BoS Meeting 7/25

Message:

As a Pima County employee, I would like to urge the Board to vote yes to approve the plan recommended based on the Comp & Class study, agenda item 16. I would also like to request you consider a cost-of-living adjustment as well, after the new salary ranges are implemented, as this study started quite some time ago and rent and groceries continues to get more expensive. I work with people making less than \$20 per hour that are having a very difficult time making ends meet, and they are only supporting themselves and not a family. Thank you for your consideration in this matter.
