Dear Supervisors:

There is no viable reason to extend a grant that provides for C-19 testing kits. In May of 2023, WHO declared that there is no C-19 health emergency. Recently, the five-day isolation guideline regarding C-19 was discontinued. Therefore, the government should treat C-19 and its variants as it treats the flu. Stop the funding.

Sincerely,  
Kathy Madsen  
PC, LD18

Supervisor Lee,

**Agenda Item #10: Intergovernmental Agreement (IGA) with City of South Tucson to Support Provision of Fire and Emergency Medical Services.**

I request you vote no on this proposal. Since the county is over budget in many areas, maybe the BoS could utilize some fiscal restraint here and see if the City of South Tucson can come up with some ways to generate funds on their own.

MR 18 24 08 01 PC CLKD  
New.

**Agenda Item #15: Election Integrity Commission Annual Report 2023**

Provisional Ballot in the Secretary of State website (SoS) seem vague, and it opens the door to fraud. For example: "A provisional ballot may be issued to a voter if: Voter name does not appear on the signature roster". Good intentions are recognized by us all, but how many times have we seen good intentions abused? VOTE NO!

**Agenda Item #17: Monthly Financial Update.**

**Stay in the budget.**

**No more over budgeting!!!!**

**My property taxes should go up because you do not know how to stay in the Budget. Look up the definition it might help you.**

**This beyond irresponsible:**

The following departments are forecasted to be over budget on June 30, 2024, by the amounts provided below."

- > Sheriff's Department – projected to be \$4,031,955 over budget
- > Public defense Services- projected to be \$2,607,687 over budget
- > Superior Court – projected to be \$597,899 over budget
- > Facilities Management – projected to be \$473,610 over budget
- > Human Resources – projected to be \$2,408,631
- > ITD- projected to be \$1,885,154
- > Transportation – projected to be \$2,197,567 over budget

**Agenda Item #23: LexisNexis VitalChek Network, Inc., Amendment No. 1, to provide for ordering of vital records, extend contract term to 1/31/25 and amend contractual language, contract amount \$1,600,000.00 revenue.**

VOTE NO to the extension and funding, their services are too costly and time consuming.

**Agenda Item #33: Arizona Department of Health and Human Services/Centers for Disease Control and Prevention, Amendment No. 2, to provide for COVID-19 Health Disparities, extend grant term to 5/31/26 and amend grant language, no cost.**

PIMA county would be better served if they instead looked into the death and illness injury created by the MRNA shots, and that it is better served to get out of the C-19 vaccination business.  
The Centers for Disease control (CDC) already previously downgraded the disease.

Very concerned citizen of Pima County.,
