

MEMORANDUM

Date: January 31, 2023

From: Jan Lesher

To: The Honorable Chair and Members

Pima County Board of Supervisors

and Recreation Fees

Background

Re:

In December 2021, Natural Resources Parks and Recreation (NRPR) initiated an update to their fee schedule. Since that time, NRPR has conducted a variety of outreach in person and virtually to solicit input. NRPR has also met with individual Supervisors and their staff to receive input to incorporate into the proposal.

Additional Information – February 7, 2023 Agenda Item #48, Natural Resources Parks

The fee proposal was presented to the Natural Resources Parks and Recreation Advisory Committee on four separate occasions. At its October 2022 meeting, the NRPR Advisory Committee voted 9 to 0 (one member absent) to recommend approval of the proposal to the Board of Supervisors.

The attached memorandum from NRPR Director Victor Pereira outlines some of the key aspects of the proposed fee revision. Also included is a summary of modifications made to the proposal based on input received during outreach. Provided with Mr. Pereira's memorandum is the full fee schedule showing the proposed changes.

Recommendation

I recommend that the Board of Supervisors approve the proposed fee revisions with an effective date of July 1, 2023. Funds generated from the increased fees will be placed in a separate fund to be reinvested into NRPR programs and facilities.

MEMORANDUM

Date: January 30, 2023

From: Victor Pereira

NRPR Director

To: Jan Lesher County Administrator

Thru: Carmine DeBonis, Jr. Deputy County Administrator

Re: Proposed NRPR Fee Structure, 7 February 2023, BOS Agenda Item

The purpose of this memo is to provide an update on the Natural Resources, Parks and Recreation (NRPR) proposed fee structure, which is scheduled to be a BOS agenda item on February 7, 2023.

HISTORY

- December 2021, NRPR introduced a fee increase proposal at the NRPR Advisory Commission (NRPR AC) meet; all items were discussed and the NRPR AC voted unanimously 6-0 on the new fee increase
- February 2022, County Administration provided the BOS a memo which outlined the proposed fee increase
 - o Specifically, NRPR was directed to conduct two (2) outreach efforts to receive public input, then go back to the NRPR AC with the results, then to BOS for their consideration and approval
- April 2022, the proposed fee increase was added to the NRPR AC agenda due to three (3) AC members not being present at the December 2021 meeting
- July 2022, the fee structure was amended by NRPR and once again passed 6-2 by the NRPR AC
- October 2022, final modifications were made to the proposed fee structure, NRPR AC voted unanimously 9-0 to approve

OUTREACH CONDUCTED

- NRPR has conducted a total of 4 outreach events utilizing a myriad of communication platforms
- 1 formal 60-day open comment period from 28 Feb 30 Apr; created dedicated email for constituent feedback. Additionally had comment sheets at all our community centers, shooting ranges and main office for personnel without computer access
- Since December 2022, NRPR Subject Matter Experts have briefed all youth and adult league representatives at the bi-annual meetings, informing them of the proposed fee increase for sports field utilization
- August 17, 2022: NRPR hosted a public outreach event which was attended by 8 community members
- August 30, 2022: NRPR hosted a public outreach event, which was attended by 8 community members

Jan Lesher, County Administrator

Re: Proposed NRPR Fee Structure, 7 February 2023, BOS Agenda Item

January 30, 2023

Page 2

SUMMARY OF KEY CHANGES

Attachment 1 depicts the entire department fee proposal; below is a summary of key changes:

- Aquatics: Fee adjustment proportional to operations and maintenance
- <u>Campgrounds:</u> Includes new fees for high demand/peak season and for premium sites that have 50amp electrical hook-ups
- Sports Fields: Introduces a field usage fee for youth sports field utilization
- Ramada(s): Delineates between small and medium size ramada fees; introduces high demand/peak weekend fees; incorporates a new fee for constituents who would like to obtain a beer/wine special use permit while renting a ramada
- South East Regional Park/shooting range: fee adjustment proportional to operations and maintenance
- Special Events: fee adjustment proportional to operations and maintenance
- <u>Community Centers:</u> Introduces new fees for after school programs that incorporates a sliding scale approach for families in need

ADDITIONAL BACKGROUND

- Based on constituent, other stakeholders and BOS feedback, NRPR has made several fee adjustments and modifications to the original December 2021 proposed structure
 - Examples include modification to the sports field utilization fee from \$4 per hour to \$2 per hour, inclusion of a sliding scale fee for families in need that utilize the community centers as well as working with County Administration to create a "Special Revenue Fund" ensuring all fee revenue generation remains in NRPR, vice being deposited into the General Fund. The Department plans to reinvest all the revenue generated from fees back into NRPR programs and facilities
- The proposed fee structure safeguards the department's ability to provide recreational services commensurate with 95% of the state of Arizona Parks and Recreation Departments who already maintain a fee structure for various amenities and services
- NRPR's proposed fees are Parks and Recreation-level fees, not current market level fees

RECOMMENDATION

- NRPR recommends delaying the fee implementation until <u>1 July 2023</u> to allow further strategic communication with Pima County constituents to ensure personnel can plan accordingly
