Pima County Board of Supervisors  
130 W. Congress St., 5th Floor

RE: C07-14-03

Members of the Board,

Since 1990, my husband and I have lived in the beautiful Oracle Foothills Estate neighborhood, adjacent to the Oracle Road corridor that for decades has been access from the foothills to metropolitan Tucson. As residents of this uniquely stunning lower foothills area, we have supported our neighbors and the Oracle Foothills Neighborhood Association (OFNA) in the encompassing efforts through the years to preserve the pristine native vegetation and amazing wildlife, which has also served to enhance our qualify of life and home property values.

Regarding Zone 2, the OFNA Board of Directors is strongly in favor of retaining the current land designation for the 27 acres which is Low Intensity Urban 1.2, and we are in strong agreement with this position as well.

Your consideration of our position would be appreciated.

Sincerely,

Rebecca A. Spencer, Ph.D.
