BOARD OF SUPERVISORS AGENDA ITEM SUMMARY

Requested Board Meeting Date: 12/10/2013

ITEM SUMMARY, JUSTIFICATION &/or SPECIAL CONSIDERATIONS:

In 2009 Pima County and the Arizona Department of Health Services signed an IGA to provide dental sealants and fluoride varnishes to low income children in Pima County schools where 65% (reduced to 50% in Amendment #1) of the children participate in the free and reduced school meal program. Second and sixth grade children without private dental insurance are eligible to participate if they have parental consent and a clinical need for sealants. The IGA also pays for oral health training/education in the same sites.

Pima County contracts with dentists, dental hygienists and dental assistants to provide the services specified by the Dental Sealant IGA. Program coordination is provided by staff of the Pima County Health Department. Revenue from this IGA averages about \$100,000 per year.

The original IGA has a term of five years, from 12/01/2008 to 11/30/2013. Amendment #2 is to extend the term by one month, to 12/31/13, so that the new IGA can run on a calendar year cycle and line up with other County IGAs without leaving a gap in funding. No additional funds are being added for the extension period as program staff estimate they have sufficient to cover their needs with the current do not exceed amount of \$103,150 for calendar year 2013.

IMPACT:

IF APPROVED: The Pima County Health Department will be able to provide dental sealant and fluoride varnishing services in the month of December, 2013 as planned. There will be no interruption in funding between the current dental sealant IGA and the next five year dental sealant IGA.

IF DENIED: The services scheduled for the month of December will need to be cancelled as there will not be any funding in place to cover the expense of providing these services.
