Following are my comments for the 12-5-23 Board of Supervisors Meeting

Agenda Item #10 Outside Agency \$600,000 increase

Yes the pandemic exacerbated issues in our communities. The Board of Supervisors were key to enhancing the problems by voting for programs to instill fear and concern. – Mandates, masks, closing schools, vaccines, 6 ft social distancing, identifying businesses as essential and not. Identified by who? Pima County has yet to acknowledge errors, apologize, and don't repeat past mistakes.

God Bless America
