

BOARD OF SUPERVISORS AGENDA ITEM REPORT
CONTRACTS / AWARDS / GRANTS

Requested Board Meeting Date: 11/17/2015

or Procurement Director Award

Contractor/Vendor Name (DBA): Multiple Contractors. See Attachment A.

Project Title/Description:
Rental of Heavy Equipment.

Purpose:

Amendment of Award: Multiple Master Agreements. See Attachment A. Increase award amount by \$2,300,000.00.
Administering Department: Transportation Department.

Procurement Method:

Pursuant to Pima County Procurement Code 11.12.010, Competitive Sealed Bidding, Solicitation No. 51312. On 10/09/12 the Board of Supervisors approved an award for an initial term of five (5) years effective on 11/08/12 in the amount of \$3,875,000.00. The Award includes the authority for the Procurement Department to reallocate the award amounts among the contracts considering actual usage and anticipated requirements without further action by the Board of Supervisors provided that the sum of the revised contract amounts does not exceed the sum of the contract award amounts.

Currently Pima County's fleet does not have the specialized equipment needed to provide road repairs services for the Department of Transportation. Rental of equipment is necessary to provide Pima County with repair services throughout Pima County.

Attached Documents: Attachment A and 10 Master Agreements.

Program Goals/Predicted Outcomes:

Provide mechanism for the rental of heavy equipment for all County departments on an as-needed basis.

Public Benefit:

County departments can better meet the needs of the public by renting additional equipment for as-needed assignments and provide for equipment that is not currently owned by County or equipment that is down for repairs or dead-lined.

Metrics Available to Measure Performance:

Master Agreement usage reports.

Retroactive:
