protection. The funds for this Agenda Item does nothing to provide confidence to the voters for a secure and accurate election. Where are the solutions for ballot chain of custody, oversight of the Early voting process at Vote Centers, oversight of the tabulation ballot process managed by Runbek. Security for any of the software, hardware & equipment utilized in the voting process and some used by outside contractors without any oversight. Will you ever demand real voting solutions? Unfortunately building security will not help the voters. **VOTE YES**

**God Bless America**

Please add the following to the agenda discussion at the November 7 Board of Supervisors Meeting

**Agenda Item #45:** AZ Homeland Security for Elections Dept & Records Office \$54,168.00 (GTAW 24-44)

Where is the documentation showing the additional security is necessary? Why would the Elections Department which has minimal traffic require these measures? The Recorder's Office has much more traffic but how many instances of security breaches have occurred?
