Following are my comments for the 10-04-22 Board of Supervisors meeting.

## 10-4-22 Agenda Consent Calendar Contract & Award Item #11

## 10-4-22 Agenda Consent Calendar Contract & Award Item #13

## 10-4-22 Agenda Consent Calendar Contract & Award Item #26

**Item #11** World Dining, LLC annual award \$4,394,700 for more food services to illegal immigrants. World Dining, LLC has already received millions to provide from our federal, state and county taxes.

**Item #13** Transportation Amendment #4 with Diamond Transportation, LLC. Stop providing transportation to illegal immigrants with another \$500,000. If this continues, maybe you will understand the problem better if the illegals are placed on your porch, then you can then deal with this issue directly.

**Item #26** Federal funds you are funneling through Pima County to help illegal immigrants supposedly for humanitarian relief for COVID and the IGA you signed. Your position to help illegals does not in any way support Pima County citizens. The Board of Supervisors are intended to work on behalf of and support and protect the citizens of Pima County. Protect us by assisting in closing the southern border with Mexico, stop supporting the illegals. How much funding have you provided for closing our borders, protecting citizens from all the ramifications of the open border. Oh that's right ZERO FUNDING for closing our borders. STOP YOUR NONSENSE. NO to all of these additional funds.

**God Bless America**

Agenda **Item #11** World Dining \$4,394,700.00/Four months support for feeding homeless & illegals aka congregate & non-congregate at shelters

AND

Agenda **Item #15** Diamond Transportation dba Gray Line Tours, Bee Line Bus & Mountain View Tours \$500,000/Six month amendment for transportation of illegals to unknown locations

More dollars to feed, house and transport NON CONGREGANTS. NO!!  
Quit feeding the monster because all that does is make it grow!!

New illegal immigrant records were set in August. 1.8 *million* illegal immigrants were logged by DHS and then released, most swamping the towns and resources of border states like Arizona. Stop the insanity.
