Your Message

I am writing to express my enthusiastic support for Andrés Cano to be appointed as the next Supervisor for District 5. I have known Andrés since he was in high school, and it has been an incredible privilege to watch him grow into the thoughtful, effective, and compassionate leader he is today.

From an early age, Andrés showed a deep commitment to our community — always eager to serve, to listen, and to lead with heart. Over the years, I have seen firsthand how he has dedicated himself to uplifting our city and our community while fighting for the families who call it home. His deep roots in this community aren't just personal; they are the foundation of everything he does.

Andrés brings a proven track record of public service: Nearly a decade working in the District 5 office, three terms in the Arizona House of Representatives, and, notably, as House Minority Leader, where he helped negotiate the state's \$17.8 billion budget to reflect the needs of working families. Today, in his role as Director of Federal & State Relations for the City of Tucson, Andrés continues to deliver for our region — advancing legislative priorities and securing critical funding for housing, public health, and infrastructure.

What sets Andrés apart is his rare combination of experience, empathy, and results-driven leadership. He works hand-in-hand with neighborhoods, listens to community voices, and leads with inclusion and integrity. He is ready to lead on day one, and I am confident that as Supervisor, he will continue to uplift District 5 with the same passion and effectiveness that has defined his career.

I want to thank the Board of Supervisors for your service and for considering Andrés Cano for this important role. Our community will be in excellent hands with Andrés representing us on the Board.

In community,
Raul E. Aguirre

Your Message

I've known Andres Cano for over a decade. We met when he joined the office of former District 5 Supervisor, Richard Elias, and we became friends shortly thereafter. I was a founder of FC Tucson and worked closely with Richard on establishing the club at Kino Sports Complex as Pima County developed new soccer infrastructure there. Andres impressed me early on as a dynamic, reliable and detail-oriented member of Richard's team. As I got to know Andres, I learned about his commitment to serving the community. I observed this personally when Andres would join Richard in the mid-Summer heat at FC Tucson games - showing his support for the club - and for our partnership with Pima County. He talked with me about our enterprise and engaged with fans in the stands (many of whom were District 5 constituents). He also took time to get to know my family, who often attended the games.

When Andres won election to the State legislature, I followed his work and greatly appreciated his efforts on behalf of southern Arizonans. His experience negotiating the state's budget will serve District 5 and Pima County well.

While I was sad to see him move on from that seat, I was impressed that he chose to broaden his understanding of public administration by obtaining a graduate degree. And I thought it was remarkable that Andres chose to return and continue serving his community by pursuing funding from federal and state sources for the City of Tucson.

Given his education, and the breadth and depth of his experience and service to the community, Andres will be ready to lead on day one.

I want to express my gratitude to the Board of Supervisors for considering Andres' application - and for your public service.

Cc: Pima County Board of Supervisors

Dear Chair Scott and Members of the Board,

I'm honored to offer my full support for Andrés Cano and his candidacy to fill the District 5 vacancy on the Pima County Board of Supervisors. His proven leadership, deep understanding of Southern Arizona's needs, and track record of party-building and policymaking make him an exceptional choice for this role.

For the last 15 years, Andrés has demonstrated his commitment to advancing Democratic values at every level—from grassroots organizing to statewide leadership. As President of the Young Democrats of Arizona, he mobilized youth voters across the state during a critical midterm election. As Chair of the Legislative District 3 Democratic Committee, he helped expand engagement and voter turnout on Tucson's South and West Sides—bringing attention and energy to neighborhoods too often left behind.

Andrés brought those same values to the Arizona House of Representatives, where he was elected three times and rose to serve as House Minority Leader. In this role, he worked with Governor Hobbs to deliver real results for Arizonans—expanding KidsCare, securing historic investments in affordable housing, and advancing policies to protect Arizona's water supply. He also played a leadership role on the Arizona Democratic Legislative Campaign Committee, helping raise millions to support Democratic candidates across the state.

As a young leader of color who understands the importance of access, trust, and community, Andrés represents the next generation of leadership our party and county need. He leads with both empathy and experience, and I am confident that he will serve District 5 with the dedication and vision it deserves.

Sincerely,
Kim Khoury
District 1 Resident

Dear Chair Scott and Members of the Board,

I am pleased to offer my support for Andres Cano as he seeks to serve the people of District 5 on the Pima County Board of Supervisors.

I first had the opportunity to work closely with Andres through his leadership at the LGBTQ+ Alliance Fund, an initiative of the Community Foundation for Southern Arizona. In this role, he brought people together across sectors to grow philanthropic support for Southern Arizona's LGBTQ+ communities. His ability to build meaningful partnerships—grounded in mutual trust and shared purpose—stood out from the beginning.

Since then, I've come to know Andres as a results driven leader with a deep and unwavering commitment to Southern Arizona. He leads with authenticity, seeks out diverse perspectives, and brings a thoughtful, no-nonsense approach to problem-solving. It is a rare quality in public service—and exactly what this moment calls for.

Andres also brings real policy experience. As House Minority Leader, he helped negotiate a bi partisan state budget that included historic investments in Arizona's Housing Trust Fund and expanded the Low-Income Housing Tax Credit—Key tools in supporting affordable housing development across our region. These are not just policy wins—they reflect his understanding of how state-level action directly impacts counties, cities and neighborhoods.

His time in the District 5 office gave him firsthand experience in what it takes to deliver at the local level. Whether it's responding to constituent needs, working with county departments, or navigating land use and infrastructure challenges, Andres knows the terrain and has the temperament to lead.

As a District 1 resident and someone who has spent decades in real estate and community development, I believe Andres Cano is exceptionally qualified to serve. He brings the right mix of experience, heart and leadership to the Board.

Sincerely

Andres has been a public servant in this community since high school. He is highly experienced in local government, and has served as an elected representative at the state level. I'm writing as a District 5 resident, advocate, and former staffer in the District 5 office from 2021-2024. In serving the community in D5, I've had the privilege of meeting with hundreds of local leaders and neighbors to work alongside them in finding ways to demystify the work Pima County does and what residents seek in their representation.

With that said, I know that Andrés Cano is the absolute best fit for the role of Supervisor for District 5. He has deep roots in District 5 and long-standing commitment to the community, having spent nearly a decade in the District 5 office during Richard Elias' term, and three terms in the Arizona House of Representatives, serving many D5 residents in advocating for the resources D5 deserves.

He also received a Master in Public Administration from the Harvard Kennedy School-- making him an incredibly qualified candidate to serve in any organization. Also, as a first-generation student, knows the challenges facing our youth and their families.

His experience working with and for neighbors to address housing, public health, and infrastructure is unquestionable. Above all, Andrés is kind, forward thinking, hardworking leader, ready to get started on day one. His experience speaks for itself.

Thank you to the Board for your consideration of Mr. Cano to represent District 5.

Best,
Elvira Din

I am writing in support of Andrés Cano for appointment to the Board of Supervisors representing District 5. I have known Andrés for nearly 10 years and my family has known him since his initial work in the District 5 office.

Andrés' contribution and obvious potential to District 5 was apparent to Supervisor Richard Elias, who hired him full time to work in the district office. After working in the district office for nearly a decade, Andrés ran for the State House of Representatives and served three terms. He became a leader and ultimately served as the House Minority Leader. In the House, Andrés was instrumental in successfully passing bipartisan state budget legislation.

Andrés received his Master of Public Administration from Harvard Kennedy School last year. When he could have moved on to a different, potentially bigger political platform, Andrés proved his dedication to southern Arizona and returned to a position with the city.

Andrés has demonstrated his dedication and commitment to Pima County by his choices of community participation over the years. His issues have included public health, housing and citizen engagement.

Pima County could only benefit from the addition of Andrés to the Board of Supervisors. He knows Pima County. His leadership and service to Pima County has been recognized by numerous awards and positions representing a variety of issues. I strongly support the appointment of Andrés Cano to the Pima County Board of Supervisors.

Greetings: Melissa Manriquez, Clerk of the Pima County Board of Supervisors:

I am respectfully requesting that you kindly forward the following email to the Members of the Pima County Board of Supervisors regarding the upcoming appointment to fill the current vacancy that exists for the Office of Pima County Supervisor, District 5. I truly appreciate your conveying this email to each of the members of the Pima County Board of Supervisors, prior to their next scheduled meeting in which this matter will be considered for their action.

Dear County Supervisor Chair Rex Scott - District 1, Supervisor Dr. Matt Heinz - District 2, Supervisor Jennifer Allen - District 3, and Supervisor Steve Christy - District 4:

It is with a deep sense of pride and confidence that I write you to support the candidacy of Andres Cano to fill the District Five vacancy on the Pima County Board of Supervisors.

During my lengthy tenure of service, from May 1988 to September 2003, as a member of the Pima County Board of Supervisors, one of my proudest accomplishments was championing the Pima County Summer Youth Employment Program, an investment in young people that has changed countless lives among our youth. Andres Cano is a product of that vision. At just 14 years of age, he began his public service journey, first with the Regional Wastewater Reclamation Department, then with the County Administrator's Office, and eventually as a summer intern in the District 5 Office under the supervision of County Supervisor Richard Elias, with whom I was honored to serve.

That early exposure to public service became a lifelong commitment. Andres went on to spend nearly a decade working in the District 5 office, engaging directly with constituents and neighborhoods on issues ranging from libraries, parks, public health, wastewater, public infrastructure, affordable housing, economic development, neighborhood reinvestment, zoning/land use, as well as juvenile justice reform. His meaningful work experiences has given him a firsthand understanding and knowledge of the needs and hopes of the people this Board of Supervisors serves every day.

He then carried this perspective of public service to the Arizona House of Representatives, where he was elected three times, by many of the same voters who reside in District 5. As a Legislator, Andres delivered results that truly matter, ranging from expanding KidCare to increase healthcare coverage for children, to supporting affordable housing, and advocating for responsible water policy. As House Minority Leader, he helped negotiate the state's \$17.8 billion FY23 budget, ensuring Southern Arizona's priorities were reflected in state investments. He also led the successful elimination of the state-imposed juvenile detention cost shifts to counties, a significant win for Pima County and a testament to his understanding of how state and local budgets intersect.

In his current role as the City of Tucson Director of Federal and State Relations, Andres leads the City's legislative strategy with our state, federal and tribal partners. He has helped secure critical resources for housing, PFAS mitigation, infrastructure and economic development, delivering real, tangible benefits to Southern Arizona. His ability to navigate complex intergovernmental systems is exactly what Pima County needs in this moment of fiscal uncertainty.

Beyond his public service, Andres has been recognized for his leadership and community service impact, with his being awarded the following honors: *Richard Elias Public Servant Award, Southern Arizona AIDS Foundation (2023)*; *CHCI Young Alumnus of the Year, Congressional Hispanic Caucus Institute (2020)*; *"40 Under 40," Tucson Hispanic Chamber of Commerce (2017)*; *Emerging Leader of the Year, Equality Arizona (2016)*; *Gabe Zimmerman Emerging Leader Award, Center for the Future of Arizona (2016)*; and *Hank Oyama Community Leadership Award, Amistades, Inc.*

Each of these honors reflects his outstanding commitment to building a stronger, more inclusive region of "one policy, one budget, and one neighborhood at a time."

With the challenges ahead, the Pima County Board of Supervisors needs a proven visionary leader with meaningful public service experience, integrity and the full trust of the people. In my humble opinion, Andres Cano is ready to lead from day one, and I strongly urge you to give his application to serve as the Pima County Supervisor from District 5 your full consideration and approval. Thank you so very much for allowing me this opportunity to share my personal and professional observations on this most important matter which will impact all the residents of Pima County.

Most Respectfully,

Dan Eckstrom
