Dear Administrator Leshner and Board:

What happened to the Ten-Year Plan to End Homelessness, 2006? Over a decade later, the situation is far worse! Due to the failure of the 2006 plan and the post-2020 developments, it is time to draft a new plan. **Does Pima have a direct working relationship with the Tucson Pima Collaboration to End Homelessness?** If not, it's time to do so. All forms of collaboration between groups are needed, with an emphasis on mutual goals. **Please provide an update on the plan proposed by Rex Scott.** This plan was voted on in November 2022, and items 1, 2, 6, and 7 were approved. Our elected officials should now have months of progress to report to the citizens who elected them into office. And finally, I ask that you keep an **ongoing dialog with the Tucson Crime-Free Coalition.** The majority of its members have first-hand experience with the problems caused by allowing the homeless issue to sit on the back burner.
