# MEMORANDUM

PUBLIC WORKS DEVELOPMENT SERVICES DEPARTMENT  
PLANNING DIVISION

---

**TO:** Honorable Board of Supervisors

**FROM:** Arlan M. Colton, Planning Director 

**SUBJECT:** Co8-11-6 Renewable Energy Incentive District (REID) Text Code  
Amendment scheduled for the October 15, 2013 Board hearing  
REQUEST FOR CONTINUANCE

**DATE:** October 7, 2013

---

Development Services staff request that the Board of Supervisors continue the text code amendment Co8-11-06 Renewable Energy Incentive District (REID) currently scheduled for the October 15, 2013 Board hearing to the November 5, 2013 hearing so that staff may revise the Board's case materials and submit them to the Clerk of the Board.

Continuing the text amendment should have little or no effect on the public since this is basically a correction of scrivener's mapping errors, a replacement of the REID site maps with clearer maps, and the required one year after adoption review of the ordinance by the Board of Supervisors.
