Dear Pima County Clerk of the Board,

I am writing to express my strong support for David Miller's candidacy for Justice of the Peace in Pima County's Precinct 6.

Having knowledge of Mr. Miller's qualifications and professional background, I believe he possesses the ideal combination of legal expertise, judicial experience, and community commitment that this position demands.

Mr. Miller brings exceptional credentials to this role, starting with his Juris Doctor degree. His career path demonstrates a consistent dedication to public service and the judicial system:

- He clerked for the Presiding Judge of the Pima County Juvenile Court, gaining firsthand experience with judicial procedures and decision-making processes
- For five years at the Office of Children's Counsel, he served as an dependency, delinquency, and appellate attorney, addressing complex legal issues on behalf of clients and demonstrating sophisticated legal analysis and advocacy skills
- Currently, he serves our community as a prosecutor with the Pima County Attorney's Office, where he continues to build on his reputation for fairness and sound judgment

His experience working with diverse populations and handling sensitive cases has prepared him exceptionally well for the varied responsibilities of a Justice of the Peace. What truly sets Mr. Miller apart is his genuine desire to continue serving his community in this new capacity. He has expressed a commitment to providing support and services that address the underlying problems people face when they enter the justice system. His hard-working nature, fairness in application of the law, and proven ability to perform effectively under pressure and time constraints make him particularly well-suited for this judicial role.

The position of Justice of the Peace requires someone who balances legal knowledge with compassion and understanding. David Miller exemplifies these qualities, combining thorough legal expertise with genuine concern for community wellbeing. I am confident he will approach each case with the careful consideration and respect it deserves.

I strongly urge your consideration of David Miller for this important position. Our community would greatly benefit from his leadership, experience, and unwavering commitment to justice.

Sincerely,

Iliana Ozuna
